Dear Brother and Sister Gunkelt  
I received your card telling about  
Leonard attending your church it made  
me very happy to know he could be  
a help and have the Pastor interested  
in him his Pastor at home read your  
card aloud at the Sunday service  
the congregation was happy to hear  
he was attending church I am  
planning to visit Leonard soon  
I hope to be there so I can attend  
service I thank you so much for  
your message and kindness to Leonard  
yours in the faith
