

St. Joseph, Mo.
Dec. 30 1942.

Rev. + Mrs Arthur Landolt,
Morehead, Kentucky.

My dear friends: I would be
ungrateful indeed, if I did not
express my appreciation to you
and to the members of your
church for the many courtesies
extended to my son William.

I regret that he has to be
away from home; but I am
so glad that you have made
him feel at home in your church.

Of course, I know he is
fine but I am always happy
when others think so, and I
thank you. I am deeply grateful
to you for your interest in him.

May the new year be a happy
and prosperous one in your church.
Sincerely, Mrs. Sarah E. Maxwell.
