Dear Rev. and Mrs. Landolt :-

It was a pleasure to receive your card, and very kind of you to write, in regards to my boy Barton, I am proud of him, he has always been a good boy to all his brothers & in all, and 1 sister, and myself. I do hope he will continue attending church, I will do all I can to encourage him, he is a member of the Crozerville Church where he was Christened and attended for several years. Barton is one of three of my sons in the service, sometimes it takes courage to go on living, but, I am trusting in God, to bring them safely home. Thanking you for your interest in Barton. I am his mother,

Mrs May Pierce.
