Mr. Phister's Address at the City Hall.

We were present at the meeting of the Temperance Society last night, and believe we speak the sentiment of the whole audi-(which was large) when we say that listened to with heart-felt pleasure. The dif-ferent positions taken by him, were ably and lucidly enforced, and he succeeded (a rare merit) in investing the hackneyed subject, with interest sufficient, to hold enchained for near an hour a very large and respectable audience which had assembled to hear him.

counties adjoining Mason. Why do they commiss adjoining Mason. Why do they will be to late, and at once present them sives for service? A few days more, and will be to late, and at once present them sives for service? A few days more, and will be to late, if it be not so laready—here is but little doubt of all the companies required, being ready by the 20th, now they fire days off, and those who wish the control of the con

cardige, of Fayette centry, to the office of
Spientimedent of Public Instruction, and
the organists the different of the control of the cont

which looks to the moral and intellectual advancement of a whole people. Such fame is worthy of Mr. B's ambition, and we shall be happy in hearing of his entering induced to do so by the same erroneous statupon the good work, speedily. farred to

D'Our advertising columns will shew, that "Chubbee" the Natural Musician, will entertain our citizens again, this evening, at the City Hall. We speak knowingly, when we say that his audience at the first exhibi-tion were perfectly delighted with his music. tion were perfectly delighted with his music. He has wonderful command over the flute, and touches the very confines, of "auld lang syne" in his execution of that delightful class of cheerful, merry pieces which brighten the eyes, and tickle the feet of the boys of the olden time. We could'n thelp noticing how completely enthused, were our old friends W, and M, and Uncle B\*\*, whenever the navies was of the bird to remire near an hour a very large and respectable soldence which had assembled to hear him between the soldence vestified their approximation of the efforts when the second Tuesday in each month.

If we make the second Tuesday in each month.

If we work of recruiting, although presend with untiring energy by the officers of the Mason Company, does not progress with as much rapidity as those gentlement expected—or indeed as they had a right to texpect. The season of the year, at which they will be mustered into service—the vestion and transported to have vestige service that I am supposed to have voted against, or, what is the same thing, not to passed with untiring energy by the officers of the Mason Company, does not progress with as much rapidity as those gentlement expected—or indeed as they had a right to texpect. The season of the year, at which they will be mustered into service—the two differences of the will obtain a strict of the season of the year, at which will be understood to the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which they will be mustered into service—the two differences of the season of the year, at which the proposed company.
