THE PRESIDENT'S MESSAGE

We are always happy to invite you to Morehead, but the invitation to attend our summer school is couched in superlative terms. We believe that we offer the summer school students advantages no other school in this section can claim. Summer school students at Morehead have an opportunity to study under great teachers among pleasant surroundings, and to restore the body because of our invigorating mountain air and cool nights. What more could you ask of a summer session?

This summer we are offering courses in Smith-Hughes Home Economics. The course in Home Management, which involves living in the Practice House, is open to summer school students, and four young lady students have the privilege of living in the Practice House, with the instructor, during the summer term.

We are introducing our graduate work program for the summer session. Graduate courses are offered in Education, in which field the student must major, and students will be permitted to take minors for graduate work in History, Government, Biology, Mathematics, English, and Social Science.

Our undergraduate program will be carried on as usual, with even greater offerings than previously.

Our costs are unbelievably low, which fact you cannot doubt after studying this bulletin.

We are offering to the summer school students of 1941 the greatest opportunities in the history of the college and, most of all, we greet you with a genuine welcome.

Cordially yours,

WILLIAM H. VAUGHAN
President

GENERAL INFORMATION

ESTIMATED EXPENSES FOR ONE SUMMER TERM OF FIVE WEEKS

Board at \$3.50 per week, approximately.....	\$17.50
Room rent in the dormitory.....	7.50
*Incidental fee	12.50
Books and supplies, approximately	7.50
College post office box rent.....	.25
Student activity fee50
Medical fee50
TOTAL	\$46.25

THE STUDENT SHOULD BRING WITH HIM ON REGISTRATION DAY

Room rent for one term	\$ 7.50
Incidental fee	12.50
Two meal books @ \$5.00 per book	10.00
Deposit fee	3.00
College post office box rent25
Student activity fee50
Medical fee50
TOTAL	\$34.25

* The incidental fee for graduate students is \$3.00 per credit hour.

CALENDAR

FIRST SUMMER TERM

June	16	Monday	Registration for first summer term
June	16	Monday	Entrance examinations
June	17	Tuesday	Class work begins
June	17	Tuesday	Fee of \$1.00 per day charged for late entrance
June	18	Wednesday	Last day to register for full load
June	19	Thursday	Fee charged for change of schedule
June	21	Saturday	Last day to register for credit
June	21	Saturday	Students whose credits are not on file will be dropped
July	4	Friday	Holiday
July	18	Friday	Examinations
July	18	Friday	First summer term closes

SECOND SUMMER TERM

July	21	Monday	Registration for second summer term
July	21	Monday	Entrance examinations
July	22	Tuesday	Class work begins
July	22	Tuesday	Fee of \$1.00 per day charged for late entrance
July	23	Wednesday	Last day to register for full load
July	24	Thursday	Fee charged for change of schedule
July	26	Saturday	Last day to register for credit
July	26	Saturday	Students whose credits are not on file will be dropped
Aug.	22	Friday	Commencement
Aug.	22	Friday	Term closes

FALL SEMESTER

Sept.	22	Monday	First semester 1941-42 begins
-------	----	--------	-------------------------------

SPECIAL ACTIVITIES

Dramatics.—Morehead's dramatic organization, the College Players, will be active during the summer and will present at least one play each term. Any student interested in such work may affiliate with this group.

Music.—Summer students interested in band, orchestra, or choral music will have opportunity to participate in these activities. Special concerts and programs will be given by the music organizations.

Sports.—An extensive program of summer sports is being planned by the Department of Health and Physical Education. These activities will be organized on the basis of intramural competition and will be sufficiently varied to appeal to all.

Trips.—Week-end trips to points of interest will be taken under the direction of the Committee on Excursions and Field Trips. The number and nature of these trips will depend upon student demand.

Entertainment.—It is the practice of the college to bring outstanding entertainment features to the campus as often as possible. The summer program will include several of these attractions.

Social Program.—Those students who have been in attendance at Morehead during the past summer sessions will recall the very enjoyable faculty and student "get-togethers" that have been held. A similar program is being developed by the Social Committee for the summer of 1941.

GRADUATE STUDY

The summer session of 1941 will mark the beginning of graduate instruction in the Teacher's Colleges of Kentucky. This step has been taken to meet the needs of those people who have earned the baccalaureate degree but who desire to prepare themselves more adequately for the work they are doing.

Since this program is new, we are including a rather complete statement concerning the way in which it will function at Morehead.

INTRODUCTORY STATEMENTS

The graduate program is under the general direction of the Committee on Graduate Instruction. This committee is appointed by the president of the college, on the advice of the dean, and is composed of one faculty member from each department offering approved courses for graduate credit.

The Director of Graduate Instruction is the dean of the college, who also serves as chairman of the Committee on Graduate Instruction.

The Committee on Graduate Instruction prescribes the qualifications of all teachers who offer graduate work and approves all courses which may be taken for graduate credit.

The graduate degree granted by the Morehead State Teachers College is the professional degree, Master of Arts in Education.

REQUIREMENTS FOR MASTER'S DEGREE

I. Admission to Graduate Work

1. Graduates of accredited four-year colleges are admitted to graduate work on application to the Director of Graduate Instruction. This application must be accompanied by a transcript of undergraduate credit.
2. Graduates of non-accredited colleges must meet the conditions for graduation in Morehead State Teachers College before their applications for graduate work will be approved.
3. The prerequisite for admission to graduate study in education is the completion of the requirements of a four-year curriculum for the education of elementary and/or secondary teachers as prescribed by the Council on Public Higher Education.
4. If the student's undergraduate preparation is inadequate, this deficiency must be made up by taking designated courses which will not be counted for graduate credit.

5. The student's graduate program must be pursued under the direction of a committee of three members. This committee is composed of one member appointed by the head of the department of education, one member appointed by the head of the department in which the student is minor-ing, and the Director of Graduate Instruction, who acts as secretary of the committee.
6. The applicant must arrange a program of graduate work under the direction of his graduate committee, and he shall not be admitted to complete graduate standing until this program has been approved by his committee.

II. Admission to Candidacy

1. To be admitted to candidacy for the graduate degree, the student must have the equivalent of an undergraduate minor in education, including credit in student teaching; must secure the approval of his complete graduate program, including his thesis problem, from his Graduate Committee; and have the final approval of the Committee on Graduate Instruction.
2. The student may apply for admission to candidacy not earlier than the twelfth week of residence as a graduate student and must apply not later than the eighteenth week of residence before the degree is granted.
3. Admission to graduate courses does not necessarily mean admission to candidacy for the Master's degree.

III. General Requirements for the Master's Degree

1. A master's degree requires 36 weeks of residence and a minimum of 30 semester hours of work, 24 of which must be in regular courses. The student is also required to write a thesis in his major field for which credit of not more than 6 hours may be allowed.
2. The student is required to have an average standing of 2.0 on all work offered for the degree, and no credit is allowed for a mark below C.
3. A graduate major requires a minimum of 12 semester hours of course work in addition to a thesis in the field.
4. Graduate students may take upper division courses, but at least 50 per cent of all course work must be in courses open to graduate students only.
5. The following will not be accepted for graduate credit:
 - (1) Work done by the candidate as an undergraduate;
 - (2) work done in undergraduate courses as a special student;
 - (3) credit earned in courses in the lower division;
 - (4) correspondence or extension credit.
6. In evaluating residence for part-time students, 4 to 6 semester hours of class work entitles the student to six weeks of residence.

7. Students holding what would ordinarily be considered as full-time positions are not permitted to receive graduate credit for more than 6 hours of work during any semester.
8. Not more than 6 hours credit earned in on-campus week-end classes or night classes, is accepted in satisfaction of the course requirements for the degree.
9. No graduate student is permitted to earn more than 15 hours of credit in any semester or more than 6 hours in any summer term.
10. Transferred credits may not be used to reduce either the residence requirements or the minimum number of semester hours required. This regulation does not prevent the Committee on Graduate Instruction from recommending that a regularly enrolled graduate student complete not to exceed 6 semester hours of work in another institution.
11. In all cases the requirements for the degree must be completed within five years from the date of beginning graduate work.

IV. Thesis Requirement

1. A thesis is required for which not more than 6 hours credit is granted, half of which is for a seminar in educational research and thesis writing for which the student enrolls each term that he is in residence and half to be credit for the accepted thesis.
2. The candidate must include the thesis in his schedule and must pay the regular fee for each hour of credit received.
3. The thesis problem must be approved before the student is admitted to candidacy for the Master's degree.
4. The finished thesis must be presented to the student's Graduate Committee at least 30 days before the date of his examination.
5. If the thesis is accepted, two typewritten copies bound in prescribed form must be filed with the Director of Graduate Instruction not later than 15 days before the date of the final examination.

V. Examination

The candidate must present himself, at a date and time to be announced, for oral and/or written examinations on his graduate work, including the thesis. This examination is conducted by the student's Graduate Committee and the Committee on Graduate Instruction. Other members of the faculty may be invited by the Committee on Graduate Instruction to participate in the examination.

SCHEDULE OF CLASSES FOR THE FIRST SUMMER TERM

(Graduate students may enroll in courses numbered 300 to 400 with the approval of their major and minor professors.)

31	Chemistry	1½	8:30- 1:00	Biol. Lab.	Catlett

MAJORS AND MINORS

Not later than the beginning of the sophomore year, the applicants for degrees must file with the Registrar their selections of majors and minors. (This does not include those who are applying for the Bachelor of Arts with the Standard Elementary certificate.) The heads of the departments in the major and minor fields must approve the course to be taken before the blank is filed. Two majors of twenty-four hours each, or one major of twenty-four hours and two minors of eighteen hours each, may be selected.

A student may choose his major* or minor* from any one of the subjects listed below:

Agriculture	History and Government
Art	Home Economics
Biology	Industrial Arts
Chemistry	Mathematics
Commerce	Music
English	Physical Education
French	Physics
Geography	Sociology and Economics
History	

* Please note that Education cannot be counted as a major or minor field.

CURRICULA

The curricular offerings at Morehead are varied. Students may pursue courses leading to the (1) Provisional Elementary certificate; (2) the Standard Elementary certificate and the degree; (3) the Provisional High School certificate and the degree; (4) the Provisional certificate in Administration and Supervision and the degree; and (5) the degree without a certificate. The college awards two degrees, the Bachelor of Arts and the Bachelor of Science. Each degree may be taken with or without a certificate. The student should notice that the requirements for the degrees differ according to the type of degree and the type of certificate. The chief distinction between the Bachelor of Arts degree and the Bachelor of Science degree is the 60-hour requirement in science for the Bachelor of Science degree. There are also differences between the Bachelor of Arts degree with the Elementary certificate and the same degree with the High School certificate. There are accordingly eight distinct courses of study leading to the degree. A student should choose early in his college career which course he prefers to take.

GENERAL REQUIREMENTS FOR THE DEGREE

The candidate for the degree must meet the following general requirements:

1. A minimum of 128 hours of prescribed and elective college credit.
2. A standing of 1 on all work offered for a degree.
3. At least three-fourths of the credit in residence in some standard college and at least one year in residence and one semester immediately preceding graduation in this institution.
4. Not less than 43 hours of the work offered for the degree should be selected from courses numbered 300 or above.

DEGREES AND CERTIFICATES

THE BACHELOR OF ARTS DEGREE

I. THE BACHELOR OF ARTS AND THE STANDARD ELEMENTARY CERTIFICATE 128 hours

a. Education, including	
1. General Psychology or Educational Psychology	3 hours
2. Fundamentals of Elementary Education	4 hours
3. Supervised Student Teaching	6 hours
4. Educational Measurements	2 hours
5. Child Psychology	3 hours
6. Teaching Reading	3 hours
*7. Elective in Elementary Education	9 hours
	Total 30 hours
b. English, including	
1. Oral and Written Composition	6 hours
2. American Literature or English Literature or Survey of Literature	6 hours
3. Children's Literature	3 hours
	Total 15 hours
c. Science, selected from	
Biology, Chemistry, General Science, Geology, Physics	12 hours
	Total 12 hours
d. Social Sciences, including	
1. American History and Government or History of Civilization	6 hours
2. Principles of Sociology or Rural Social Economy	3 hours
3. History, Government, Sociology or Economics..	6 hours
	Total 15 hours
e. Teachers Arithmetic	3 hours
	Total 3 hours
f. Art, including	
a. Public School Art	2 hours
b. Elective	2 hours
	Total 4 hours

* Of these nine hours, three must be from the field of elementary education and six may be taken from either general education courses or courses in Administration and Supervision.

g. Music, including	
a. Public School Music	2 hours
b. Elective	2 hours
	<hr/>
	Total 4 hours
h. Personal Hygiene and Public Safety	2 hours
	<hr/>
	Total 2 hours
i. Physical Education	2 hours
	<hr/>
	Total 2 hours
j. Geography, including	
a. Principles of Geography	3 hours
b. Elective	3 hours
	<hr/>
	Total 6 hours
k. Elective	27-35 hours
	<hr/>
	Total 27-35 hours
l. See general requirements for the degree.	

II. THE BACHELOR OF ARTS DEGREE AND THE PROVISIONAL HIGH SCHOOL CERTIFICATE 128 hours

a. Education	18 hours
1. Psychology or Educational Psychology	3 hours
2. Supervised Student Teaching (At least three hours must be in the secondary school)	6 hours
3. Electives in secondary education.....	9 hours
(6 of these shall be in secondary education and 3 may be in general education.)	
b. English	12 hours
c. Science (Biology, Chemistry, Geology, Physics).....	12 hours
d. Social Sciences (Economics, Government, History or Sociology)	12 hours
e. Mathematics (exclusive of Teachers Arithmetic) ..	6 hours
or	
*Foreign Language	6-12 hours
f. Physical Education	1 hour
g. Health	2 hours
h. One academic major of not less than 24 hours and two academic minors of not less than 18 hours each; or two academic majors of not less than 24 hours each	48-50 hours

* If three units or more of a foreign language are offered for admission, six semester hours in the same language will be required; if two units of a foreign language are offered for admission, nine semester hours in the same language will be required; if one unit or less of a foreign language is offered for admission, twelve semester hours in the same language will be required.

- i. Electives1-27 hours
- j. See general requirements for the degree.

III. THE BACHELOR OF ARTS DEGREE AND THE PROVISIONAL CERTIFICATE IN ADMINISTRATION AND SUPERVISION

The candidate for this degree must meet the requirements for either the A.B. degree and the Standard Elementary certificate or the A.B. degree and the Provisional High School certificate and include in his program of studies the following professional courses:

- a. Administration and Supervision 6 hours
- b. Elementary Education 6 hours
- c. Secondary Education 6 hours
- d. Supervised Student Teaching 6 hours
- e. See general requirements for the degree.

IV. THE BACHELOR OF ARTS DEGREE WITHOUT CERTIFICATE

128 hours

- a. One Foreign Language12 hours
- b. English12 hours
- c. Science (Biology, Chemistry, Geology, Physics).....12 hours
- d. Mathematics (not including Teachers Arithmetic) 7 hours
- e. Social Sciences12 hours
- f. Two academic majors of not less than 24 hours
each or one academic major of not less than 24
hours and two academic minors of not less than
18 hours each48-50 hours
- g. See general requirements for the degree.

THE BACHELOR OF SCIENCE DEGREE

I. THE BACHELOR OF SCIENCE DEGREE AND THE STANDARD CERTIFICATE

128 hours

- a. Education, including
 - 1. General Psychology or Educational Psychology 3 hours
 - 2. Fundamentals of Elementary Education..... 4 hours
 - 3. Supervised Student Teaching 6 hours
 - 4. Educational Measurements 2 hours
 - 5. Child Psychology 3 hours
 - 6. Teaching Reading 3 hours
 - **7. Elective in Elementary Education 9 hours

Total 30 hours

**Of these nine hours, three must be from the field of elementary education and six may be taken from either general education courses or courses in Administration and Supervision.

| | <hr/> |
| | Total 6 hours |
| k. Electives (All electives must be in science because the total required hours will exceed slightly 128). | |
| l. See general requirements for the degree. | |

II. THE BACHELOR OF SCIENCE DEGREE AND THE PROVISIONAL HIGH SCHOOL CERTIFICATE

- a. Education18 hours
 1. Psychology or Educational Psychology 3 hours
 2. Supervised Student Teaching (At least three hours must be in the secondary school.) 6 hours
 3. Electives in secondary education 9 hours
(6 of these shall be in secondary education and 3 may be in general education.)
- b. English12 hours
- c. Science (Biology, Agriculture, Home Economics, Mathematics, Chemistry, Geology, Physics).....60 hours
- d. Social Sciences (Economics, Government, History, or Sociology)12 hours
- e. Mathematics (exclusive of Teachers Arithmetic).. 6 hours
or
- f. *Foreign Language6-12 hours
- g. Physical Education 1 hour
- h. Health 2 hours
- i. One academic major of not less than 24 hours and two academic minors of not less than 18 hours each; or two academic majors of not less than 24 hours each48-50 hours
(These majors and minors should be selected from the science department.)
- j. Electives1-27 hours
- k. See general requirements for the degree.

III. THE BACHELOR OF SCIENCE DEGREE AND THE PROVISIONAL CERTIFICATE IN ADMINISTRATION AND SUPERVISION

The candidate for this degree must meet the requirements for either the B.S. degree and the Standard Elementary certificate or the B.S. degree and the Provisional High School certificate and include in his program of studies the following professional courses:

- a. Administration and Supervision 6 hours
- b. Elementary Education 6 hours
- c. Secondary Education 6 hours
- d. Supervised Student Teaching 6 hours
- e. See general requirements for the degree.

* If three units or more of a foreign language are offered for admission, six semester hours in the same language will be required; if two units of a foreign language are offered for admission, nine semester hours in the same language will be required; if one unit or less of a foreign language is offered for admission, twelve semester hours in the same language will be required.

IV. THE BACHELOR OF SCIENCE DEGREE WITHOUT A CERTIFICATE

	128 hours
a. One Foreign Language	12 hours
b. English	12 hours
c. Science (Biology, Agriculture, Home Economics, Mathematics, Chemistry, Geology, Physics).....	60 hours
d. Mathematics (not including Teachers Arithmetic)	7 hours
e. Social Sciences	12 hours
f. Two academic majors of not less than 24 hours each or one academic major of not less than 24 hours and two academic minors of not less than 18 hours each	48-50 hours (These majors and minors should be selected from the science departments.)
g. See general requirements for the degree.	

THE PROVISIONAL ELEMENTARY CERTIFICATE

The first certificate to be issued on college credit is the Provisional Elementary Certificate. The applicant for this certificate must have completed two years of college credit (sixty-four hours) with a standing of one or better and at least three-fourths of the work done in residence, including the required courses listed below. This certificate is valid for three years of teaching and subject to renewal.

REQUIRED COURSES

a. Education, including	
1. Educational Psychology or General Psychology	3 hours
2. Fundamentals of Elementary Education	4 hours
3. Supervised Student Teaching	3 hours
4. Elective Course in Education.....	3 hours
	<hr/>
	Total 13 hours
b. English, including	
1. Oral and Written Composition	6 hours
2. English Literature or American Literature or Survey of Literature	3 hours
3. Children's Literature	3 hours
	<hr/>
	Total 12 hours
