SPRING BREAK: SPRING BACK 2008

BE A PART OF SOMETHING SPECIAL!

We will be focusing our efforts this coming Spring Break on two special projects that will have significant impact in our region. The first is a Morehead Habitat for Humanity project. We will be working on a house that will belong to an MSU employee and that makes it even more meaningful!

MSU will be working alongside a team from Ohio State University and will host them for an evening activity of our own style of "Survivor." Cost will be \$50 per person with most of that money being contributed to the Morehead Habitat for Humanity Chapter.

The second project is one that will greatly contribute to our regional stewardship efforts. The project will include refurbishing the classic auditorium and the small traditional gymnasium at the Hazel Green Academy in Wolfe County. These will become wonderful facilities for the community and region. Daily transportation and lunch will be provided. We will be doing painting, flooring, fan installation, stage curtain work and creating/installing window treatments. The cost will be \$50 per person and will cover transportation and meal costs.

Additionally, the Student Government Association is working with Wesley Foundation on an alternative Spring Break opportunity in inner-city Chicago. There will be a variety of opportunities to serve where there is very great need.

Please visit www.moreheadstate.edu/springbreak for more details. We need you!

KING MARCH SET FOR JAN. 21

Dear old MSU.***
