

The Morehead Christian Church

ARTHUR E. LANDOLT, B.D., MINISTER
MOREHEAD, KENTUCKY

November 30, 1942.

Pastor,
Holmesburg Baptist Church
Philadelphia, Pennsylvania.

My dear Sir:-

Yesterday, Sunday, William Morrison, a student at the Naval Training School here, and a resident of Philadelphia, near your Church, received the ordinance of baptism by immersion in our Church.

He desires to place his membership in the Holmesburg Baptist Church, and wishes to know if this baptism makes him eligible for such. Of course, he will not be returning to Morehead after the war, but will be returning to his home.

Would you be so kind as to indicate the procedure for his change of membership?

To keep our records straight, you had better let me know directly; and if you desire to write him, his address is:

Thompson Hall
Naval Training School
Morehead, Kentucky.

Sincerely and fraternally yours,

Rev Arthur E. Landolt.

Dear Sir:

This will inform you that William Morrison was given the right hand of fellowship and admitted to membership in the Holmesburg Baptist Church at the regular Sunday morning service May second. Thank you very kindly for the interest which you have taken in this young man.

Sincerely,
Edwin Y. Montanye, Church Clerk
