Spring Break Spring Back

Last year, SGA put up \$5,000 for trip to Gulfport, MS
Wants application for Funding and Awards Committee to help fund applicants
Advisor Stephens said money could come from Spring Break Spring Back
account

So far, 25 people have signed up for Gulfport, MS
VP Cotton asked how will the application be processed and how would the
applicants be ranked to receive the money

Advisor Stephens will discuss the previous concern with the Funding and
Awards Committee

President Gay told VP Cotton to look at scholarships on the Internet to see
the format for the application

VP Cotton and Representative Stevens will meet together and then discuss
that with Advisor Stephens

Financial Aid Campaign

Dayna Seelig wants a Financial Aid Awareness Campaign

Seelig wants the students to be aware about the March 1st Deadline

Some ideas presented were:

Having a table at ADUC to sign up for FASFA

Spread the word about endowments which no one has applied

Extra Funding

VP Cotton wants to spread the word about financial aid

VP Owens wants the students to be aware that taxes have to be done first

Advisor Stephens

Wants this be moved to Campus Improvement Committee

Wants information be sent out through mass communication

Wants to promote the scholarship list online

Thinks a raffle for an IPOD would not achieve the awareness desired

Educate and put out step by step instructions for obtaining financial aid

Moved this to VP Owens and Campus Involvement Committee

Positions available for SGA Congress

Eight spots and these people need to be put in a committee

Mr. Dale Greer was not aware that he was awarded with "Flying High"

Discuss Constitution and Bylaws

Each Executive Officer has to come up with at least one statement

To retain more graduate students, improve on graduate courses

Would like a proposal for tomorrow's meeting

Advisor Weathers

Cost more than last year because took athlete's bus

VP Owens

What did we take last year?

Advisor Stephens

Two university buses and one van
Could look into Rowan County District Buses

VP Owens

Use a substitute bus driver in Rowan Co. District

Advisor Stephens

Already booked buses, but what will happen if we run out of
money?

VP Dilley

What is our budget?

President Gay

Approximately \$6,000

Advisor Stephens

Most important program in SGA

Advisor Weathers

Allocate \$1,600 and if cost less put back into SGA budget

Advisor Stephens

Frustrating because SGA Representatives control the money.
Next year, either start SGA with \$5,000 OR \$4,000 SGA Budget
and \$1,000 Working Budget.
This is our name and image.

VP Owens

Last year, former President, Marion, paid for the trip from the
Movie Budget

VP Dilley

Just get the money from the General Fund

Advisor Stephens

Needs a proposal by tomorrow

President Gay

Consensus is to get money from General Fund?

VP Dilley

It would be the safe move.

Advisor Stephens

What about food? Should make the proposal about \$2,000.

Advisor Weathers

What about the people driving down there.

President Gay

The registration is to get a figure for the amount of food which
needs to be bought. Needs a proposal so it can get passed by

tomorrow's meeting. The goal is 200 people, and three people per pizza, then fifty pizzas at \$5.00 a pizza plus drinks would be between \$300 - \$400.

Advisor Weathers

Where will you get the pizzas?

President Gay

Frankfort should have that deal. Should make the proposal \$2,200: \$1,700 for transportation, \$300 for food and \$150 for drinks.

President Gay

Spring Break, Spring Back Scholarships

Met with Rep. Stevens this week.

Advisor Stephens

Work on promoting the two trips in Kentucky. Can sign up twenty more for Gulfport, MS.

President Gay

When are the registrations due?

Advisor Stephens

January 29, 2007, but will be extended for the two trips inside Kentucky.

President Gay

Why are the spots not filling up?

Advisor Stephens

I do not have that answer.

President Gay

External media not covering this issue and not publicized enough.

Advisor Stephens

It was the trend last year. Got a basketball player to sign up for the trip for Louisville. There will also be a lot of people who want to relax for Spring Break.

SAC President, Stewart

One week is left to sign-up.

Advisor Weathers

SGA could promote at concert and basketball game this weekend.

VP Dilley

Who can come to the Blessid Union of Souls concert.

SAC President, Stewart

Let the first 1,200 people in then stop. Should also plug the Spring Break, Spring Back at TNL.

President Gay

Wrote a letter to the Provost and encouraging the professors to come or let their students out. Also, happy birthday, VP Cotton

VP Cotton

Had a committee chair meeting Monday, January 22, 2007

Great discussion.

VP Dilley

Can Representatives switch committees?

VP Cotton

We will discuss that when the spots are filled. There are 13 open spots on SGA Congress.

President Gay

Four people have intended to apply for a seat on SGA Congress.. Needs more of the Congress members to sign up.

Advisor Stephens

Got a collage to April Nutter and should be on the main website soon.

VP Dilley

Are we going to have a convocation?

President Gay

Physical Improvement and President Andrews are in favor for it. If there are no immediate important issues, then there will be no meeting on February 7, 2007.

Advisor Weathers

What time and where will it take place?

President Gay

7:00 pm in Historic Button Auditorium and it needs to happen.

VP Dilley

Will make a slideshow of improvements so far (preliminary work). Should pump up students for what SGA has done.

VP Harmon

Made the online registration for the Rally for Higher Education and working on the roster for SGA congress members.

VP Sharp, Proxy VP Harmon

Made the Funding Request Form, and will be passed out at Spring Retreat

VP Owens

Civic Engagement Week

Monday, February 5, 2007, Listen-Up Legislators

Have a proposal for \$300 at tomorrow's meeting

Rep. Hockenberry is looking for decorations

Tuesday, February 6, 2007, Voter Registration Drive

Got Rock the Vote images Saturday, January 20, 2007.

A movie will be shown from 7-9 in Button

Wednesday, February 7, 2007, Rally for Higher Education

Literature will be passed out to RHA in residence halls

Advisor Stephens

Needs a proposal to buy movie, illegal to rent and show.

SAC President Stewart

Cost approximately \$350, could get a packaged deal with SAC.

Advisor Weathers

Shouldn't try to rent because it isn't worth getting caught.

VP Owens

Voter Registration Week is all week.

President Gay

Does the Campus Involvement Committee know what to do?

Advisor Weathers

Be sure to turn in all of the registrations.

VP Owens

Got the needed information from Rock the Vote to register people.

VP Dilley

Will have a table before Civic Engagement Week for people to sign up for the Rally for Higher Education

Make information for a tri-fold stand which will have all the needed material about what the Rally does.

Will have the Rally for Higher Education Sign hanging out of the SGA office to promote the Rally.

Ordered a new SGA sign and working on SGA t-shirts and banner. Table will begin on Thursday, February 1, 2007.

Old Business

None

New Business

Consensus on funding the Rally

President Gay

Got the transportation and need to begin promoting the Rally. The Campus Involvement and Student Life will also help promote it.

VP Dilley

Have the letter sent through Mass-Mail

Advisor Weathers

Forward the letter to me and I will make sure it gets sent through mass-mail.

Advisor Stephens

Instead of the letter, the e-mail should have a link to the SGA website.

VP Dilley

Needs help designing SGA t-shirt

VP Cotton

Rep. Hollon has a design

President Gay

Some possible way to publicize SGA in a positive way: newsletter, SGA SPAN, and the BIRD

VP Cotton

There is a consensus that something needs to happen, either a weekly press release, SGA SPAN, or the BIRD

VP Dilley

If we have SGA SPAN, then there should be no more food at meetings.

VP Owens

Should also worry about how people conduct themselves, like speaking out of turn.

SAC President, Stewart

Should stress this issue at retreat and have penalties.

VP Dilley

Last year, SGA SPAN was bad publicity

VP Owens

State of Congress isn't positive

VP Cotton

Committee Chairs meeting yesterday was the best meeting, so far.

Committees are functional, but retreat will get the focus back on purpose.

Some ideas were:

Have student concerns section omitted at Congress meeting and put in Student concerns mailbox

Congress Member of the Month

More meaningful discussion

Have a copy of agenda

Committee work unrelated to purpose

Retreat will address important issues and eliminate clicks

President Gay

Was the unrelated work focusing on Financial Aid Awareness Campaign?

VP Cotton

Yes, Campus Involvement and Physical Improvement both thought they were in charge.

President Gay

What about individual people flaws?

VP Cotton

Some people can be too authoritative and disrespectful. Work on reminding and congratulating them when they achieve something.

VP Owens

No one can slack off. We need to work as hard as we can.

VP Dilley

We need to set the bar now.

SAC President, Stewart

SGA SPAN will either help or harm SGA

President Gay

One senior representative remaining. Thirteen spots available on Congress. LaBrina Tolliver in an Area 2 Representative. Mike Lawson could be a Junior Representative. Michael Lauletta doesn't have the grades, but will be an associate representative. The GPA to be a congressman is 2.25.

VP Owens

You can move Rep. Fisher to Graduate Representative

VP Harmon

You can move Rep. Stevens and Westendorf

VP Dilley

What about the rumor that all Greek members have to be in another organization?

VP Owens

It is advised to be in another organization, but might be mandatory next semester.

Advisor Stephens

We should ask Advisor Koett. It is an accreditation process which encourages members to be in other organizations.

President Gay

What about the assignment for coming with one Fact or Crap? If you don't have one, then give it to him by tomorrow's meeting.

VP Dilley

Have one with what is the minimum GPA

President Gay

There can be one about moving from one classification to another during the semester.

VP Harmon

How many representatives are there in Congress?

VP Dilley

Executive Officers authorize spending.

VP Cotton

There should be a section regarding the Committee Chair Meeting.

President Gay

The Chair's Council meets bi-weekly and Executive Vice President is the Chairman of the committee.

VP Dilley

We should also have something that deals with filling and empty Vice President Spot. President appoints and congress votes.

Advisor Stephens

Anything not mentioned in Robert's Rules of Order. Last week, there was an emotional problem. Every organization appoints a new vice president the same way we did. If we changed it, then we would not be representing popular vote.

President Gay

We are the six most powerful students here. We need to encourage and lead the representatives. We need to start recruiting today.

Advisor Stephens

The Executive Officer Election is coming up soon, so needs to begin planning this topic.

President Gay

We need to clean up the Constitution. Family Housing isn't available anymore, and we need to address Constitutional changes. Need to have a special meeting without Committee Chairs, and then give them the proposed amendments.

Advisor Weathers

Give a copy to the advisors before going ahead.

President Gay

Board of Regents meets February 8, 2007. The amendments need to be done before March.

Advisor Stephens

There is a heavy workload and should work on this very soon.

President Gay

There will be an informational meeting Saturday, January 28, 2007 at Brian's apartment. Once the amendments are figured out, then we will email them to VP Dilley.

SAC President, Stewart

SGA should sponsor a Presidential Debate in 2008.

VP Cotton

In 2004, two State Representatives came to debate that topic.

Thanks for making Funding Request Form.

Should tell everyone at Congress tomorrow.

VP Dilley

President Gay

Should pass out flyers tomorrow

Use Rep. Arnett's Powerpoint at the table.

Got speaking points for Listen-Up, Legislators at CPE meeting.

Old Business

Free weights

Advisor Weathers

No place for free weights in weight room so will be temporarily shut down

Problem with Phil Simms Weight Room is scheduling and staff problems

Strength Training Classes will still be available.

VP Owens

The lifters can still do cardio activities outside

VP Cotton

As well as calisthenics.

Advisor Weathers

It is a short-term inconvenience for a long-term gain

Constitutional Amendments

President Gay

Article IV, Section 2, Subsection A – GPA requirements

Remove VP PR job as keeping a scrapbook.

Advisor Weathers

SGA would be removing a historic document.

Advisor Stephens

SGA archives CD and minutes

VP Owens

Last year, former VP of Admin, Sarah Greunke, archived literature of SGA events.

Advisor Weathers

Are you going to archive publicity documents?

Advisor Stephens

No one might not know how to make them.
SGA would be losing one record of the past.

VP Owens

Article IV, Section 5, First line of sub-section D change vice president for programming to vice president for Campus Involvement

President Gay

Not updated

VP Weathers

It is a housekeeping issue and does not need an amendment.

President Gay

Article V, Section 1, Sub-section B. Remove "freshman (4); sophomore (3); junior (3); senior (4); and graduate (1)," and change to graduate will have two representative and the other four grade classifications will each have four representatives.

Advisor Weathers

The classifications are reorganized regularly.

Advisor Stephens

We did not do it last year.

Advisor Weathers

It would be a better ratio because it would not be arbitrary and fairer.

President Gay

The discussion is then we should have ratios for all of the positions. We then should have more representatives for the College of Humanities.

Advisor Stephens

There is some overlap all of the Representative spots.

Advisor Weathers

The only constant is the classification in the Representative Spots.

Advisor Stephens

The change in Residence Halls is minimal.

President Gay

That ratio for Residence Halls is constant.

Advisor Weathers

If there is no ratio, then we need to get more Freshmen.

Advisor Stephens

Then will we add more Congress Members?

President Gay

Article V, Section 1, Sub-Section C: Reorganization of Residence Halls

It really does not make sense with the housing plan to keep the same ratios.

We will have five at-large housing representatives.

VP Sharp

It will be called University Housing Representatives to include University Farm.

President Gay

This plan will be more flexible.

VP Sharp

This plan should be revisited later.

VP Owens

This plan should be should be revisited in 5 years.

Advisor Stephens

The only problem will be one Residence Hall could have all five representatives. It is probably the best decision.

President Gay

Article V, Section 1, Sub-section E: Change "Three commuter representatives" to "Five commuter Representatives"

We will add two additional representatives.

Article V, Section 1, Sub-section D and F should be cut.

Advisor Weathers

BSC isn't available

VP Owens

This organization no longer exists and is not a university recognized organization.

Advisor Weathers

What about the Cosmopolitan Club and Non-Traditional Society?

Advisor Buck

You should amend it to as long as the organization is active.

Advisor Weathers

IFC, Panhellenic, and Pan-Hellenic will always remain at MSU.

President Gay

We should keep BSC, Cosmopolitan Club, and Non-Traditional Society.

VP Owens

The provision should say if they are an active organization.

Advisor Weathers

What about SAC and RHA because they are supported by the institution?

VP Sharp

The provision should say the organization will have a spot on Congress if they are in good standing with the university.

Advisor Stephens

For clarity, we need to add the tagline at the end of the Constitution. "When active and in good standing..."

Advisor Weathers

When actively recognized by Morehead State University.

VP Sharp

That line should be added to Sub-Section F, G, and H.

Article V, Section 1, Sub-Section K:

We proposed to remove the Greek Representative from Sub-Section K and add "One IFC Fraternity member, one Panhellenic Sorority member, and one Pan-Hellenic MPHC member.."

Advisor Weathers

It should say "One initiated representative..."

VP Sharp

We want to make sure that the representative does not have to be on the council.

Advisor Stephens

What about voting? Which system? Who can do this because it is complicated. It is a very good idea, though.

VP Sharp

This is going to be the toughest amendment for Congress to pass.

President Gay

Can this be put in the new voting system? Greek versus Non-Greek

Advisor Stephens

It is a canned program.

President Gay

Do we know that it will work?

Advisor Stephens

We might have to do voting ballots in ADUC.

VP Owens

We might get more people to vote if it was not online.

Advisor Stephens

The new program will be active in the Fall.

President Gay

We should go ahead with this amendment and then we will work on how the voting system will work.

Advisor Weathers

There will be problems and we should go ahead with this proposal.

President Gay

Article VI, Section 2, Sub-section B, Item 3, Point c, line 2, after "...court.":

Add "These summons must be delivered at least 24 hours before the date of appearance."

Article VI, Section 10, Sub-section C, Item 1, after "...docket...":
Add "and enter plea."

Article VI, Section 10, Sub-section C, Item 2, after "...counsels,":
Add "respectively"

Article VI, Section 11, Line 2, after "...University."
Add "These rights should be enumerated in the writ of summons"

Article VI, Section 11, after Line G:
Add "Line H: He/she has the right to testify in his/her own
defense"

Article VIII, Section 2, Sub-section B, Line 3, after "...by...":
Remove all language and add "The Executive Committee will
oversee Congress elections each Fall semester."

Advisor Stephens

The procedures are approved by Congress in the spring. It needs
to be passed by Congress.

VP Owens

So we should put in "approved by Congress during the previous
spring semester.

Advisor Weathers

It should say "established before the spring term for the fall
semester."

It would also be a conflict of interest.

President Gay

So we should leave Election Committee?

Advisor Buck

Should change it to appointed election committee.

Wasn't there an amendment that changes the "Executive
Committee" to "Executive Branch?"

Advisor Stephens

They were passed for the bylaws and should remain constant.

President Gay

Article VI, Section 3, Sub-Section B, Line 5:

Change "...27..." to "...30..."

Thirty hours is now Sophomore status.

Article VI, Section 3, Sub-Section B, Line 3:

Change "...until the close of the spring semester..." with "...until
he/she graduates or resigns his/her position..."

Advisor Weathers

That would be a mistake
VP Sharp
Wouldn't advise that.
Advisor Stephens
What about new officers?
Advisor Weathers
This is not the Supreme Court, but a university disciplined court.
Advisor Buck
Article V, Section 1, Sub-Section A
Change "Committee" to "Branch"
President Gay
People will say why and we will say it is a consistency issue.
We should have the first reading tomorrow and then have a
proposal next week.
Advisor Stephens
The amendments are not clearly written, so we should wait until it
is clean.
President Gay delegated it to Advisor Buck
Advisor Weathers
It has to be perfect.

Discussion

President Gay

CPE talked with BSBP and the retiring CPE, Ron Greenburg asked us
three questions.

1. Why do you go to college?
2. How much do you influence tuition rates?
3. How much energy do we change 1% per year?
4. What does SGA do to prepare people to go into the workforce?

Most of SGA is spent for issues like parking, housing, and large event fund.

Meeting of SGA President

1. Academic Program Committee
 - a. External reports for accountability
 - b. A lot of time is spent on this committee
2. Graduate Curriculum Committee
3. Undergraduate Curriculum Committee
4. Academic Programs Review Committee
5. Regulatory Advisory Committee
6. Student Success Task Force

Ineffective if SGA President serves on these committees.

Should designate a VP or Director to work on these tasks.

SGA lacks in Academic Quality.

VP Owens

Very good idea

VP Sharp

Will it be year around or only part of the semester?

Advisor Buck

Students will feel better if they talked to another student.

Advisor Weathers

The process of grievance begins with the Department Head.

Advisor Buck

One central student will help the students.

President Gay

This person would take time to help with the process.

They would advocate better and get a fair shake with due process.

VP Cotton

Getting obligations is main problem with reliable students.

Would have inconsistent working hours.

A liaison system would be better.

Advisor Stephens

The idea is functionally neat, but it would be awkward for putting a student advocating for other students.

It would be tough for telling this person to call the student saying their issue cannot be take care of is bad.

Perfect theory, but unfair and unreasonable.

VP Sharp

Would they help with SGA Committees? If so, which one?

Advisor Stephens

Would this person be advocating or becoming a lawyer?

Some cases would be appropriate and others would not.

VP Owens

This person couldn't act as a lawyer.

Advisor Weathers

This person should help the complaining student in the process of who to contact.

VP Sharp

Would it be feasible?

Advisor Stephens

We would then add another executive officer, so who would we cut?

VP Owens

SGA would not be innovative if we didn't take risks.

This would take SGA in a new direction.

President Gay

SGA President doesn't feel empowered with being on so many committees. When one committee is busy, it take at least twenty hours to prepare.

Advisor Weathers

This VP could monitor other students on different academic committees.

Advisor Stephens

The role of serving on different academic committees is great, but not advocating for the academic affairs of the students.

VP Sharp

If we add VP for Academic Programming, which VP would we eliminate?

Advisor Stephens

The position would have more validity if he or she was a VP, not Director.

VP Sharp

When President Gay was VP for Public Relations, his best move was hiring Brandon who had the technical skills.

Advisor Weathers

We should eliminate one VP and make it a Director.

VP Owens

We should remove VP for Campus Involvement because Campus Involvement Committee and VP Owens do the same job.

Advisor Stephens

If we made the PR a Director, we could hire someone who knows how to use Photoshop, Quark, changing the website, and SGA Span.
Great intern job.

VP Owens

SAC does a lot of the programs which get the campus more involved.

Advisor Stephens

Lecture Series should be put in Bylaws.

VP Sharp

If we did that for this year, then wouldn't it conflict with elections?

Advisor Stephens

Not feasible for this year.

Advisor Weathers

This could be implemented for the 2008-2009 School Year.

President Gay

Could we move the elections to April?

VP Owens

Why are elections scheduled during midterms?

Advisor Stephens

It helps get the new officer prepared for the summer.

President Gay

Doesn't it only have to go through Congress, Student Life, the Board of Regents?

Advisor Weathers

It wouldn't be feasible this semester.

President Gay

We could have sign-ups March 9, which would be two weeks before Spring Break.

Advisor Weathers

It would also have to be passed by two thirds of the people who vote.

VP Owens

Not feasible to be implemented for this year.

Advisor Stephens

It takes a full year to pass an amendment.

VP Sharp

We can still get this project rolling.

VP Owens

Can and will it happen. This should change SGA for the better

VP Sharp

We can table it until next week with Advisor Buck finding all of the mistakes.

President Gay

What about pictures?

Advisor Stephens

SeaHierra was working on it.

President Gay delegated it to VP Owens.

President Gay

What day? How about Friday afternoon?

VP Sharp

It has to be after 2:00 pm. How about 3:00 Friday

President Gay

There will be three to four appointments for Congress.

Rally for Higher Education

President Gay

BSBP will not make a decision about the Rally until Wednesday, February 07, 2007 at 6:00 or 7:00 in the morning.

Advisor Stephens

Has anyone talked to the bus company and see if we can cancel at 6:00?

President Gay

Not yet.

Advisor Stephens

Called and the final time to cancel is 5:30.

If we have a two hour delay, will we still be going?

President Gay

Yes

VP Sharp

What is the approximate itemized cost for this trip?

President Gay

About \$900 for the bus and \$300 for the food.

VP Sharp

What happened with the "Unbridled Potential" logo?

President Gay

We cannot print anymore of these logos? The Governor said we can't use it because it is a parody of their logo.

Advisor Stephens

If there is a delay, do we still want to participate in the Rally?

Advisor Weathers

As long as the buses can travel.

Advisor Stephens

If it rains or shines, we will still go.

President Gay

The Rally is a very important event and is very hesitant to cancel.

Advisor Stephens

Good idea

President Gay

This creates a buffer zone.

Date for Executive Board Elections

President Gay

We should start now and end in February.

The candidates will campaign in March.

The Election will occur in Mid-March

VP Harmon

Fifty-three people have registered for the Rally for Higher Education.

VP Sharp

The Funding Request Forms are working extremely well.

There were some receipts that have not been accounted for, so we are going to take out of the Public Relations Committee Budget.

The new Funding Request Forms will have an additional comment that the receipt will have to be attached to the form.

Will Man of the Year still be shown tonight?

VP Owens

Yes, and if no one shows up then the movie will not be shown.

Listen-Up, Legislators was bad until VP Owens directed them to the room.

VP Dilley

Making signs for Civic Engagement Week

President Gay

Were the signs passed to the Residence Halls' mailboxes?

VP Sharp

The papers were on a table in Field's Hall.

VP Harmon

The papers were put in each mailbox at Butler Hall.

Old Business

Constitution Review

President Gay

There were a lot of little mistakes.

Executive Committee was not changed to Executive Branch.

Public Relations committee will not to a paper scrapbook.

VP Dilley

VP of PR should not have to do a paper scrapbook.

They need to do something that includes some of the documents which would give future SGA members inspiration.

President Gay

VP of Administration will keep the documents of SGA events.

VP Sharp

VP of PR did a electronic scrapbook last year.

Advisor Weathers

Someone needs to do an electronic scrapbook since a paper scrapbook is not done anymore.

President Gay

Did a video scrapbook last year.

Advisor Weathers

The scrapbook has a historic impact. We can learn from our past experiences.

VP Dilley

Couldn't find any pictures of the Rally from last year.

President Gay

What about the changes in the positions in the Executive Branch?

Change VP of Campus Involvement to VP of Academic Quality.

Change VP of PR to Director of PR.

Allowing Campus Involvement Committee to take on the process.

VP Dilley

I agree.

The PR Chairman is a very important position and SGA doesn't need a VP of PR and PR Chairman.

VP Sharp

What time should we propose these Constitutional Amendments?

President Gay

We should do it by article.

VP Owens

We were planning on making the Director of PR a work study position.

VP Sharp

The SGA President will appoint the Director.

VP Dilley

That is a great idea.

President Gay

Was not a good VP of PR without Brandon Omohundro.

The Executive Branch could hire the Director of PR.

This voting staff would not have any voting privileges.

Morehead State is the only university without an Executive Staff.

We could put this rule in the by-laws.

Change VP of CI to VP of Scholarship / Academic Quality

Met with President of CPE

How do we prepare Morehead Students for the Real World?

SGA only advocates for housing.

We could revolutionize SGA.

VP Owens

The money we save from the VP of Campus Involvement goes to the work study for VP of Academic Quality.

Serving on all of the committees would be a job.

President Gay

The Constitution says that the College Representatives are supposed to serve on their respective committees.

Advisor Stephens

Fmr. President Marion said the previous issue was not possible.

President Gay

We should strike that rule from the Constitution.

VP Dilley

When do the Academic Committees pick their time?

President Gay

The Chair picks the time that is most reasonable.

Advisor Weathers

The Faculty Committees with student representatives normally pick a time that is during the peak hours for students.

President Gay

We should put an amendment to strike both CI and PR VP
We should advise using a President's Council.

Advisor Weathers

We need to be careful to not appoint a lot of important positions.

VP Owens

We will only appoint one position.

Advisor Weathers

Electing five positions by popular vote is a good number.

President Gay

If this situation happens, then the President would split a tie vote.

We are also reorganizing SGA Congress.

Four Freshmen Representatives

Four Sophomore Representatives

Four Junior Representatives

Four Senior Representatives

Two Graduate Representatives

Remove Family Housing Representative and Strike the Areas from the Housing Sub-section.

Add 5 At-Large University Housing Representatives and change three to Five Commuter Representatives.

VP Dilley

How many Commuters are there?

Advisor Weathers

There are 3,500 commuters and 2,500 housing students

VP Dilley

Should it be reorganized, like a 6 Commuter Reps. and 4 Housing Reps?

Advisor Weathers

Housing students use more services offered at Morehead State.

VP Dilley

Does the University Farm have internet in the rooms?

President Gay

I would assume they did.

President Gay delegated it to Advisor Weathers

Will call her again and if she does not pick up, will call Dana Seelig

Executive Branch Elections

President Gay

What should the timeline be?

Advisor Stephens

The primary election should be March 6, and the general election should be March 13.

VP Sharp

It was bad last year due to midterms.

Advisor Stephens

When are midterms?

VP Sharp

March 6, 2007.

President Gay

Should we do it before Spring Break, or move it until after Spring Break?

VP Sharp

Like March 27 and April 3?

Advisor Weathers

Is there any date in the Constitution which says the elections have to occur?

President Gay

During the middle of the term. There is no specific date.

Advisor Stephens

What about campaigning?

President Gay

Also, what about Datatel?

Advisor Stephens

We will use Datatel.

VP Sharp

So then would we start campaigning the day before Spring Break?

Advisor Stephens

Should we do it another week?

President Gay

We should keep it the way it is.
Advisor Stephens
Were there any problems last year?
VP Sharp
We have the primary, Rally for Higher Education, and midterms.
Now there will be no Rally.
VP Dilley
Plus, the advisors do not follow the schedule anyway.
President Gay
So the Primary will be March 6, and General Election will be on
March 13.
Advisor Stephens
Sign-ups will end February 22 and that will be the Campaign
Meeting.
President Gay
Should we start sign-ups this Thursday?
We need to begin publicizing.
Advisor Stephens
We need to make up some sign-up forms.
We should begin sign-ups this Monday.
Then we would have nine school days left to sign-up.
Advisor Weathers
We should announce it tomorrow at the Congress meeting.
VP Sharp
We should put it on the website.
Advisor Stephens
We could have sign-ups at Recycled Percussion as well as the
Thursday ballgame.
Advisor Stephens
Student Concerns are still wasting time at the SGA meetings.
We need to have concern cards so Congressmen can write them
down and pass to VP Weathers.
It has not gotten better in the last few meetings.
VP Sharp
Great idea.
President Gay
Who is responsible?
VP Sharp
I will do it.
President Gay
VP Sharp will announce the changes, leave the cards in the back of
the room, and turn in to highest ranking advisor.
They can also fill it out online.
Advisor Stephens
It should begin tomorrow at the Congress meeting.
President Gay delegated Executive Branch sign-up sheets to VP Cotton

VP Sharp

Spread the word.

President Gay

Here is the schedule.

**Sign-ups for the Executive Branch Officers will be due by
February 22.**

Candidates meeting will be February 22.

Advisor Stephens

The candidates will have a full week to campaign.

The Primary Election is March 6, 2007.

President Gay

VP Cotton is in charge.

Constitutional Amendments

President Gay

Advisor Weathers sent an e-mail saying Chief Executive Officer shouldn't be the title for the new Executive Officer

Advisor Weathers

This title doesn't sound like the other positions in the Executive Branch

It is a wrong tone

The purpose of this position is to serve as an advocate for academic excellence and committed to student success.

VP Sharp

She said what we discussed at the Constitutional Review Meeting

President Gay will send the email with the changes

President Gay

We could vote at the Congress Meeting, but we will wait until there are no more complaints

We will also have three separate proposals

List of Executive Staff

Most of the SGA's have a Director of Publicity or Communication

We are making sure the Director of Publicity has technical skills

Another officer is Chief of Staff

VP Dilley

Will the director be a Vice President?

President Gay

The Director Position will not be an elected position

VP Owens

The Director will not have voting rights

President Gay

We will put the Executive Staff in the Bylaws

The Chairman of Public Relations could be the Director

Should we move forward with this proposal?

VP Owens

If we do not do it now, then when will we move forward?

President Gay

We will put it in discussion unless anyone else has any problems.

Online Voting System

Advisor Buck

Online Voting System

Was contacted by Big Pulse

Cost of unlimited polls, votes for 9,000 students for 12 months is \$4,300

Can also be linked to online services

Will also be accommodated to work with Residence Hall and Greeks

Also have different security settings

Low Setting - everyone can vote multiple times

High Setting - everyone can vote once

Full Service is \$5,970

If we do buy this, then the entire campus will use the polls.

Advisor Weathers

We need to discuss the issue with the other organizations who vote.

Staff Congress

This is a campus-wide issue

Advisor Buck

Other systems are available

Big Pulse will give us a 20% discount

VP Cotton

Will this affect Executive Branch Elections?

President Gay

It will not, but it will affect the Fall Representative elections.

We need to talk to VP Patrick

Delegated it to Advisor Weathers

Advisor Buck

The cost is added in number of student increments of 200.

Advisor Weathers

Is the number of students the number you gave to them?

Advisor Buck

Unsure, but knows for a fact that the elections can be tied into
Online Services

This program can also send a receipt to the voter with who they
voted.

They will also make graphs of the results.

Discussion

Advisor Weathers

Electricity will be off 11:00 on Sunday, February 18, 2007 for about 30
minutes.

Physical Plant will be switching back to the regular system

The two residence halls affected will be Fields and Mignon Hall

Has been communicated to these residence halls

Wants more planned warnings

VP Sharp will inform people in Field's Hall

President Gay

Thanks to VP Cotton to go to City Council meeting

Great for International students or students who do not have rides

Advisor Buck

The bus stopped at ADUC today

VP Cotton

There might be more than one stop at the University

Most feasible at Laughlin

VP Dilley

The bus should stop at some of the Residence Halls

VP Cotton

Will talk to the Colonel

President Gay

Knows that the bus stops at the Courthouse

It is a great thing to have someone to work with City Council

Committee Chair Meeting

VP Cotton

Discussed the new Constitutional Amendments

The new VP's and Directors

Promoting SGA

VP Dilley

We will have a big SGA sign

Also have yard signs made

VP Gay

We need to have the SGA website visible

Consistency

Logo is a great idea

VP Cotton

It is a great idea as long as the PR Committee takes the banner down before bad weather.

VP Dilley

Wants the SGA logo bigger

Also, move "Event Today" and website lower on the signs.

VP Owens

What is on the SGA Banner?

VP Dilley

Should add "Bring big event fund"

President Gay

That is a lot of information

VP Cotton

Wouldn't read it because it is too much of information

VP Dilley

Should have information which is interesting about SGA

Scholarships are not publicized

Movie Fund

VP Owens

Should definitely have movie on the banner

VP Dilley

Rep. Hollon wants a 4 ft. banner, but would desire a longer banner

VP Owens

What is the cost?

President Gay

The last banner costs \$250

VP Dilley

It is projected to be \$750, but PR committee will not do SGA SPAN

VP Cotton

How long will we hang it up?

VP Dilley

We could hang it every Wednesday.

VP Owens

What about foam boards?

VP Dilley

They are durable, but not rain proof

VP Sharp

How long is PR Committee waiting on canceling SGA SPAN

VP Dilley

Candidates are either not qualified, or have a conflict of interest.

VP Owens

Banners need to be bought soon because it will take a while to make banners

VP Dilley

Just wanted feedback

President Gay

PR should order SGA board and yard signs, but should put more effort in the banner

VP Dilley

Will not order banner until is it professionally made.

VP Owens

Should give the first draft to Advisor Stephens or Toni Hobbs at University Marketing

VP Dilley

Wanted University Marketing to design the banner

VP Owens

Campus Involvement wanted to get a Cheerleading banner and will have a stipulation to have a ceremony.

Advisor Weathers

There will not be enough time. Should hang it now and will unveil it at a later date

VP Owens

Rebecca Holbrook cannot find the dimensions for the other banners

Put both Co-ed and All-girl on the banner

Want to get a price before a proposal comes to the floor

Will give \$400 for the Rally for Life to sponsor members

President Gay delegated it to VP Weathers

President Gay

Are there any new projects?

Advisor Weathers

Recreation Center Committee Meeting

Received a call from Joe Kline

The architects of the have been appointed.

The architects will have a presentation for the students and any student in a forum.

This forum will be March 13 at 3:30 in ADUC

President Gay

Should Campus Involvement Committee or Physical Improvement put that together?

President Gay delegated it to VP Cotton to delegate it to Physical Improvement Committee

Advisor Weathers

This forum is on Founder's Day

VP Cotton

Who should I direct them to if they have any questions?

Advisor Weather

You can tell them to see me

Old Business

Constitutional Review

President Gay

The most controversial pertains to the Greek Representation

VP Dilley

We should keep the amendments to where it stands.

VP Owens

How many people are against it?

The majority opposing it is Anti-Greek

Advisor Weather

SGA should have it because the three Greek Orgs. are umbrella organizations

VP Owens

These three orgs are just like RHA and SAC

President Gay

If there is some opposition, then we need to show that Freshmen are also in abundance on Congress

VP Owens

We need to describe this in a constructive way, not using a negative light

Advisor Weathers

We don't want the Greeks to feel disenfranchised.

VP Dilley

There are a lot of Greeks which were outvoted at the beginning of the semester

President Gay

If the amendment doesn't pass, then we need strike out the Greek Amendment, and pass the rest

Advisor Weathers

Student Life will not pass it without the Greek Section in the Amendments

President Gay

It will also have to passed by a popular vote among campus
These amendments will need to be hashed out before March 13

Advisor Weathers

If the Greek Section is included and fails in Congress, then you will have to start over

President Gay

There are some members of Congress who will always fail this Amendment

There are plenty of people on the fence

VP Owens

Everyone needs to stay until all Amendments have been voted on

President Gay

Old and New Business will be before Officer Reports

VP Sharp

Great Idea

VP Dilley

Who was the Greek Rep. at the beginning?

President Gay

Dustin Hinds

VP Sharp

She was the Greek Representative last year

President Gay

We kept BSC and Cosmopolitan Club

We will give IFC, Panhellenic, and Pan-Hellenic to each be represented

VP Sharp

A lot of non-Greeks have a bad personal view with Greeks

President Gay

We need to be sure that we are positive discuss these personal issues

Advisor Weathers

These three councils are Umbrella Organizations

VP Dilley

A lot of Greeks are involved with campus activities

President Gay

For the Executive Board, are we going to have one Amendment or three, one for each position?

Advisor Weathers

We should have one because that would speed up the meeting

President Gay

We will have three proposals:

1. Legislative Branch
2. Executive Branch
3. Judicial Branch

VP Dilley

If they turn down the second Amendment, then we can separate the Greek part out of it

Advisor Weathers

We need to set the limit to two comments

VP Owens

One person can make up to two comments

President Gay

Everyone has the opportunity to speak once

VP Owens

We need to be sure to tell them it would be fair and equal representation

VP Sharp

There are 600 Greek now, not 900

Discussion

Three Executive Staff Positions

VP Dilley

Will these positions be hired positions?

President Gay

These positions will be based on qualifications, not electability
These positions will include: Chief of Staff, Director of PR, and
Director of Academic Success

VP Owens

Will these positions be work studies?

President Gay

Yes

VP Sharp

Director of Public Relations should be a work study

VP Dilley

VP for Academic Success will soon be part of the Executive Staff

President Gay

It will be a year layover and we will shape that position with the
Director of Academic Success

VP Owens

Every other school in Kentucky has a Chief of Staff
The President would be free to do other things

Advisor Weathers

Why will we have a Director of Academic Success?

President Gay

So we can shape that position to what we want

VP Cotton

These changes will take effect this fall

President Gay

The other positions will not take effect until the 2008-2009 School Year

VP Dilley

We are molding that Executive Branch position

VP Owens

President Gay will make the decision on these Directors

VP Dilley

Where will the money come from?

VP Sharp

Thought that these positions were appointed, not paid

We should wait a year to put them into the pay schedule

VP Dilley

The Chief of Staff does not need to be paid

The Chief of Staff is performing a duty for SGA

VP Cotton

Aren't some of the duties of the Chief of Staff the same of Executive Vice President?

President Gay

All Presidents at other schools have a Chief of Staff

The Chief of Staff has a dual role

If the President has to be in two place at one time, the President will go to one place, and the Chief of Staff will go to the other place

VP Cotton

Wouldn't that interfere with the Executive Vice President's position?

President Gay

The Chief of Staff will meet informally with all of the Committees

The Chief of Staff will balance the President's duties

VP Cotton

The Chief of Staff will take a bulk of responsibility from the Vice President

President Gay

Went with VP Owens to Earth Day Committee Meeting

Recreational Center Forum will be March 13, 2007.

This event needs to be publicized a lot.

We have one week to publicize

VP Owens

Did Advisor Weathers check on the Cheerleading Banner?

Advisor Weathers

The AAC ran out of spots to put another banner, but is working on getting additions to other banners.

Advisor Stephens

Primary Election will be Tuesday and needs to talk with the PR Committee to publicize it

Advisor Weathers

There is only one contested race

Advisor Stephens

The only contested race is VP for Finance. Jason Marion was one of the first people to have an uncontested race.

Discussion

President Gay

Recreational Center Forum is being hosted by Physical Improvement Committee

VP Cotton

Advisor Weathers, did anyone talk to you from the Physical Improvement Committee?

Advisor Weathers

Rep. Ash talked to me

President Gay

When will publicity be completed?

VP Dilley

Can start it tomorrow and can we get some foam board?

Advisor Stephens

Yes

VP Sharp

Brandon Oberschlake used the old foam board for Recycled Percussion

President Gay

Should we host another Housing Forum?

Advisor Weathers

We could do an electronic or paper newsletter which would outline the plan?

VP Owens

RHA can stuff the newsletters in the mailboxes

VP Sharp

Can someone make sure the letters are stuffed in the mailboxes?

Advisor Weathers

The post office is in charge of the mailboxes, and it might cost to stuff some of the newsletters.

Advisor Buck

We can also put them on bulletin boards.

VP Sharp

We can also put them in ADUC

Advisor Weathers

Should SGA or RHA be in charge of the newsletters?

President Gay

Housing has the information, so they should create the newsletter

Executive Staff

President Gay

The agenda has the description of the Chief of Staff

It has a compilation of the responsibilities

The President is overwhelmed with responsibilities

We should create an Executive Staff or Board of Directors

Each Director would have specific purposes

The President will appoint each position

Some directors will be standing, and others will not

Advisor Stephens

Will these directors be Congress members?

President Gay

People want to be involved with specific purposes, but not go to the meetings. This would empower them.

Advisor Stephens

Do you see a problem with relations within Congress if you give power to members outside of Congress?

VP Cotton

There is a lot of overlap in the duties of Chief of Staff and Executive Vice President

VP Sharp

Isn't the Board of Directors the Committee Chair?

Advisor Stephens

Congress meetings are the place to get things done. This would create a problem

VP Sharp

Congress members could perceive a problem

Advisor Weathers

These directors would receive the recognition

Advisor Stephens

There could be a lot of power for these directors in ten years. Congress is disgruntled. They don't feel like they receive enough credit and maybe power. This is mainly a timing issue.

VP Owens

Permanent positions are fine, but we shouldn't have standing directors.

Advisor Stephens

Is the Chief of Staff a voting member of SGA?

President Gay

The Chief of Staff will act as a proxy

Advisor Stephens

The Chief of Staff is Daimeon

VP Cotton

What would be the difference between Chief of Staff and Executive Vice President?

Advisor Stephens

What is the Chief of Staff and will they be paid?

President Gay

This is a common practice. The Chief of Staff would be the main supporter of the President and attend functions when the President has to be in two places at the same time.

Advisor Weathers

Most SGA's are modeled from the US Government and the Chief of Staff is the fall guy.

Advisor Stephens

Who has a Chief of Staff?

President Gay

All SGA's in Kentucky

Advisor Stephens

What duties will the Chief of Staff take from the Executive Vice President?

President Gay

The Chief of Staff would coordinate meetings, making sure everything is set up. The Chief of Staff would take work from the President.

VP Sharp

If the President has more responsibilities than he or she can handle, then that work can be spread among all of the Executive Branch.

Advisor Stephens

Getting a Chief of Staff is unnecessary. Diverting work from the President is unnecessary. People will not run for Executive Branch. It is bad timing and will create a bad perception.

President Gay

It is not as bad as it sounds. Some of the Congress members will never be satisfied.

Advisor Stephens

It is a bad conversation of perception. This would add more roles instead of telling the committee what their roles are. The Board of Directors will counter other positions.

Advisor Weathers

There is nothing which prohibits people who are not a Congress member to be part of a committee.

Advisor Stephens

Who has the Board of Directors?

President Gay

Eastern Kentucky University has it.

Advisor Stephens

We are having growing pains. We will definitely lose members if we get Congress members. Will the structure still be there in five years?

Advisor Weathers

Will these positions be put in the Constitution?

President Gay

It will be put in the Bylaws, the idea was presented to myself by BSBP. These are just some solutions to the problem.

VP Dilley

What is the difference between Director of PR and Director of Marketing?

President Gay

The Director of PR will speak to people and groups whereas the Director of Marketing will be in charge of flyers and the website. We need to get people who have these technical skills.

Advisor Stephens

We will not have people consistently wanting to serve as these directors every year. They will not want to volunteer their time. It will take work-studies, maybe. It will take time to mesh it with what we got.

VP Dilley

I thought we were just going to get rid of VP of CI and PR, and add VP for Academic Excellence and create a Marketing Director.

VP Cotton

This is just brainstorming time. We are not going to make a final decision yet.

President Gay

The Academic Director will be temporary until it is passed by the students.

VP Dilley

We already have a problem with VP for PR, PR Chairman, and PR Committee.

President Gay

This will not happen immediately.

VP Owens

These decisions will not happen this year, and is not a viable conversation.

President Gay

We are just discussing ideas. There is some merit in the Chief of Staff.

Reading Day

Met with Dr. Lindell and Dean Koett

Found out that President Andrews is not in favor with reissuing
Reading Day

President Andrews would like to see some empirical data which
would show that Reading Day is beneficial

VP Sharp

How could we give President Andrews empirical data?

President Gay

Finding online studies

Advisor Buck

Weren't there 14-16 schools who had Reading Day?

President Gay

40% of the schools had Reading Day

VP Sharp

How many of the schools had a dead week?

President Gay

Less than 40% had a dead week

If we want him to reconsider, then we need to find strong evidence

Had a difficult time finding this evidence

VP Cotton

How was it previously changed?

President Gay

It was based on what students wanted
We could pass a resolution, but that is only the opinion of SGA
President Andrews believes that the popular opinion is in favor of
Reading Day

VP Sharp

What evidence have you found so far?

Advisor Buck

Found two articles which are in favor, and two articles which were
opposed

President Gay

Spent 3 hours and couldn't find enough data

Advisor Stephens

How did you go searching for this subject matter?

President Gay

Searched most databases

Advisor Stephens

What did you search for?

President Gay

Reading Day, Dead Week, Study week, preparation techniques

VP Owens

We could call some schools

Advisor Stephens

That is a person's opinion. Our schedule is our opinion. Since
everyone has a reading day, that doesn't mean we have to have
reading day.

VP Owens

So we need scientific research?

President Gay

Dr. Lindell and Dean Koett proposed a final schedule which begins
two school days earlier and have the finals spread out so the most
final exams a person would have in one day is two exams.

Advisor Stephens

What about graduation?

President Gay

These people want these students to decompress
There would be 6 exams for the first week, and 10 exams the second
week

Advisor Stephens

Do most students want reading day or reading night?

President Gay

This would create a more spread out finals week
This would be a very radical idea
The idea was to make student perform at their best
Some students could be finished in two days and have a week to
prepare for graduation

There would be no afternoon exams which would be saved for
afternoon assessments

VP Dilley

Would this plan keep up longer?

President Gay

It would make us go two days earlier. We would also get a Fall
Break

VP Cotton

Banquet

If anyone has any ideas for banquet, please let him know..

Will send out the proposed plan by email

Advisor Buck has already reserved the room

Larry Stephenson Scholarship

Will meet with Funding and Awards Committee to come up with the
rules

Candidates meeting

This Thursday at 5:00 p.m. in the Riggle Room

President Gay

Has the old program for last year's banquet

We can go off the same thing

Met with Dr. C. Nelson Grote and sounded interested to be this
year's speaker

Dr. Grote pushed "What a student is"

Dr. Grote instilled a lot of things with SGA

Dr. Grote would love to be the speaker

VP Harmon

Working on the website

VP Sharp

No report

VP Owens

Met with the Earth Day Committee last week

Will meet with the Campus Involvement Committee to have an update on
the Environmental Awareness Campaign

VP Harmon

Where will the Logging Forum take place?

VP Owens

Button Drill Room

VP Dilley

Who should I go through to approve the flyers?

VP Sharp

Go through me

VP Dilley

The Recreational Center flyer theme will be "Coming Soon"

VP Sharp

Just be sure to attach a flyer to the funding request form

VP Dilley

Set up the Executive Branch Sign-up table in ADUC

Very happy with the number of volunteers

President Gay

What about t-shirts?

Advisor Stephens

They are in the office and look great

VP Cotton

Does Rep. Hollon have the receipts for the candidates so Sue can check the grades?

VP Dilley

Unsure

VP Sharp

Will the PR Committee have a work study for SGA Span?

VP Dilley

It probably will not happen this year. Rep. Hollon will meet with a guy to design the banner.

VP Sharp

Will put the work study back into the PR account.

Discussion

Advisor Weathers

In November, Governor Fletcher appointed a Task Force for Safety
Gail Minger is the chair of this task force

Her son died in a dorm fire at Murray State in 1998

Chief of Police at Morehead, Joe Kline is on the committee

This task force will have open forums all over the state

If anyone is interested to attend these forums, then they should go to one of
the sites from 7:00-9:00 p.m.

The sites are:

1. March 13 at Prestonsburg
2. March 15 at Northern Kentucky University
3. March 20 at the University of Louisville
4. March 22 at Eastern Kentucky University

5. March 27 at Murray State University

6. March 28 at Western Kentucky University

Two of these forums are during Spring Break and another one is during Founder's Day

Plan on going to the forum at Northern Kentucky University

If anyone is interested, then we can get a group of students to go there

The problem is that these forums haven't been publicized as well as March is a bad time for these forums

President Gay

Which place are you going?

Advisor Weathers

Northern Kentucky University made the most sense

The official title is the Governor's Task Force on Safety

President Gay

There isn't a forum here as well as in Lexington

Can students go with you to Northern Kentucky University?

Advisor Weathers

Yes, they can

President Gay

What should we ask?

Advisor Weathers

We shouldn't have many problems because we hit this topic straight on with the safety walk

Advisor Stephens

What is their goal?

Advisor Weathers

They will give a report to the Governor in July

Advisor Stephens

Will it be a task force about alcohol?

Advisor Weathers

It will be everything involving safety

Advisor Stephens

Alcohol Awareness March 13 at 7 in Button

Mocktails at 6 in Button Drill Room

VP Sharp

Is the presentation at 7:00 or 8:00?

Advisor Stephens

It is at 8:00

Mark Sterner was here last year and three years ago

VP Dilley

Are we going to serve mocktails?

President Gay

Who is organizing this event?

Advisor Stephens

Jenny Frazier, and Campus Involvement could help organize

President Gay delegated it to VP Owens

VP Dilley

We need to have a theme as well

President Gay

Will put this event on the agenda

Eagle Lake Trail Grant

President Gay

Thanked Advisor Weathers and Stephens to helping out

Needs to be mailed before March 13, 2007

Recreational Center Forum

This event is a week from today

Needs everyone to help spread the word

Candidate Debate

President Gay

Will there be one?

VP Cotton

When was it last year?

President Gay

It was Wednesday

VP Cotton

Will discuss it tonight at the Election's Committee

Executive Branch Committee Meeting

President Gay

Next Tuesday is very busy

We will not have a lot to do at the meeting

Will not have an Executive Branch Meeting next week

There is nothing which needs to be communicated

If anything needs to be discussed, let him know

We will have a meeting after Spring Break and then we will be ready to finish out school

VP Dilley

How many scholarships were awarded for Spring Break, Spring Back?

VP Sharp

Gave out all \$3,000

VP Dilley

Going to put something in the Trailblazer

President Gay

Once we complete the Larry Stephenson Scholarship, then we can write a press release

We can also put it on the website

VP Cotton

You can delegate it to the Funding and Awards Committee

VP Sharp

I cannot be the chair because I am applying for the scholarship. The advisor can be VP Cotton

President Gay

The Executive Branch has to be on the committee
Will be the chair this year because was the chair last year and the process
worked well last year

VP Dilley

The applications should say we are not going to look at the names because
that would look bad

President Gay

We will make it anonymous

Advisor Stephens

Then we can make a press release

President Gay

Will draft the press release once the dates are set

The Larry Stephenson Scholarship will get together one day on the weekend of April 28

May 2 is the SGA Banquet

The time of the banquet will either be 7:00 or 7:30

President Gay

Can you set a time so I can tell Former MSU President, Grote

VP Cotton

Will pass around sign-up sheet at tomorrow's meeting to get a number of people interested to go to the banquet

President Gay

Don't forget to remind the new Executive Officers if they aren't on Congress yet.

Include Constitutional Amendments in the General Election

President Gay

We will put the Constitutional Amendments on the ballot after the General Election

Advisor Stephens

What do you want on the ballot?

President Gay

Just a condensed version of the Proposals

Advisor Stephens

We can just copy and paste the short form of each of the proposals

VP Dilley

Will these questions on the ballot include the Chief of Staff and the Directors?

VP Harmon

They will not be included on the ballot because we didn't approve them in Congress

President Gay

If any of the other Presidents in the future want to consider adding these positions, then they can. I can just give Representatives specific duties

President Gay delegated VP Harmon to send the proposals to Advisor Stephens

Executive Candidate's Debate

VP Cotton

The debate will be March 28, 2007, starting at 6:30 at the ADUC Lobby

Rep. Miller will ask each candidate two questions

Some classes will be offered extra

President Gay

How will the debate run?

VP Cotton

One person will speak at a time for two minutes, and then the opponent can speak with a counter argument for one minute

VP Dilley

I need to get pictures of each candidate at the debate

Advisor Stephens

Cathy Thomas wants the Presidential Candidates to come to her Persuasion Class

Mock Primary for the Kentucky Gubernatorial Race

President Gay

Is SGA interested?

VP Owens

It is a very good idea

President Gay

We can ask College Republicans and College Democrats to see if they are interested

We need to let Rebecca Bush know if we are interested

She wants SGA to help promote this program

Students can post their information on this website

Students can search for jobs and employees can search for students

BSBP

They are not coming to Morehead this weekend

There will be a conference call

Thanked everyone who wanted to help with this meeting

Goal is to push for graduation hour reduction

CPE can push toward it

Reading Day

Was looked into by Student Success Task Force

Faculty Senate Chairperson and Dean of Students are not in favor of reinstating Reading Day

The Chair of the Task Force isn't putting the proposal on the agenda

These two people are pushing for a dead week

VP Sharp

What about Fall break?

President Gay

President Andrews wants all of these proposals in one proposal.

VP Cotton

So this task force was a waste of time?

President Gay

Yes

VP Cotton

All of items are in discussion

VP Harmon

No report

VP Sharp

Leaving today, so will not be at the meeting tomorrow

Will give the report to VP Harmon

There has been an excess amount of flyers which were left in the SGA office

From now on, the committees need to spend only what they are going to put up

VP Dilley

The plan was to pass half for the primary election and the other half for the general election

VP Sharp

The committees need to use more or buy less

VP Owens

The logging forum is coming together very well

Waiting on getting a confirmation from one more person

Ray White

The other forum panelists are:

Peter McNeil, Paul Loveless, Doug Dorfheldt, and someone from the Kentucky Division of Forestry

We should have a representative from every perspective

VP Sharp

Do you have a backup plan?

VP Owens

We will have Rick Armstrong

Advisor Weathers

Ray White does International Business

Advisor Stephens

He is a busy guy. Did you contact him?

VP Owens

Ray has done forums in the past and got ambushed by Conservationists

Paul Loveless is from Kentucky Heartwood, so he shouldn't be in an argument with Ray White

Advisor Stephens

You need to email Keith Kappas because he might be able to get Ray White

You also should tell him who will be at Morehead for the Logging Forum

Advisor Weathers

Do you know Peter McNeil?

VP Owens

Gail gave me his name. I plan on inviting her.

VP Dilley

Didn't meet with the PR Committee to publicize the Environmental Awareness Month

Advisor Stephens

Has the PR Committee publicized the Logging Forum?

VP Dilley

Unsure

President Gay

Went to the PR Committee and Rep. Hollon wanted a happiness time theme. The PR Committee didn't do anything. VP Dilley will have to do it by herself. The Flyers need to be hung up.

VP Owens

Planned on letting Toni Hobbs make the flyers

VP Weathers

It is a time issue with Toni

VP Stephens

Everyone wants her to design the flyers. She will pass it on to her intern

President Gay

Has a sample flyer from last year that you can use as a sample.

VP Owens

The forum panelists should be finalized by Friday

We will then have two and a half weeks to publicize the event.

VP Dilley

Could you give me the flyer from last year?

Some other events are the Triplett Creek Water Quality Presentation

SGA Money

VP Sharp

When do we consolidate the committee's budget?

Advisor Stephens

You should do it now

President Gay

There is no official rule to consolidate the money

Advisor Stephens

You really should consolidate the money

You will either use it or lose it

You could buy a computer

President Gay

What about buying a computer from the computer lease program?

VP Cotton

The computer I use is the one which was the President's Computer

Advisor Stephens

SAC bought a computer from the computer lease program

VP Harmon

How many computers do we need?

Advisor Stephens

You can probably buy two leases

President Gay

This is a very good idea

Advisor Weathers

We need to turn in the form this week

Advisor Stephens

We do not have any other big projects?

VP Sharp

No, but the funding for Capitol Steps have not come in yet.

President Gay

We could buy pens which costs about \$3,000

VP Harmon

Where will the computers go?

Advisor Weathers

They will be taken to surplus

Advisor Stephens

We can buy pens and brochures with the extra money

VP Dillee needs to set up a time to take the picture

VP Owens

Since the election was so late, the pictures should be taken pretty soon

President Gay

If we pay for brochures and pens, we will have \$2,000 left

Advisor Weathers

The computer lease program is a recurring cost, but it is the way to go

President Gay

Physical Improvement has a lot of money, so we can take it out of that committee's budget

VP Sharp

The only funding request was for "The Bird"

President Gay

We can take it out of the General Fund
PR can make the proposal

Cheerleading Banner

VP Owens

Has the bookstore got back to you on a price quote?

Advisor Weather

Will check on it now

Advisor Stephens

Tony Nash is working on creating a banner with more than 22 spaces

VP Owens

So we will take down all of the banners and put one big banner?

Advisor Stephens

EKU has this form of banners

Larry Stephenson Scholarship

President Gay

We need to make sure the applications are full

VP Cotton

What should we do once all of the paper applications are taken?
So far there are 12 online applications

Advisor Stephens

There is not a huge reason to have paper applications if there is an online application
20 paper applications return if 100 are passed out

President Gay

Last year, printed off 150 copies and 50 returned
A lot of people like to fill it out by paper then fill it out online
Last year, put a manila folder on the board so people can return the forms

Banquet

VP Cotton

Our banquet is May 2 at 7:30 p.m. in the Commonwealth Room

President Gay

Is VP Cotton going to work on the program?

VP Cotton

Yes

Mock Primary

President Gay

Is Campus Involvement Committee going to work on it

VP Owens

No one at the Congress meeting wanted to work on it

Advisor Stephens

The Secretary of State said they were coming down and wanted to be invited to do it

President Gay

Could Advisor Stephens find out when and where these people will be?

Advisor Stephens

Will not be in the office this Friday or next Tuesday

VP Sharp

Very disappointed because one President and CPE Student Representative were the only on during the conference call

Wants the purpose of "Get Fired Up" to get the Governor to call a special session

Met with Rep. John Will Stacy and Sen. Walter Blevins
Suggested to wait before the primary election
This move should be more successful
It will either be last week in April or first week in May

VP Cotton

The plan was to start today, but have to start over
Will meet this week with the Committee Chairs
The meeting was supposed to be this past Monday, but City Council was yesterday

VP Cotton

Went to City Council Meeting yesterday
Working on Environmental Awareness Month and all of these events
Triplett Creek
Tour of new sewer plant
Huddle House will be opened April 23

VP Harmon

Put the Zocá survey online
Put the Datatel Guide online
Thanks to Justin Kennedy for making the guide

VP Sharp

Working on consolidating the budget

The numbers are off and some of the figures aren't on Datatel

Will meet with Gerome tomorrow

Advisor Weathers

It is probably a Datatel problem

VP Sharp

After consolidating the budget we will have \$11,000

One idea is to put that money in the Emergency Student Loan Fund

President Gay

Last year, we had to take money from this year's budget into the fund

Advisor Weathers

Will ask for permission to have that money carried over, but since the budget isn't balanced, SGA should just leave the money in the budget and let it revert to the University's Budget

President Gay

What about buying computers for next year?

Advisor Weathers

We have to buy the computers for next year

It is a timing issue

President Gay

Let VP Sharp work it out with Advisor Stephens

Advisor Weathers

Still unsure about cost of the banner

The cheerleading department wanted to see if SGA would help with financial assistance for buying the rings

President Gay

It would be hard to get passed by Congress

Advisor Weathers

Will ask to hold money for computer from this year's budget. The extra money should be turned into the University's General Fund.

President Gay

Could we buy a computer from the bookstore with the money?

Advisor Weathers

It would be best to give the excess money to the university's budget

President Gay

Will meet with the new Executive Board to see what their feelings are on it

VP Sharp

The Physical Improvement Committee is going to buy some table and a trash receptacle

Do I need to get a proposal to consolidate the budget for this week?

President Gay

You can, but it is not necessary

We need to speak with the Committee Chairs before you do anything too dramatic
You might just need to take some small chunks from each committee's budget

VP Sharp

Will do it next week then

VP Dilley

Environmental Awareness Week

Rep. Hollon was supposed to meet last Friday, but she has an emergency to take care of

Will meet tonight to take care of all of the business

We are moving forward with cards

These cards will be passed out at the block party and other events

We will also call more food places and gas stations

Rep. Hollon is also working on getting the banner

Talking with Toni Hobbs to get the exact amount for the proposal
Yard signs will cost \$20.00

President Gay

Do you have the sheets for the organizations to sign up for? I can tell the businesses at the next Chamber of Commerce building.

VP Dilley

When is the next Chamber of Commerce meeting?

President Gay

First Thursday in May. May 3, 2007.

VP Dilley

Will talk with the Committee

President Gay

It is an incentive for the business owners

VP Owens

The White's are going out of the country

Ray is going to Jamaica

Mike is going out of town

They will either try to get Greg or David Wells

Advisor Weathers

What about Rock Armstrong?

VP Owens

He is going on a golf outing

What is the name of the moderator?

President Gay

John Hennan. He is done with the Regional Stewardship Conference so will have time to prepare.

Old Business

None

New Business

Resolution for National Day of Silence

President Gay

There shouldn't be any negative consequences

They just wanted SGA's support

This resolution will come from the Executive Branch

Advisor Buck

The ALLYance President should speak at the SGA Congress meeting tomorrow

Advisor Weathers

Are the participants still going to class?

President Gay

Yes, they will be at the bell tower when they have a break

Should we reword it so SGA will not have to attend the event?

Brian will probably make RHA member attend

Advisor Weathers

This resolution doesn't have any stipulation that says SGA members will have to attend

Discussion

Computers for the Librarian's tomorrow

President Gay

Who wants to take care of that?

VP Owens

I will do it

Get Fired Up Campaign

President Gay

We have to take a lead role

Get Fired Up may not be an appropriate title, though

VP Cotton

Will send out a message to you all on the last week's Committee Chair's Meeting

President Gay

The best place to end the Rally is at the Governor's House

Who is in charge of staffing the building?

Advisor Weathers

Terry White's Wife staffs the building

President Gay

Will talk to Rep. Arnett

Will pass a resolution next semester

We can give the proposal to the person who is working at the Governor's House at that time

Environmental Awareness Month

President Gay

Triplett Creek Water Quality Presentation will be tomorrow

The Safety Walk will be tomorrow at 8:00 as well

Larry Stephenson Scholarship

VP Cotton

For part one, there are 13 online and 0 paper registrations

We still have three weeks

Where is PR's poster for the Larry Stephenson Scholarship?

VP Owens

The easels are being used for this weekend's events

President Gay

Should we buy some easels for SGA?

Advisor Weathers

You will still have to go through Conference Services to put them
in ADUC

President Gay delegated VP Dilley to write a proposal for the easels

Banquet

VP Cotton

We are having a Mexican Menu

Does anyone have any ideas for guests?

Advisor Weathers

We should invite the retiring provost, Dr. Moore

President Gay

You should also send one to Advisor Stephens

VP Cotton

He is giving a retiring address

Who should be the one to give the Oath of Office to the new
Executive Officers?

President Gay

SGA's Chief Justice, Lisa Hinkle

I also encourage all of the retiring members of the Executive
Branch to contact the new officers

You can tell them the understanding of the job and the purpose

VP Sharp

What about Dean Koett?

VP Harmon

What about the new provost?

Advisor Weathers

You should wait until next year.

President Gay

We can get to know her at one the first meetings

We can invite Ketih Kappes

VP Sharp

What about Sue Townsend?

VP Owens

She has done a lot

VP Cotton

What about special awards?

VP Sharp

They are fun

VP Cotton

Everyone has to come up with two awards

President Gay

Former MSU President, Dr. Grote, will speak at the banquet

It is nice to hear about his presentation

Also invited Former SGA President, Marion to be a guest

You should definitely meet with them before the end of the year
It is important to keep your office hours

Virginia Tech Shooting

Advisor Weathers

We have policies for all of the plans
The police participated in training drill each year and table
top drills

President Gay

What are table top drills?

Advisor Weathers

They are talk through plans
The manuals are not on the webpage so the criminals can't
find what the plan is
We should have a "What to Do..." on the webpage
A lot of information is available, though

Rep. Stevens

Is there a standard protocol?

Advisor Weathers

There is not a standard procedure
Some departments do not have meetings

President Gay

There is an opportunity to put this on the website

Advisor Weathers

A lot of the rules are common sense
For the Cheerleading Banner, they are \$500 a piece
There will 3 banners

Displace Me Funding

President Gay

This was brought to me by Rep. Westendorf

Rep. Stevens

The amount exceeds what we give, and what organization are
involved?

President Gay

BCM/342, MSC, and International Justice Group

Rep. Stevens

12 have signed up from the MSC and 20 from the BCM

VP Sharp

How many are University Organizations?

Advisor Weathers

2 of them

VP Sharp

Is it open to all students?

Rep. Stevens

Yes

President Gay

The total amount of funding they wanted was \$1,168
\$500 is the standard amount

This event will take the students to Nashville to show their
opposition to the Ugandan Government
The Government if relocating people to camps
The MSU students is traveling to one of the 15 camps in the US to
rally against the Ugandan Government
This will help the Ugandans who are suffering in the camps

Guest Stevens

Here is the itemized list they gave me:
\$1,008 for miles
\$80-\$100 for Driver's Housing
\$80 for Driver's Meals

VP Cotton

Hasn't the International Justice Group already received funding?

VP Sharp

Yes

Advisor Weather

We sent them to Washington DC

VP Cotton

Have they petitioned any other organization?

President Gay

They have solicited many of the University Groups

VP Cotton

How many students have confirmed to go?

President Gay

25-30

The \$500 will reduce costs to a minimum

VP Dilley

The most of the amount will go to transportation

Rep. Stevens

Is \$500 the norm for each organization?

President Gay

It is the standard practice

Rep. Stevens

There are three student groups involved

Advisor Weathers

How many of these organizations have come to request funding
from SGA?

VP Sharp

All of them

VP Dilley

International Justice Group have not come because they were just
formed

Advisor Weathers

Professor N'Jayie was involved with the last event to DC

VP Sharp

How much publicity has been sent out?

Rep. Stevens

Yes there are sign-up sheets in MSC and BCM

President Gay

There is definitely some consideration to this proposal

One of SGA's objectives is to promote civic engagement

This wouldn't be the most effective, but it is a good start

VP Harmon

What is our budget?

VP Sharp

Before consolidation, it is \$3,000

Rep. Stevens

A lot of students will be there

VP Dilley

Didn't we give more to Spring Break, Spring Back?

President Gay

That is one of our projects.

VP Sharp

The key is how many times and how much money do we fund for each organization

VP Dilley

That is a good amount since it is under half

President Gay

Will draft the proposal

PASSED

Earth Day Cleanup

Rep. Stevens

What is the purpose?

President Gay

This will provide food for volunteers who help pick up trash

PASSED

Easels

VP Dilley

Each easel is \$67.45

President Gay

How many should we buy?

VP Dilley

Probably 3

Problem will be differentiating them apart

President Gay

We can write "Property of SGA"

Will take \$250 out of the General Fund and amount not left over will be put back into the general fund

PASSED

Discussion

VP Cotton

After the March, we will have a reception at the Governor's House for Get
Fired Up Week

I will get price and bring a proposal. How many people should we
expect?

President Gay

Aramark gives us a stipend but we better buy this food

VP Harmon

How many people were at the march last year?

President Gay

50, so get a price on that amount

Here is the schedule

On May 3, there will be some speeches at the Bell Tower

Some of the speakers will be the Gubernatorial Candidates

Need to meet with Vice President Kappes

Advisor Weathers

What about the Chamber Lunch Dinner

President Gay

That shouldn't be a problem, but the problem will be getting Gov. Fletcher

He will be in Louisville on the 3rd

VP Cotton

The march can be Wednesday

Rep. Stevens

We can just flip flop the events

Special Session Recommendation

President Gay

This will be used to hopefully get Gov. Fletcher to call the special
session

VP Dilley

What about the other universities?

President Gay

We will have to take the lead

We will share it to the other Student Body Presidents in Kentucky

I will make it from the Executive Committee

Will send it out to everyone after this meeting

VP Sharp

Cars were parking on the road behind Fields

VP Harmon

Will tell it to the Student Life Committee

Advisor Weathers

It would have been difficult since the weather has been wet

The temporary paint has been a quick fix and will fix it after school ends

It is hard to ticket

President Gay

Student Vigil is Monday, April 23

VP Sharp

At 4:00

President Gay

Should we have candles there so people can purchase them?

Rep. Stevens

Candles in the afternoon?

President Gay

We can let them burn through the night

Should we designate an area?

Advisor Weathers

It should be at the Eagle Memorial

President Gay

Could we put it at the Bell Tower for a week?

Advisor Weathers

We did that for 9/11

We need to do it before next week

President Gay

It would be a nice thing to do

Is Dean Koett leading this?

Advisor Weathers

Yes

President Gay

Will meet with him

Larry Stephenson Scholarship

We met Sunday

There 11 full applications

The winners were Sarah Sharp, Kim Barker, Courtney Ward, and
Rebecka Hollon

Outstanding Award will go to Rashika Agrawal

Rep. Stevens

What is the Outstanding Award for?

VP Cotton

The alternate is still recognized

President Gay

The endowment still requires an alternate

VP Harmon

Made an end of the year evaluation

VP Sharp

Will not be here the rest of the week

Our budget is \$7,937.60

Movie night costed \$1,003.75 last week

They will want to have \$2,000 saved off for that

We need to draft the proposal

VP Owens

New Business

Movie Proposal

President Gay

How much do we need to take out?

VP Sharp

\$2,000

Discussion

Movie

President Gay

We also have to have money for KLA

VP Sharp

Physical Improvement will have a proposal for tables and bulletin boards

There will be \$1,000 left over

Rep. Stephens

It will be next Friday

Advisor Weathers

We might have to move it to every other Friday

Advisor Stephens

We are going over \$4,000 each year

We have 4 big movies

We have done the movies for over 8 years

VP Sharp

You all can think about it for next year

Advisor Stephens

We also pay workers

Rep. Stevens

How much do we pay them?

Advisor Stephens

It is about \$30 a week

The total salary will probably be one night of movies

Managing was to problem for volunteers

President Gay

What about card readers?

VP Owens

Adam Jones and Kyle Mann are in charge of it

President Gay

The problem is students who have graduated

Advisor Stephens

They are owned by the Greeks

Rep. Stevens

Could we put in permanent card readers?

Advisor Weathers

We would have to buy the readers .

Rep. Stevens

Why can't we bargain with them?

Advisor Stephens

One of you can work on a deal with them

President Gay

We can charge everyone a dollar

Advisor Weathers

That is a good idea

VP Sharp

How much is KLA?

Advisor Weathers

About \$2,500

President Gay

\$2,000 for movies

\$3,000 for KLA

There could be tons of proposals from the floor

The representatives could be weary of dumping money back into
the University Fund

This shouldn't be an argument for these to be passed

We need to hold the standards high

Advisor Weathers

What needs do we have?

President Gay

Pens, brochures, and polos

VP Sharp

We can do these proposals first

President Gay

How much are brochures?

Advisor Stephens

How many do we order?

They are about fifty cents per brochure

President Gay

We can probably spend \$500

Rep. Stevens

So we will get 1000 brochures

President Gay

We will spend \$2,000 for movies and \$3,000 for KLA

VP Cotton

Does it cost if students go to both movies?

Advisor Stephens

We have to pay for both movies

We had a problem with international students a few years ago

Advisor Weathers

We can tell the students to come to the Student Activities office

President Gay

It would be better if we charge everyone \$1.00 a ticket

VP Sharp

It is reasonable to watch a big movie for \$1.00

Rep. Stevens

How much does each ticket cost?

Advisor Stephens

\$2.75

Rep. Stevens

Why can't we get a better deal?

Advisor Stephens

Chakeres is a big company and doesn't care if we deal with them or not

VP Owens

\$3.75 is a good price for a big movie

It will probably cost \$8.00 at the new cinema

Advisor Stephens

It will cost more for the movies

Advisor Stephens

We need to take the Eagle Trail Grant back to the foundation

President Gay

Spoke with Drew Henderson about this subject

Will draft all of the proposals for tomorrow

Advisor Stephens

These proposals do not have to be passed through Congress

Advisor Weathers

You can set money aside for these projects

Advisor Stephens

This would be the wisest

Get Fired Up

President Gay

The rally will be about an hour long

Advisor Weathers

Where will the food be?

President Gay

Beside the Governor's Office

VP Cotton

Reduced the amount of hot dogs

President Gay

That is fine

We need to pick up the equipment and set up at the Bell Tower

Advisor Stephens

This is probably true because they aren't fully staffed

Advisor Weathers

We can help

Are all of the legislators confirmed?

President Gay

Met with them after the Gala, but not today

Rep. Stevens

We should have it away from the sidewalk

VP Cotton

I was think there or behind the Bell Tower

If it rains, then we can set up under the bell tower

VP Sharp

We should set up behind the Bell Tower

VP Owens

Why did we have it at the bell tower?

VP Cotton

There is a lot of traffic

The Bell Tower is a focal point

Rep. Stevens

We were thinking about getting the GGH crowd

These people would more like to go to the Bell Tower

President Gay

It is already planned there

There are a few locations for it

1. Where it was for the Vigil
2. By the eagle sculpture behind the Tower
3. Under the Bell Tower

Rep. Stevens

Are we just going to have the two speakers and a podium?

President Gay

The soundboard and wires

VP Cotton

It took us minutes to set up for a dance

It would take less time for wireless microphones

Rep. Stevens

I think I could get it set up if we met there at 11:20

President Gay

We can meet at 11:20 at Conference Services

Rep. Stevens

Will we have a podium?

Advisor Stephens

Yes, but which one will we use?

Brian should come early to find all of the equipment

9:00 wouldn't be too early

It would probably if the podium is faced out of the Bell Tower

President Gay

So we will meet at 9:00

Advisor Weathers

What about a rain plan?

President Gay

If it is too bad, then will do it inside ADUC

Banquet

VP Cotton

Guest have been confirmed

Programs will be available tomorrow afternoon

President Gay

Duck, Duck, Goose is at 6:30

President Emeritus, Grote will be there

KY Rep. Adkins and KY Senator, Stacey will also be there

VP Cotton

What should we give to each member?

VP Sharp

A copy of the SGA CD

President Gay

We can give them a pin
