

Fatal Difficulty Over a Woman.

MOREHEAD, Ky., Nov. 26.—At a country dance on Christy creek, four miles east of here, at an early hour Friday morning, in a difficulty over a woman, App Perry shot Harris Carroll through the heart, killing him instantly. Perry fled, but was captured and lodged in jail. He figured in the Rowan county war, during which Craig Tolliver was killed. There is talk of a mob taking Perry out, and a strong guard was around the jail Friday night.
