Rev + Mrs A C Landolt,

Just a few lines to let you  
know that <sup>we are glad</sup> you have made the  
acquaintance with my Son  
Maunice. I do admit with  
you he is a fine young man  
I am proud of him + better  
yet we mothers would like  
it if we could have our  
good boys at home with us.

He said going to church does  
something to him in ward he  
can not express it but he said  
when he goes it brings him  
closer to home in thoughts.

My 2 Children here at home +  
myself wish to thank you for  
your kindness. Respectfully <sup>Mrs</sup> G Godwend,  
3013 Barber ave Cleveland Ohio.
