Lexington, KY

Dr. Joel Pace
Morehead, KY

Commencement Profiles

Dr. Joseph A. (Jay) Morgan has served as the 14th president of Morehead State University since July 1, 2017. His focus at MSU has been on student success, performance outcomes, academic excellence, as well as university rankings and responsiveness to the region.

Prior to service at MSU, Dr. Morgan served as the state-wide chief academic officer and vice president for academic affairs and student success for the Kentucky Council on Postsecondary Education in Frankfort. Before state-wide service at the Council, Dr. Morgan served as provost and vice president for academic affairs at Murray State University, as well as associate provost, university faculty regent, leadership program director, graduate program coordinator, and professor/teacher educator. He also has early career service in business and as a high school teacher and coach.

Dr. Morgan holds a Ph.D. from Oklahoma State University, a B.S. and an M.S. from Murray State University, and completed a graduate track for school superintendent, as well as a certificate in management from Vanderbilt University.

Dr. Morgan currently serves as Board Chair of the Council of Presidents of the Ohio Valley Athletic Conference/ Division 1, as well as Board Chair of the Pioneer Football League, among other boards. He is a former board of trustees and executive council member of the Southern Association of College and Schools Commission on Colleges (SACSCOC). He has also served as a board member of a medical university, vice chair of a public university board, an economic development board, a bank board, the Kentucky Educational Professional Standards Board administering public school teacher licensing and educational standards, and on several foundation boards and financial boards. Additionally, his former public service includes four terms as an elected member of a city council, board president of a chamber of commerce, board chair of the United Way, was formerly named Citizen of the Year, is a Rotarian, and has been involved with economic development, banking and other regional initiatives. He has taught, worked and traveled in more than 15 countries for academics, business, research, and development.

Since joining MSU, the University has broken records for private fundraising for scholarships, student retention, U.S. News and World Report rankings, as well as logged several athletic championships. He has also led the way for major facility upgrades and a new building for science and engineering.

Dr. Morgan notes that MSU is striving to become a Top 10 Regional University in the South and to stay focused on student success, and we are well on our way.

Commencement Profiles

Heather L. Randolph of Sandy Hook is the commencement speaker representing the College of Science. She is the daughter of Angela Randolph and Terry Randolph. She will graduate with a Bachelor of Science in Nursing (BSN).

As an undergraduate student, Randolph graduated at the top of the nursing program while balancing her obligations with MSU ROTC, enlisting in the National Guard and working two part-time jobs. She is the acting Battalion Commander over a 76-person battalion and will be commissioned as a 2nd Lieutenant in the Army Reserves Nursing Corps upon graduation.

Randolph earned the Undergraduate Nursing Research Award in October 2022. She earned the Outstanding Baccalaureate Nursing Program-Prelicensure Senior Level Student Award in May 2022 and the Outstanding Baccalaureate Nursing Program-Prelicensure Junior Level Award in April 2021.

She is a PRN nurse extern at St. Claire Regional HealthCare in Morehead, a position she's held since July 2021. Before that, she was a part-time emergency medical technician (EMT) with the Elliott County Ambulance Station from July 2019 to January 2022. She is a member of the Kentucky Nurses Association and the Student Nurses Association. As a student, Randolph also completed more than 120 hours of community service. Most recently, she helped with flood relief efforts in Eastern Kentucky through flood cleanups organized by the BSN program and MSU ROTC.

Randolph's immediate goal after graduation is to become an intensive care unit (ICU) nurse with long-term career aspirations to become a certified registered nurse anesthetist (CRNA).

Candidates for Degrees

Subject to the completion of all curriculum requirements, degrees will be conferred upon those listed herein and upon such others as may meet the graduation requirements. An asterisk represents students who are earning two degrees simultaneously.

The University Mace

The practice of carrying a mace in academic processions dates to medieval times in England when a person bearing a mace, a formidable weapon, walked in front of the highest-ranking official as they entered and departed ceremonial occasions, to protect him or her from personal injury.

As adapted by European and American universities, the mace has become a symbol of office to the institution's president and is carried by a distinguished member of the faculty. At Morehead State, the joint office of faculty grand marshal and mace bearer is held by the current recipient of the Distinguished Teacher Award.

The mace of Morehead State University was fashioned from Eastern Kentucky walnut in 1984 by John S. VanHoose, a retired faculty member from the Department of Industrial Education and Technology.

Academic Honors - Baccalaureate Degree

Summa Cum Laude - With highest honors

Magna Cum Laude - With great honors

Cum Laude - With honors

Academic Honors - Associate Degree

Distinction - With distinction

Academic Costumes

The wearing of academic costumes is a custom that goes back to the Middle Ages. Since the early European and English universities were founded by the church, the students and teachers were required to wear distinctive gowns at all times. Although the custom was brought to this country in Colonial days, the requirement for students was soon dropped. The custom for professors was confined to special occasions such as graduation exercises and inaugurations of new presidents. With the increase in the number of educational institutions and the development of new subject-matter fields, some confusion arose in time about the type of gown and the specific color to denote various degrees. To introduce desirable uniformity and set up a clearing house for new developments, a commission representing leading American colleges produced The Intercollegiate Code in 1895. In 1932, a national committee of the American Council on Education revised this code into The Academic Costume Code. It was revised in 1959. Although not obligatory, most of the educational institutions in the country follow it in awarding their degrees, earned and honorary.

The most significant part of the academic dress is the hood. The color of its velvet border indicates the academic field, and it is lined with the color or colors of the institution granting the degree. The hoods of those receiving a Master of Arts or an honorary degree of Doctor of Letters have those same color indications, but each successively higher degree carries with it a longer hood. The doctoral hood also has side panels on the back.

Although most doctoral gowns are black with black velvet bars and panels, in some cases the color of the gown is that of the university conferring the degree. All such gowns have black bars and panels.

Academic fields may also be indicated by the color of velvet on the doctoral gowns; three two-inch bars on the sleeves and a five-inch border extending from the back of the neck down the two sides in front. For the degree of Doctor of Philosophy, the color is dark blue; for Doctor of Medicine, green; for Doctor of Education, light blue; for Doctor of Science, golden yellow. These colors also appear in the velvet of the hood unless the hood represents an honorary degree. The Doctor of Laws has purple velvet. The Doctor of Humanities is white, as is the Doctor of Letters. The Doctor of Public Administration has a hood with velvet in pale aqua.

Caps are black. Tassels are usually black for bachelor's and master's degrees, gold for doctorates. Gowns for bachelor's and master's are plain black, but sleeves of the latter are short with "trailing elbows." Doctoral gowns of European universities are usually very colorful. The caps are often of some soft material such as velvet and are ordinarily not of the conventional mortar-board shape. Several examples may be seen in the University faculty:

Arts, Letters, Humanities - white

Commerce, Accountancy, Business - drab

Education - light blue

Engineering - orange

Fine Arts - brown

Journalism - crimson

Law - purple

Library Science - lemon

Medicine - green

Music - pink

Nursing - apricot

Philosophy - dark blue

Physical Education - sage green

Science - golden yellow

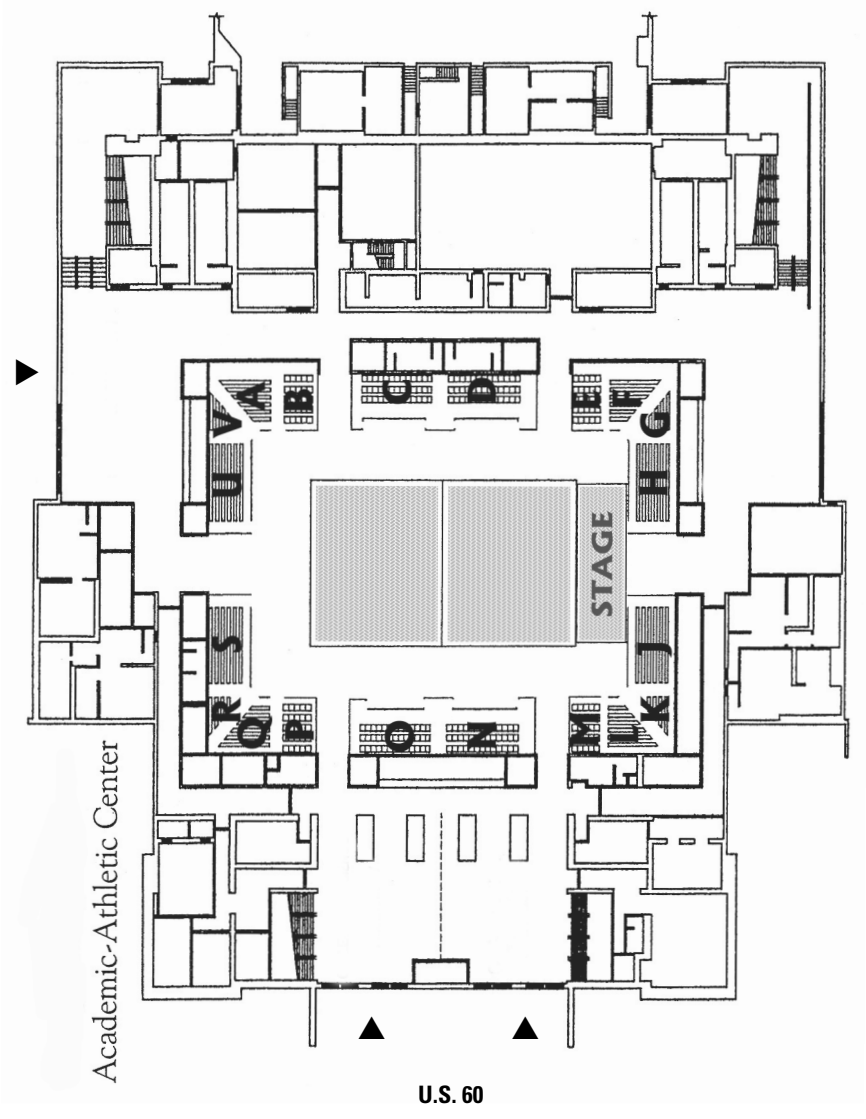

Social Science - cream

Theology - scarlet

Veterinary Science - gray

Nondiscrimination Statement

Morehead State University is committed to providing equal educational opportunities to all persons regardless of race, color, national origin, age, religion, sex, sexual orientation, gender identity, gender expression, disabled veterans, recently separated veterans, other protected veterans, and armed forces service medal veterans, or disability in its educational programs, services, activities, employment policies, and admission of students to any program of study. In this regard the University conforms to all the laws, statutes, and regulations concerning equal employment opportunities and affirmative action. This includes: Title VI and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Executive Orders 11246 and 11375, Equal Pay Act of 1963, Vietnam Era Veterans Readjustment Assistance Act of 1974, Age Discrimination in Employment Act of 1967, Sections 503 and 504 of the Rehabilitation Act of 1973, Americans with Disabilities Act of 1990, and Kentucky Revised Statutes 207.130 to 207.240; Chapter 344 and other applicable statutes. Vocational educational programs at Morehead State University supported by federal funds include industrial education, vocational agriculture, business education, and the associate degree program in nursing. Any inquiries should be addressed to: Affirmative Action Officer, Morehead State University, 301 Howell-McDowell Administration Building, Morehead, KY 40351, 606-783-2097.

Safety Notices

To ensure your safety during today's ceremony, please take note of the following:

- 1. Smoking, lighters and open flames are not permitted in the arena at any time.*
- 2. Locate your nearest exit. In the unlikely event of an emergency, follow the directions of the event staff and ushers. Do not follow the police, they will be going to the scene of the emergency. You will be directed to a safe area away from the arena.*

Alma Mater

(The audience is invited to participate.)

Far above the rolling campus,
Resting in the dale,
Stands the dear old Alma Mater
We will always hail.
Shout in chorus, raise your voices,
Blue and Gold - praise you.
Winning through to fame and glory,
Dear old M-S-U.
