# Commencement Profiles

---

**Dr. Joseph A. (Jay) Morgan** has served as the 14th president of Morehead State University since July 1, 2017. His focus at MSU has been on student success, performance outcomes, academic excellence, as well as university rankings and responsiveness to the region.

Prior to service at MSU, Dr. Morgan served as the state-wide chief academic officer and vice president for academic affairs and student success for the Kentucky Council on Postsecondary Education in Frankfort. Before state-wide service at the Council, Dr. Morgan served as provost and vice president for academic affairs at Murray State University, as well as associate provost, university faculty regent, leadership program director, graduate program coordinator, and professor/teacher educator. He also has early career service in business and as a high school teacher and coach.

Dr. Morgan holds a Ph.D. from Oklahoma State University, a B.S. and an M.S. from Murray State University, and completed a graduate track for school superintendent, as well as a certificate in management from Vanderbilt University.

Dr. Morgan currently serves as Board Chair of the Council of Presidents of the Ohio Valley Athletic Conference/ Division 1, as well as Board Chair of the Pioneer Football League, among other boards. He is a former board of trustees and executive council member of the Southern Association of College and Schools Commission on Colleges (SACSCOC). He has also served as a board member of a medical university, vice chair of a public university board, an economic development board, a bank board, the Kentucky Educational Professional Standards Board administering public school teacher licensing and educational standards, and on several foundation boards and financial boards. Additionally, his former public service includes four terms as an elected member of a city council, board president of a chamber of commerce, board chair of the United Way, was formerly named Citizen of the Year, is a Rotarian, and has been involved with economic development, banking and other regional initiatives. He has taught, worked and traveled in more than 15 countries for academics, business, research, and development.

Since joining MSU, the University has broken records for private fundraising for scholarships, student retention, U.S. News and World Report rankings, as well as logged several athletic championships. He has also led the way for major facility upgrades and a new building for science and engineering.

Dr. Morgan notes that MSU is striving to become a Top 10 Regional University in the South and to stay focused on student success, and we are well on our way.

**Keenan Conley** of Salyersville is the commencement speaker representing the College of Science. He is the son of Lora (Class of 2022) and Matthew Sellers and Rhonda Conley. He will graduate with a Bachelor of Science in Biomedical Science.

As an undergraduate student, Conley earned a 4.0 GPA and was on the Dean's List for seven consecutive semesters.

Conley is a member of the MSU Chemistry Club, the MSU Pre-Med Club, and the Herron Leadership Organization and served as service chair and biology tutor of the Tri-Beta Club. He is also a Delta Tau Delta Fraternity member, serving in roles including Southern Division Conference delegate, Karnea delegate, new member class president, secretary, alum coordinator, FAAR coordinator and vice president of communications. He is also a two-time recipient of the Delta Tau Delta Zeta Zeta Academic Scholarship.

Conley has participated in the Undergraduate Research Fellowship program since August 2020 under the mentorship of Assistant Professor of Biology Dr. Melissa Mefford. He designed and performed experiments using state-of-the-art methods to screen through yeast colonies to look for novel mutations within the telomerase RNA gene. Conley also performed data analysis using DNA sequence alignment software and Microsoft Excel. Conley and others presented their findings at the 2022 Celebration of Student Scholarship, where he received an award of merit based on his group's poster presentation. He also shared his research through a virtual talk at the Southeast Regional Yeast Meeting as one of the few undergraduate students to participate.

Conley currently works as a patient care coordinator for Be You Medical Spa in Prestonsburg.

While at MSU, Conley completed the Rural Physician Leadership Program Bootcamp. He was one of five students awarded automatic conditional acceptance into the University of Kentucky (UK) College of Medicine through its Early Assurance Program. Conley is enrolling in the UK College of Medicine's Rural Physician Leadership Program as an M.D. (Medical Doctor) candidate.

**Kelton Crank** of Pikeville is the commencement speaker representing the Elmer R. Smith College of Business and Technology. He is the son of Johnna Stafford. He will graduate with a Bachelor of Business Administration (BBA) in Healthcare Management.

As an undergraduate student, Crank earned a 4.0 GPA and was on the Dean's List. He also was accepted into the AHEC (Area Health Education Center) Scholars Program, a program to strengthen healthcare professionals.

Crank's extracurricular activities included serving on the Student Government Association (SGA) as vice president, commuter representative and chief of staff. He was first chair on the Funding and Awards Committee, a member of the Traffic and Appeals Committee, the Undergraduate Curriculum Committee, and the Kentucky Rural Health Association. Crank is also a Beta Gamma Sigma honors society member and an Advocacy Fellow for the Fund for Global Health.

Crank completed two healthcare internships in 2021. He was a physician practice administration intern for Pikeville Medical Center in Pikeville and a healthcare administration intern for St. Claire Healthcare in Morehead. On campus, Crank also worked as an Information Technology student resource specialist and a tutor at MSU's Tutoring and Learning Center.

Crank was awarded the James Still Fellowship and will continue his education by completing the Master of Health Administration program at the University of Kentucky. He aspires to be a director within the healthcare system and, eventually, a legislator focused on healthcare policy.

# **The University Mace**

---

The practice of carrying a mace in academic processions dates to medieval times in England when a person bearing a mace, a formidable weapon, walked in front of the highest-ranking official as they entered and departed ceremonial occasions, to protect him or her from personal injury.

As adapted by European and American universities, the mace has become a symbol of office to the institution's president and is carried by a distinguished member of the faculty. At Morehead State, the joint office of faculty grand marshal and mace bearer is held by the current recipient of the Distinguished Teacher Award.

The mace of Morehead State University was fashioned from Eastern Kentucky walnut in 1984 by John S. VanHoose, a retired faculty member from the Department of Industrial Education and Technology.

## Academic Costumes

---

The wearing of academic costumes is a custom that goes back to the Middle Ages. Since the early European and English universities were founded by the church, the students and teachers were required to wear distinctive gowns at all times. Although the custom was brought to this country in Colonial days, the requirement for students was soon dropped. The custom for professors was confined to special occasions such as graduation exercises and inaugurations of new presidents. With the increase in the number of educational institutions and the development of new subject-matter fields, some confusion arose in time about the type of gown and the specific color to denote various degrees. To introduce desirable uniformity and set up a clearing house for new developments, a commission representing leading American colleges produced The Intercollegiate Code in 1895. In 1932, a national committee of the American Council on Education revised this code into The Academic Costume Code. It was revised in 1959. Although not obligatory, most of the educational institutions in the country follow it in awarding their degrees, earned and honorary.

The most significant part of the academic dress is the hood. The color of its velvet border indicates the academic field, and it is lined with the color or colors of the institution granting the degree. The hoods of those receiving a Master of Arts or an honorary degree of Doctor of Letters have those same color indications, but each successively higher degree carries with it a longer hood. The doctoral hood also has side panels on the back.

Although most doctoral gowns are black with black velvet bars and panels, in some cases the color of the gown is that of the university conferring the degree. All such gowns have black bars and panels.

Academic fields may also be indicated by the color of velvet on the doctoral gowns; three two-inch bars on the sleeves and a five-inch border extending from the back of the neck down the two sides in front. For the degree of Doctor of Philosophy, the color is dark blue; for Doctor of Medicine, green; for Doctor of Education, light blue; for Doctor of Science, golden yellow. These colors also appear in the velvet of the hood unless the hood represents an honorary degree. The Doctor of Laws has purple velvet. The Doctor of Humanities is white, as is the Doctor of Letters. The Doctor of Public Administration has a hood with velvet in pale aqua.

Caps are black. Tassels are usually black for bachelor's and master's degrees, gold for doctorates. Gowns for bachelor's and master's are plain black, but sleeves of the latter are short with "trailing elbows." Doctoral gowns of European universities are usually very colorful. The caps are often of some soft material such as velvet and are ordinarily not of the conventional mortar-board shape. The colors of the academic regalia at Morehead State University are representative of the institution's traditions and are as follows:

*College of Science - Gold*

*Caudill College of Arts, Humanities and Social Sciences - White*

*Elmer R. Smith College of Business & Technology - Drab*

*Ernst & Sara Lane Volgenau College of Education - Light Blue*

### **Safety Notices**

*To ensure your safety during today's ceremony, please take note of the following:*

- 1. Smoking, lighters and open flames are not permitted in the arena at any time.*
- 2. Locate your nearest exit. In the unlikely event of an emergency, follow the directions of the event staff and ushers. Do not follow the police, they will be going to the scene of the emergency. You will be directed to a safe area away from the arena.*

## **Alma Mater**

*(The audience is invited to participate.)*

Far above the rolling campus,  
Resting in the dale,  
Stands the dear old Alma Mater  
We will always hail.  
Shout in chorus, raise your voices,  
Blue and Gold - praise you.  
Winning through to fame and glory,  
Dear old M-S-U.
