MINIMUM OBJECTIVE
\$30,000,000

The funds generated through **EMBRACE THE FUTURE** will be used to:

1. **Establish 200 new Christian Church (Disciples of Christ) congregations** throughout the United States and Canada, provide and train clergy and lay leadership to develop these congregations, and nurture them in their early years.
\$15,000,000 (50%)
2. **Meet capital needs overseas** by providing capital assistance in the areas of education, medicine, development, and evangelism.
\$7,500,000 (25%)
3. **Support congregations to become more vital.** Our funding through **EMBRACE THE FUTURE** will make congregational vitality possible in every region.
\$3,000,000 (10%)
4. **Support Clergy by adding to the Endowment Fund** to aid retired ministers, missionaries, and their spouses. A small portion will help ministers and seminary students in crisis situations.
\$3,000,000 (10%)

5. **Support construction of Disciples Center International** by giving every member of the church an opportunity to contribute to this venture. DCI will enable more efficient programming for the church by housing several general units in one cost-efficient facility in Indianapolis.
\$1,500,000 (5%)

A portion of all funds raised, approximately 8%, will be used to cover the cost of the campaign. This amount is in keeping with the standard costs of maintaining a capital campaign such as ours.

As Disciples, we are called to respond to **EMBRACE THE FUTURE** with our prayers, our resources, our lives. Never before have we undertaken a denominational effort to raise capital funds — never before!

But we will. By God's grace, we will achieve the goal: not simply of dollars pledged and received, but of mission and ministry carried out in the name of Jesus Christ.

\$ 14,986 . . .

This campaign is to be completed in 1996 but pledges may be paid immediately.

Our yearly outlay, if we should decide to pay it that way is

\$ 2,996 . . .

we need . . . 15 . . . \$ 1,000 gifts or

30 . . . \$ 500 gifts or

- B. Composition of the Board of Directors - The Board of Directors shall be composed of those persons who are members of the congregation and who have been elected by the congregation, as officers, elders, deacons, honorary elders, and honorary deacons. Presiding officers of organizations within the church and committee chairpersons who are not elders and deacons should attend Board Meetings in an advisory capacity and to obtain information concerning church policy and events.
- C. METHODS OF SELECTION OF BOARD MEMBERS
 1. The standing Nominating Committee to select elders, deacons and officers of the corporation, shall be composed of one elder, two deacons and three members of the congregation. The members of the Nominating Committee must be approved by the Board of Directors. The President shall then name the chairperson of the Nominating Committee in their recommendation to the Board.
 2. The Nominating Committee, through the Echo, shall give each member of the congregation the opportunity to submit names of individuals who should be considered for membership on the Board of Directors.
 3. The Nominating Committee shall present its proposed list of nominees to the Board of Directors at least two weeks prior to the annual congregational meeting, so that the Board may recommend approval of these individuals to the congregation at its annual meeting.
 4. Members of the congregation may make nominations from the floor.
 5. All nominees must give their consent to be nominated.

- 6. Nominees are to be elected by a simple majority of those present by voice vote unless a secret ballot is requested.
- 7. The President of the Board is responsible for the publication of the election results in the Echo.
- 8. Newly elected members of the Board of Directors will assume the duties of their office at the first meeting of the Board of Directors after their election.

D. QUALIFICATIONS AND NUMBERS OF ELDERS AND DEACONS

- 1. Qualifications of Elders and Deacons - The Nominating Committee shall consider for the offices of elders and deacons those members of the congregation who have shown evidence of their desire to further the cause of Christ by regular church attendance and financial support of the church, who have shown concern for fellow human beings, and who have been striving to live a life which follows the teachings of Christ. The members of the Nominating Committee should read I Timothy 3:1-13.
- 2. Number of Elders and Deacons - The Nominating Committee should attempt to keep the number of board members to a minimum. The number of elders and deacons may be determined as follows: one elder per thirty (30) members and one (1) deacon per ten (10) members. Honorary elders and honorary deacons shall be in addition to the number of Board members recommended in the preceding statement.

E. TERMS OF OFFICE FOR ELDERS AND DEACONS

- 1. Elders - Elders shall be ordained in this congregation for life. Elders may resign their position by notifying the Board of Directors in writing or by transferring membership.
- 2. Deacons - Shall be elected to serve three years and shall not be permitted to serve two consecutive three year terms. a Deacon who is asked to fill an unexpired term for another Deacon shall be eligible for election to his or her own three year term.
- 3. Honorary Elders and Honorary Deacons - Honorary elders shall be ordained for life. Honorary deacons shall be installed for life.

F. ELDER ORDINATION AND DEACON INSTALLATION - Elders and deacons shall be ordained or installed within two months after they are elected to office. Ordination and installation shall be the responsibility of the minister and the chairpersons of the elders and deacons.

G. DUTIES OF ELDERS AND DEACONS

1. Duties of Elders - The Elders, in cooperation with the functional committees of the church, shall promote the growth and welfare of the church; shall provide spiritual guidance to the members of the congregation; shall encourage by example and word the missionary, evangelistic, educational, and stewardship responsibilities of the church; shall be a teacher concerning the message of Christ; shall serve at the Lord's Table; shall assist the minister in the visitation of the sick, elderly, and troubled; shall upon request take communion to those who are unable to attend church; shall serve in an advisory capacity to both the minister and members of the congregation; and shall perform other duties as assigned by the Board of Directors and/or the congregation.

The Board of Directors recognizes that elders may not feel comfortable performing some of the above duties (i.e. public speaking, hospital visitation, mission work, etc.). Therefore, an elder may state a preference to concentrate in certain areas where the person would feel most comfortable, recognizing that the spiritual nature of the position of elder is the most important quality of the office. Scripturally, the background for understanding this paragraph is Ephesians 4:11-16.

In order to more effectively serve the members of the congregation and to provide for more effective communication among the members of the congregation, the congregation shall be divided into small groups (flocks) of 10 to 20 families. **WORSHIP COMMITTEE
MINUTES
JANUARY 19, 1992**

The Worship Committee met on January 19, 1992 in the Church parlor. Members present were Eva Johnston, Faith Fannin, Hedy Caldwell and Yvonne Baldwin.

Harold told us that he has been in contact with the Black Gospel Ensemble and that they may sing on February 9. We discussed other special music for Lent and Easter. Harold asked that we contact Suanne Blair and ask her to play one Sunday during Lent. Yvonne said she would contact her. Hedy said it would be nice to have Jon Burgess back with the brass choir for Easter Sunday and Yvonne said she would contact him.

Hedy is currently working on two bell choirs - adult and child, and is working with a group to reorganize the music library. Choir robes need to be cleaned. Hedy will arrange to have that done.

The issue of replacing Brian at the organ was raised. Hedy mentioned that Myron Doan may be interested, and Yvonne said she would contact him before we make any announcement formally about the opening.

Harold passed out a sheet concerning upcoming concerns for the committee. A copy is attached. Yvonne takes care of the parament changing. The committee will need to assist in finding ushers and bulletin passing out. Alan Baldwin agreed to make the life-size cross for the Good Friday "Way of the Cross."

The Committee agreed to plan a farewell for Brian and will work on that as May approaches.

The Worship Committee will not meet in February. We already know what we have to do for Lent and Easter, but will meet at the designated date and time in March.

FOLLOW - UP REPORT: Yvonne contacted Suanne Blair and she said she will be delighted to play during Lent. Hedy should call her to arrange the specifics. Jon Burgess said he and a student will play for us on Easter, and I told him Hedy will call him to arrange the specifics. Hedy had asked when was a good time to call him - he has a very busy schedule - you just have to catch him. Or call him at home. Yvonne also spoke with Myron and he said he would think about it and call back.

Worship Committee January 19, 1992

Liturgical colors January 19 - March 7 Green
March 8 - April 16 Violet
(This is the season of Lent)
April 17 - Good Friday - Red
April 19 - Easter - White

The Good Friday Service will be held in our Church at Noon on April 17

We will need ushers to pass out bulletins and to seat people.

The Cross that is made from the Christmas Tree should be draped in black.

We will need a life size cross made of slab to be carried by those who are part of "the Way of the Cross" if this could be placed in a stand at the beginning of the service it would be impressive.

We need to be looking for an organist. Brian will graduate in the spring and will be leaving us. Now is a good time to be thinking of prospects to fill this position.

Perhaps the Worship Committee would like to plan a farewell for Brian?

We need to make plans for Palms for Palm Sunday and we need to advertise in the ECHO and the Bulletin for Easter Lillies or other flowers we might want.

Something should be prepared soon for the March ECHO concerning Easter Flowers

Will we hire trumpets for Easter, as we did last year? If so we need to be engaging those who will join us in special music?

FIRST CHRISTIAN CHURCH, INC.
BOARD MEETING
APRIL 27, 1992

The meeting was opened at 7:30 p.m. by Marge Thomas, and Rev. Tackett gave the opening prayer. Those present were: Marge Thomas, Doug Thompson, Tommy Griffith, Rev. Tackett, Alex Conyers, Jack and Scharline Whidden, Randy Wells, Helen C. Patrick, May Williams, Grace Cassity, Shirley Parker, Bill Davis, David and Darlene Perkins, Glenn and Eva Johnston, Al Evans, Martha Caudill, Ron and Di Walke, Chlo Calvert, Barbara Tackett, and Betty Hall.

The minutes of the last meeting were distributed and corrected to show that Ron Walke attended the last meeting and that it was he, not Di, who seconded the motion recommending Lisa Caldwell as a candidate for ordination.

Treasurer Alex Conyers made a few comments on some items in the treasurer's report. Two of the youth from our church, Emily Tingle and Heather Huie, will be attending Camp Wakon' Da-Ho. The treasurer's report was accepted.

COMMITTEE REPORTS:

WORSHIP - Marge pointed out the sandwich-salad lunch on Sunday to honor Brian Register. Di Walke moved that a \$200.00 tuxedo be purchased for Brian by the choir and church members. The motions was seconded by Bill Davis. Marge thanked the Worship Committee for the beautiful Easter service.

PROPERTY - David Perkins reported that a person had been hired to care for the yard.
Di Walke questioned a spot on the wall.

STEWARDSHIP - No report

SOCIAL ACTION - No report

WORLD OUTREACH - No report

EDUCATION - Marge reported that she had talked with Sarah Chaney and that Senior Recognition Day will be May 31. We have six high school seniors and they are: Susan Whidden, Tiffany Buckner, Dara Alderman, Nathan Tingle, Alan Evans and Chris Perkins.

LIVING MEMORIAL - Randy Wells expressed the committee's concern over low interest rates. The Bond Fund of America was reported as earning 7.6 with a one time front and load of 4.75. After discussion it was the general consensus of the board to diversify. Marge reported that the Living Memorial Committee did approve at their last meeting using the Living Memorial Fund interest to pay building debt interest.

ELDERS - Tommy Griffith informed the Board of Jack Bizzel's letter of resignation due to health reasons. Tommy made the recommendation to recognized Jack's years of dedication and board work.

DEACONS - Darlene Perkins gave the following list as deacons served in May: Tiffany Buckner, Rex Chaney, David Perkins, Tom Clayton, Jack Landreth and Di Walke.

CWF - No report

BY-LAWS COMMITTEE - Shirley Parker reported that the committee felt that the Board did not approve of most of their recommendations. She offered a temporary solution. Add the word "officer" to Article II, Section B. Jack Whidden made the motion to do so and Bill Davis seconded it. It was suggested that the Board vote on the By-Laws item by item.

Chlo Calvert expressed concern over deacons who do not attend church or serve as deacons. Grace Cassity suggested a letter be sent to deacons to see if they want to serve before they are appointed.

Marge reminded the Board that all committee's meet on the third Sunday. The next meeting will be May 17. She urged all members to attend so plans could be made for summer activities. The May Board meeting is cancelled as the fourth Monday is on Memorial Day.

MINISTER'S REPORT - ATTACHED - available upon request. Property committee was to investigate placing a sign to announce worship time. The State Assembly will meet in Louisville at the Beargrass Christian Church, September 17-19. Rev. Tackett and Alex Conyers will be attending. Three other delegates are needed. Jack Whidden dismissed the meeting with prayer at 8:25 p.m.

FIRST CHRISTIAN CHURCH, INC.
EXECUTIVE BOARD MEETING
APRIL 2, 1992

Those attending this meeting were: Marge Thomas, Harold Tackett, Doug Thompson, Tommy Griffith, Alex Conyers, Jack and Scharline Whidden, Randy Wells and Betty Hall.

Tommy Griffith reported the letter of resignation of Jack Bizzel as elder due to health reasons. He suggested a plaque or letter. Jack asked about honorary elder for Jack. Harold said to accept resignation and that the elders nominating committee would need to decide that. A letter from Tommy and the board should be written accepting his resignation.

The State Assembly will meet July 17-19 in Louisville at the Bear-grass Christian Church. Harold and Alex will attend. Three delegates from our church are needed. Marge agreed to be one of the delegates.

Marge requested cancelling the May meeting as it falls on Memorial Day.

Brian Register will be here two more Sundays and will sing both Sundays. The choir is taking up money for a tuxedo for Brian. There will be a sandwich-salad luncheon after church, Sunday, May 3, to honor Brian.

Harold announced that Brian's father wants to give \$1,000 toward a new piano. The church will need to supply the additional funds. The total cost is \$3,000 - \$4,000.

Randy Wells expressed the Living Memorial Funds Committee's concern over low interest rates. He recommended Bond Trust of American that was paying 7.6 but had a one time front end load of 4.75. There is a small degree of risk but it is safe enough to be considered. Randy needs feedback from the Board.

Minister's Report for April 1992

Four new members were added to the Church in April

1. Samantha Davis by Cnfession of Faith.
2. Kermit Vencil " " " "
3. Dara Alderman by transfer from First Church of God.
4. Chase Alderman " " " " " " "

One Young couple has been attending but says they had a hard time finding out when we Worship.

They point out that we do not advertise in the paper, or the Phone Book and that we do not have a sign that gives such information.

I am inclined to think that we need to investigate a sign soon.

* * *

Next Sunday I will build the morning worship service around the Ordinance of Baptism.

Samantha and Kermit will be baptized. I will try to make this service informative and inspirational both for them and for all who attend.

* * *

This month I have conducted funeral services for

William Allen Akin, son of Lola Belle Blair

Edward J. Mocabee, a hospice patient

Imogene Thmpsonn, mother of Doug Thompsonn.

* * *

The Easter Offering was excellent. Over and above our regular giving, we raised \$750 for World Outreach and \$159 for the Christian Church Homes in Kentucky.

* * *

Next Sunday . . . we will have a pot luck dinner and reception in honor of Brian and Dan.

We all need to make it a point to hug them and send them on thier way.

Last Sundav's "Service of Comissioning" for Dan Netting was a

much in preparing him for ministry. Dan will be Ordained in Pennsylvania, May 31.

Brian's last Sunday will be May 17. We have been most ^{fortunate} ~~fortunate~~ to have him in our music program.

I hope you will consider employing another Seminary Student in the fall. We might consider it an outreach of the Church as we provide opportunity for a Seminary Student to try his/her wings in preparation for ministry.

Coming up . . . John Williams will preach in my absence, Sunday Morning, June 21.

AN INVITATION:

The Grotes have invited the church family to a reception at the M.S.U. President's Home on Sunday afternoon, May 31, between the hours of 2 and 4 p.m. There are at least two reasons for the invitation:

First, Wilma and Nelson want to thank the First Christian Church family for their love and support over the 16 years they have been members. The friendships they have established over the years are very important to them.

Secondly, there is a significant historical relationship between the First Christian Church and Morehead State University. Young Frank C. Button was minister of the Christian Church over a period of 28 years while simultaneously serving as principal of the Morehead Normal School for 22 years and six years as president of Morehead State Normal School and Teachers College. Later, there was a relationship between the church and the Lappin family and, more recently, with the Grotes. It is interesting that all three families came from Illinois. This unique relationship between

the church and the leadership at the University needs to be understood and appreciated by the church family--particularly by younger generations. Harold Tackett will present a sermon on the historical development of the Christian Normal School and its relationship to the First Christian Church of Morehead prior to the reception.

While the Grotes will be personally inviting everyone to come to the reception in their home during one or more of the forthcoming church services, this written invitation is to allow each of you to put the date on your busy calendars. Remember, the event is informal, and there will be light refreshments and lots of good conversation.

HOW TO PLAN AND PREPARE FOR A REVIVAL

A successful Revival does not just happen . . . it has to be conceived in the minds of interested people in the Congregation where it will happen, and pursued with much prayer and planning.

The following is a suggested "Time Line" for a successful revival.

Step 1

Establish the need for Revival in the Local Church, a year before it will happen and appoint a committee to plan and prepare for Revival.

Step 2

Set date, time, and duration of the Revival.

Step 3

Engage an Evangelist . . . a song leader . . . and special music.

Step 4

Next, enlist callers and begin to train them for their task, at least 9 months before the Revival.

Step 5

About 6 months before the Revival, do a telephone survey . . . call every home in the Phone book to discover the unchurched in your community.

Develop a profile of the unchurched . . . single, married, widow/widower, school age, middle age, elderly.

Step 6

Match callers with prospects carefully, and begin to make cultivation contacts . . . visit . . . invite to Church . . . invite to fellowship functions . . . be a friend . . .

Step 7

Six months before the Revival, set a numerical goal . . . a number of persons you expect to win to Christ during this Revival.

Ask persons in the congregation to covenant to pray daily that this number of people may be won to Christ and His Church through this Revival.

Step 8

Three months before the Revival, begin regular weekly visitation. Call on every prospect . . . make a friend . . . talk about the Revival.

Step 9

Promote attendance . . . appoint a captain for each pew, and ask that person to invite enough people to the Revival to fill his/her pew.

Rotate Pew Captains so that everybody in the Congregation has this responsibility at least one night.

Step 10

Prepare to receive new persons into the fellowship of the Church . . . and send them out to bring others to share their new found Faith.

EVANGELISM AND MEMBERSHIP COMMITTEE

August 16, 1992 - 7:30 p.m.

Present: Ann Buckner, Chairman, Carolyn Franzini, Mabel Reynolds, Paul J. Reynolds, Oran Teater, Rev. Harold Tackett.

A discussion was held to decide what we can do to increase membership. We mentioned there is a lack of programs offered to attract people to the church. There seems to be a lack of communication about Sunday School Classes - Perhaps teachers could call students? There was quite a bit of talk about people don't know which flock they are in, also what is the purpose of the flocks? We would like an up-to-date printed list of each Elder and his or her flock.

It was mentioned about how few of our church people are in Sunday School. The Elders are the spiritual leaders in the church to promote the growth and see to the welfare of the church. They should be setting an example by being in Sunday School. The Deacons should also be setting an example by being in Sunday School, so if you are one of these and have not been attending Sunday School my committee feels you are not fulfilling your responsibilities and we ask you to seek out one of your choice and begin immediately!

Each person in the congregation is actually a part of our committee. It is each members responsibility to seek out friends, neighbors, business associates etc. and invite them to church to promote the growth of our church and care for the goals of all people.

It was suggested that each flock could take a month and be responsible for having one social gathering at the church. It could be a dinner, workshop, pie supper, auction, entertainment or whatever they want but it would be an opportunity for the flocks to do something together and also a chance for the church people to have fellowship together.

We decided to get a completed and up-to-date list of our members and friends of the church and have a copy available to everyone. We also decided to take pictures of each family and put on the wall in Fellowship Hall - Meet Our Church Family and Friends. This way our members will be able to call each other by names and also any visitors could put a name with a face.

We decided to have a time during worship to recognize visitors. If they raise their hands we'll have members take a care to them to fill out.

We asked Harold to give us a list of all possible new members and we would see that they are contacted.

We discussed having a take home insert in the bulletin. One side will say -Prayers and Concerns - this will be any of our members, friends, etc. that need to be remembered. The other side - Joy and Praise - This will be anything we need to be thankful for or to celebrate with members or friends. This will be mentioned each week and updated weekly by calling church or me.

We discussed the need for revival within our church. Harold presented a plan for a Revival which we agreed to support if the Board agreed to be responsible for carrying it through. He will give a copy to all Board members to read and have a month to think about then report back in September.

It was recommended that our P. A. System is outdated and inadequate and suggested that we get one where everyone can be heard whether it be from the pulpit or during communion or the children giving a play or presentation.

We will get a list of all new people coming to the community, and send them letters, and follow up visitors with a letter or a visit.

Carolyn offered to give a workshop to help the Sunday School Teachers to have more unique, creative and exciting ideas.
