Dear ones. Received your card and am so grateful for your interest in my boy. He has had some very trying experiences and I have been telling him to attend church services as it would be a help to him. I dont suppose he told you he has two brothers in service one on the Pacific one in Alaska. my son in Alaska wrote me he is ⁱⁿ a little village church choir and the soldier boys have organized a Sunday School class of their own Asking you for your prayers for my boy. I remain
