Our heighbor, too, unintentionally we have no doubt, misrapresses to or position in regard to Southern men setting with the black republicans. We have never said, directly non-indirectly, appeals no be implication, that a southern man should be discountended to the southern man should be discountended to the southern man should be discountended to the southern man should be discountended, and the southern man should be discountended, and the southern set to to have not the state of the southern special special southern special specia

black republican in either branch of Ungress is opposed to the admission of Kansat under the Lecompton constitution. All
the destinents in both Houses of Congress,
axcept about twenty, are infavor of it. Not
one demerat from the South is opposed to
it. The Northern democrats who finally
tot against it, will not be longer considered
as members of that party. Under theseticmuniscace, we insist, that the Southern
confidence of the property of the Confidence of the property of the
admission of Kanese with order against the
admission of Kanese with the Confidence of the South. It
is under these circumstances that John Bell,
of Tenn, and J. J. Crittenden, of Ky, voted
with Hales, and Saward, and Summer, and
Wilson, and-soutres Southern man will ever
trust them again. It is under these circumstances that the Lonizvilla Journal and the
Asyrville Engles are endeavoring to prevail
upo n Manhall, and Underwood, and other
Southern know nothing members of Congress, to vote with the abolitionists and
against the South. Every need frees mem-

Are well be merited.

GT We agree with our neighor, that it is abund to suppose that the people of a territory who are left perfectly free to form their tory who are left perfectly free to form their tory who are left perfectly free to form their tory who are left perfectly free to form their or and their own; and therein lies the abundance of the their own; and therein lies the abundance of the action of the know nothing convention. The people of Kansas have formed their domestic institutions in their own way, but because they did not do so in a manner to unit the Engle, it instits that Congress shall reject their application for admission into the Union; consequently, when the Engle endorses resolutions declaring that the popular of the territories shall be left free to form their own constitution, we are bound to suppose that he means they shall form it in his way; and as the convention endorsed the Engle in tecoposition to the admission of Kansas, we could not do otherwise than believe that it means to pat the same construction outreation.

upon their resolution.

If the convention hal added the words "
their own ways" to the resolution it adopts
it is would have been a direct sectorists
the action of the people of Kanna, who form

This was a strength, will enable us to encount and in or uticket.

The friends of the great "Bix Rax" are bousting very loudly of his election. Well, we will see when August comes, and if the 'wiens of the times' do not prove to be false. leave of the immediate nonleave greated.

(CTBs Washington Lines thinks the
less repeated Senate Ball, of Tenn, in opposition teth deminston of Kanase, the most
remarkable one he ever made, as he told
which side of the question he was on in the
first hour of its delivery.

(CTW less it stated in some of our exchanges, that Sorgho Syrup is an effectual
remark for whooping cough. Given to
children in occasional dones of a ten spoonful when the cough is troublesone, it is said
to give marked relief. It is pleasant, and is
worth a trial.

(CTW less in the state of the cough is troublesone, it is said
to give marked relief. It is pleasant, and is
worth a trial.

(CTW less in the state of the cough is troublesone, it is said
to give marked relief. It is pleasant, and is
court Martial, before which he was lately
straigned for challenging (den. Harney, upon
sery specification of every charge preferred
against him. The War Department disapestis finding: but no new court icorcitis finding: but no new court icorwhere the court is completed.

(CHTMTE, Editor of the Sheborgen
Nouveelon, in a letter dated Spp. (b), 1564,
thus a trimming.—

"He state of the motive who have
defined with a band of inconduries who have
demonstrated with a band of inconduries who have
demonstrated with a band of inconduries who have
served the state of the

"You will observe that I have published several certificates itsely. These are not more 'puffs,' but literally true; and ahould you continue advertising with us, you may expect to secure large orders, from every ledical estimations in the United States."

This is an extract from cos of the many letters received from the Illiand settlements. Sarely when Illianders recommend the Holland Bitters owwards, American may not healtste in testing its virtues for themselves.
