

March 18, 1943

My dear Mrs Sandset.

Received your card and I certainly appreciate your kindness in this matter. It means so much to me. I am all alone now. My two boys are in the Navy and Mr. Wulthrich is a civilian worker for the Navy at Trinidad B.W.I. Willard has never missed having a birthday cake and do want this year to be the same.

I am enclosing a draft for \$3.00. The extra dollar is to defray any expense you may have to carry out this request. I don't want you to feel I am paying you, if you don't want the dollar just drop it in the collection box Sunday.

Willard's birthday is April 3rd. and that falls on a Saturday. so I think the cake should be delivered in the morning. He may have liberty that week-end and take a notion to scoot out of town till Sunday night.

you take care of this for me

and I will be forever grateful.
Probably some time in the future
I may be able to render you
a service.

The cake is to go to:

Willard C. Wuthrich & 1/2
Thompson Hall Sec 14-A.
20th birthday.

Thanks again and God
Bless you.

Respectfully yours.

Hennetta Wuthrich
(Mrs. J. Wuthrich)

P.S. Am enclosing cash
instead of check.
