Or COURSE.—The case of Honlington, as we naticipated, is likely to afford another instance of the facility with which great regues align through the meshes of the law. The Journal of Commerce says:

"We have been the opinion expressed by some of our shrewdest lawyers, that it is very compared to the forger, even though the possession of the forger part of the course of the forger part of the forger part of the course of the course of the forger part of the course part of the forger part of the course of t

reading of the law."

Alfred Thrutus has resigned the office of Cashiero't ha Bank of Louisrille in that city, and Charles Tilden has been elected his escreen. It is also stated that Namoel Hughes, late tailer in the same latitution, has been elected Cashier of the Bank of Louisrille at Peducah, to Sil the transport occasioned by the death of Adam Ranhin.
