In Accident Near Olive Hill Swift Mine of tradition and story Monday While Cleaning up a Wreck.

CRUSHED BENEATH ENGINE

Was a Mr. Kennedy; the Dead; Johnson and Clemens Seriously and Probably are Fatally Injured.

A wreck occurred on the Lexington division of the C. & O. at Corey Switch, about 3 miles East of Olive Hill, Sunday night Grand Jury Return No Indictand though no one was injured in the accident, one man was killed and two others so seriously hurt that they may die, in an accident which occurred while the crew was cleaning up the

was in the overturn of the large engine used as helper to push While it was on return to Aden from a trip it had turned over on rounding a curve.

Grappling chains had been thrown around the engine, and the monster was suspended in the chains slipped and the engine was precipitated to the ground. A Mr. Kennedy, of the wrecking crew, was caught fair under the engine and crushed to instant death. A Mr. Johnson was also caught midway the body by the brojecting engine and his back was broken and twisted, besides fearful and most probably fatal internal injuries which he received. A Mr. Clemens, third injured of the crew, escaped with a crushed arm and painful, but not dangerous wounds about his bodputated. A special car took all Awarded by Pabucah Grand three to Huntington, the injured

Johnson and Clemens are both young men and single. Kenedy leaves a wife and some small children.

to the C. & O. hospital.

MOUNTAIN OF WEALTH

For Kentucky May Yet Be the Result of Search for "Swift's Mine."

Most probably the legend of most probably the legend of Swift's silver mines will never die in tradition and history. An exchange notes that a gold nug-get was picked upby a lady on the shore of the Kentucky. Dis.

was popularly supposed to be cated at the headwaters of Kentucky in Morgan or Wolfe

This famous Swift mine has thought to have been found several times. John Ramey, of Ol-will make no more a ive Hill, claims to have found a or predictions regarding mine of silver somewhere in this able time when he well vicinity and is making arrangements to develop it soon.

EVIDENCE INSUFFI-CIENT TO INDICT.

ments Against Night Riders at Carlisle

The Nicholas county grand jury he crew was cleaning up the at Carlisle made the following CASIEST WINTER IN YARS

A big wrecking crane was sent tions into the killing of Hiram down from Huntington to the Hedge which occured recently Has Been the One Just Past. IL wreck scene and found the wreck after hearing witness at Carlisle found no indictments for night riding or for the killing of Hiram heavy trains over Corey Hill. Hedges: Regarding the investiga tion the grand jury made the following report:

"We have made a thorough inwe have made a motodga ...
vestigation into the matter of
night riding, including the death
of Hiram Hedges, having examined eighty or more witnes have reached our ears, but we are unable, from the evidence before us to make any indictments of any person, either for night riding or the killing of Hiram Hedges. The death of Mr. Hedges we regard as most deplorable, and we know that it has brought reproach upon the fair name of our county. but the perpetrators being shielded under the cover of darknass renders it beyond our power to determine who is guilty.

\$35,000 DAMAGES

Jury to Hollowell against Night Riders.

In the Unitd State Court at Paducah the jury awarded Robert Hollowell \$35,000 damages a-Hollowell gainst 28 alleged night riders of Caldwell county. It is believed that this verdict will be the death warrant of night riding. The attroneys for the defense were allowed thirty days to file a bill of exceptions; at least fifteen of the defiants are large land owners. The suits of Mrs. Robert Hollo-well will be tried at the fall term.

THE THREE STINGLEST MEN

An exchange tells of the three stingjest men on record. The first will not drink water it unless is from a neighbors well; the secget was picked up by a lady on is from a neighbors well; the secthe shore of the Kentucky Riv- and followed his family to write in Franklin county this week, anything but a small hand as it and some of the Older inhabit wastes ink; the third stopped the ants claim to have heard Indian clock at night to save wear and legends to the effect that the bore their harvest of gold ore. The lead mines of that county and Scott are now being success-what about the fellow who reads fully worked and traces of silver have been seen for years on the Upper Kentucky. The famous for it?

HOARDED MENTS A CATTLE

Hearbest money is coult. It doesn't put no wayes. It have no grecerees. It should be progressed, the production of the proper of

butcher, the grocer and store keeper, keeping in continual cir-culation. Money in itself is of no value to anybody except the miser. It is not edible until it is exchanged for food. It does not keep off the rain until it is paid out for rent. It does not protect out for rent. It does not protect from cold until it is exchanged for clothing. Idle money is the most useless commodity in the world. What money a man does ot need to pay his bills he shoul deposit in a bank, where it will be put to work. In a bank's vault money is a basis for credit, and credit is necessary for prof-itable business. The worst place for a man to keep his money his pocket. It burns holes there. It is a constant temptation to excessive expenditure. The mon-ey which a man does not need for his necessary purchases of food and clothing and shelter should be put to work. Do not hoard it. Its possession is the cause of carcless worry. The hoarding of money is the surest way to check prosperity and to ple who do the hoarding. - Ex.

ADVERTISING MUST BE KEPT GOING.

"To discontinue an adveitise-ment," says John Wanamaker, Philadelphia's greatmerchant, is like taking down your sign. If like taking down your sign. It you want to do business you must let the public know it. Stand-ing advertisements are better and cheaper than reading notices. They look more substantial and businesslike and inspire confi-dence. I would as soon do busi-ness without clerks as without advertising."
