And now insolitude, in sorrow and gloomy retrospection I pass my days, uncheared by one bright hope. Yet I have repented, Oh! deeply, futly, repected, and now I recoil with diagont and fear from the templer that lurid me from the aids of my Emily, and concipied me to a lonely, set alies. In all the time I was infainted by templation, however, I never once proved recreasant to her whom I promised to love, and it sall the time I have sept in locely moorning and repeatance of the past, I have never cassed to cherish her memory. That acknot, that happiness, fats, however retern, cannot durity me of No Cottomatance, no power, can semove from my hearthe image of her who close reigns measarch there. Oh! that I might hope, that the time I have spent in capitation, may change the decree which dehar me from her society. Oh! that some repaid on my form the members of the removed her society. Oh! that some

It can be predessed when the was found in the world that the state of the state of the couple of the couple of the couple of the state of the state of the state of the state of the couple of the The sesemblance between this woman and the captain's wife was surpassingly strange but if the features had been perfect, the dif-ference in the person will be have been at al-apparent. Thus was rower and the payars at tending one of the most remarks blue cases of circumstantial evidence that ever transpired

A rather thick-headed witness in the po-lice court at St. Louis, was asked the ques-tion whether the party accused "stood on the defensive," He innocently replied: "he stood on a bench."

Why is the sofa that your father tting on, like railroad stocks? Because
