

Thur night

Dear Folks,

The grand event is all over and we are getting along swell, have a very cute apt. in Dothan and I am free to go in almost every night. The telegram was very very swell & we intend to keep it always. The boy was ringing the door bell when we came back from the church so it came at the exact time. I have night flying to-night - fly to Montgomery & back. Tuesday night I flew to Tallahassee Fla. now have 48 hrs. will soon be through if all goes well.

Have in France. happy & hope.

Hope to see you in Oct. but doubt it.

Thanks again for everything & say hello to the church members for

me.
