## THE PROVISIONAL HIGH SCHOOL CERTIFICATE

### a. EDUCATION

	Sem. Hrs.
100 Orientation in Education	1
210 Human Growth and Development I	3
211 Human Growth and Development II	3
472 Fundamentals of Secondary Education	4
375 and 475 Supervised Student Teaching	8
Minimum in education	(19)

### b. ENGLISH

101 Speaking and Writing	3
102 Speaking and Writing	3
201 Introduction to Literature	3
202 Introduction to Literature	3
Minimum in English	(12)

### c. HEALTH AND PHYSICAL EDUCATION

104 Personal Hygiene and Public Safety	2
285 Community Recreation	2
Activity courses in physical education	2
Minimum in Health and Physical Education	(6)

### d. MAJOR STUDY

Two academic majors; or one academic major and two minors; or an area of concentration	48-60
--	-------

### e. CORE CURRICULUM

A minimum of 27 semester hours to be selected from three or four of the following fields, not less than six hours to be offered in any field. 27

(Two of these groups must be in fields different from the majors and minors or area of concentration. One group may be in the same field but not in the same subject as the major or minor.)

1. Fine Arts—art, dramatics, and music
2. Foreign Language
3. Mathematics
4. Science—biology, chemistry, geology, and physics
5. Social Science—economics, geography, history political science, and sociology
6. Vocational Subjects—agriculture, commerce, home economics, industrial arts, and library science

### f. ELECTIVE

	5-17
Minimum for the certificate and degree	128

## **WORKSHOPS**

To meet the needs of students who may not be able to enroll for one of the longer summer terms, and those who may desire a short period of intensive work on a special topic, the following workshops have been planned.

The activities of these workshops are being scheduled for the afternoons so that those enrollees who wish to do so may schedule other classes that meet before noon.

### **Workshop in Music for the Elementary Teacher (Music 300)**

Dates: July 5 to July 15

Credit: Two semester hours

Incidental fee: \$15.00

The activities of this workshop will be selected to meet the everyday needs of teachers in the music program of the elementary school. Credit earned may be substituted for Music 221— Music for the Elementary Teacher, which is required for elementary certification. This course may be taken for graduate credit.

The Director of the Workshop will be Mrs. Lureata Martin of Huntington, West Virginia, who will be assisted by the regular staff of the Morehead Department of Music. During the school year, Mrs. Martin serves as Director of Vocal Music in the Cabell County Schools of West Virginia. She has directed similar workshops on the Morehead campus during the past four summers.

For additional information write: Dr. Leroy Weil  
Head of the Music Department  
Morehead State College  
Morehead, Kentucky

Workshop in Resource Use and Conservation (Science 401 or Education 401) (Open to juniors, seniors and graduate students)

Dates: June 13 to July 1

Credit: Three semester hours

Incidental fee: \$15.00

Several of the major problems of Eastern Kentucky are directly associated with the use of our resources and conservation. Accordingly, this workshop is being sponsored by the joint faculties of agriculture, biology, education, geography, geology, and Breckinridge Training School together with representatives from interested divisions of both the federal and state governments.

Meetings of the Workshop have been so arranged that students may schedule other courses and thus carry a full summer schedule. The credit may be recorded either as Science or Education credit as elected by the student.

For further information write:

Dr. Fenton T. West  
Head of the Division of Science and Mathematics  
Morehead State College  
Morehead, Kentucky

**Workshop for Librarians (Library Science 291)**

Dates: July 18 to August 5

Credit: Three semester hours

Incidental fee: \$15.00

This workshop is designed to meet the needs of beginning librarians. Teacher-librarians, bookmobile librarians and general school librarians should find the experience provided profitable. In so far as it is possible, the individual problems of the students enrolled will be considered.

The workshop will carry three semester hours of credit in Library Organization and Administration.

For additional information write:

Miss Ione Chapman, Librarian  
Morehead State College  
Morehead, Kentucky

**Writers' Workshop (English 390 and 490)**

(Enrollees who participated in the Writers' Workshop previously and received credit for English 390 may receive credit for English 490.)

Dates: July 25 to August 5

Credit: Two semester hours

Incidental fee: \$20.00

This Writers' Workshop is being provided for college students, members of non-college literary groups, and other individuals with an interest in writing who desire an opportunity to have their work—fiction poetry, or exposition—discussed and analyzed by authors and critics; and to offer, through a series of lectures, a further understanding of the work of contemporary authors.

For further information write: Dr. James McConkey  
Morehead State College  
Morehead, Kentucky

## REQUIREMENTS FOR ADMISSION

### ADMISSION TO THE FRESHMAN CLASS:

**Without Examination.** Graduates of high schools accredited by the State Department of Education are admitted without examination, provided they have earned credit for 15 units of high school work acceptable to Morehead. No specific courses are required for entrance, but not more than four units in one subject field will be accepted. If credit in a foreign language is offered for entrance, at least one unit in the language must have been earned.

**By Examination.** Students who have earned 15 units of high school credit acceptable for college entrance may enter Morehead provided they pass an entrance examination satisfactorily.

**Special Note.** All students desiring admission as freshmen must have their credits certified by their high school principal or superintendent. These transcripts should be mailed directly to the Registrar of this college by the person certifying them and must be on file at the time of registration.

### ADMISSION TO ADVANCED STANDING:

Students entering Morehead from other colleges must present a statement of honorable dismissal from the college attended previously and must satisfy the entrance requirements here. The college does not accept transferred credit carrying a mark of "D." Official transcripts of college and high school credits should be on file in the Registrar's Office prior to the date of registration.

### ADMISSION AS A SPECIAL STUDENT:

Students 21 years of age or over, who have not met the entrance requirements of the college, may be admitted as special students and are permitted to carry courses for which they are prepared. Special students are not considered as candidates for any degree or certificate until they have fulfilled college entrance requirements as well as all other requirements for a degree or a certificate.

### ADMISSION AS AN AUDITOR:

By payment of the required fees, admission may be secured to a class or classes as an auditor. An individual desiring such admission must apply to the Dean of the College. No credit will be given for this work, nor will the student be permitted to take an examination for credit.

### ADMISSION TO THE GRADUATE SCHOOL:

Graduates of accredited four-year colleges are admitted to graduate work on application to the Director of Graduate Instruction. This application must be accompanied by a transcript of under-graduate credits.

Graduates of non-accredited colleges must meet the conditions for graduation at Morehead State College before the application for graduate work will be approved.

If the student's undergraduate preparation is inadequate, this deficiency must be made up by taking designated courses which will not be counted as graduate credit.

The applicant for a degree must arrange a program of graduate work under the direction of his graduate committee and he is not admitted to complete graduate standing until this program has been approved by his committee.

### **CURRICULA**

The curricular offerings at Morehead are varied. Students may pursue programs leading to the--

1. Temporary certificate.
2. Provisional Elementary Certificate and degree.
3. Provisional High School Certificate and degree.
4. Standard High School Certificate.
5. Bachelor's degree without a certificate.
6. Bachelor's degree and the certificate in Vocational Home Economics.
7. Bachelor's degree with an area in Business Administration.
8. Provisional certificates for superintendents, principals, and supervisors.
9. Standard certificates for principals and supervisors.
10. Degree of Master of Arts in Education.
11. Preprofession curricula- medicine, law, engineering, etc.
12. Nurse's diploma

### **DEGREES**

The college awards two undergraduate degrees, the Bachelor of Arts and the Bachelor of Science. Each degree may be taken either with or without a teaching certificate.

The degree of Bachelor of Science is granted to those students who complete all of the requirements for graduation and who earn a minimum of 60 semester hours of credit in the following subjects-- agriculture, biology, chemistry, commerce, geology, home economics, industrial arts, mathematics, library science, and physics. Students completing any of the other four-year curricula are granted the degree of Bachelor of Arts.

### **GENERAL REQUIREMENTS FOR THE BACHELOR'S DEGREE**

The candidate for the degree must meet the following general requirements--

1. A minimum of 128 semester hours of credit.
2. An average standing of 1.0, or higher, on all residence work completed at this college.

3. At least three-fourths of the credit in residence at some standard college; at least one year in residence and the semester immediately preceding graduation at Morehead.
4. A minimum of 43 semester hours of work offered for the degree must be earned in courses numbered 300 or above.
5. The credits earned must include a minimum of 12 hours in natural science and 12 hours in social science. Three of the twelve hours required in social science must be earned in History 400.

### MAJORS AND MINORS

Majors or minors may be selected in any of the following subject fields:

Agriculture	Health and Physical Education
Art	Home Economics
Biology	Industrial Arts
Chemistry	Mathematics
Commerce	Music
English	Physics
Geography and Geology	Political Science
History	Sociology and Economics

In addition to the subject fields listed previously, minors may be selected from—

Dramatics  
Speech  
Library Science

### AREAS OF CONCENTRATION

To meet the needs of high school teachers who will teach entirely in a general subject area, Areas of Concentration may be selected in lieu of majors and minors. A person who concentrates in an area is not required to offer minors in any other field, but any single subject in which he has as much as 12 semester hours of credit outside his area of concentration may be added to the face of his certificate as a teaching field.

The chief advantages to be gained from following this plan are: first, the trend in secondary education is toward teaching in one department or field of work; second, greater opportunity is afforded for integrated preparation; and third, with the greater emphasis on graduate preparation for secondary teachers, extensive knowledge in some general field becomes exceedingly important as an adequate background.

Areas of Concentration may be completed in—

Art	English	Science
Commerce	Home Economics	Social Science
	Music	

## REQUIREMENTS FOR THE MASTER'S DEGREE

The master's degree may be earned in either of two ways.  
a. If the student elects to write a thesis, the degree may be secured by completing a minimum of 36 weeks in residence and a minimum of 24 semester hours of work in regular courses. b. If the student so desires, he may do additional course work in lieu of writing a thesis. In this event the minimum requirements for the degree are 30 semester hours of credit and 36 weeks in residence.

Students interested in graduate work should write for a copy of the **Handbook for Graduate Students**.

## CERTIFICATE REQUIREMENTS

### THE PROVISIONAL ELEMENTARY CERTIFICATE

		Sem. Hrs.
a. EDUCATION		
100	Orientation in Education	1
210	Human Growth and Development I	3

## TEMPORARY CERTIFICATE

A Temporary Certificate, valid for two years at the elementary school level, may be issued to a person who has earned a minimum of 64 semester hours of standard college credits, 48 semester hours of which have been earned in residence, with a scholastic standing of "C" on the total credits earned, in courses prescribed for the first two years of the teacher training program approved for elementary teachers. This Temporary Certificate may be renewed once, for a period of two years, on the basis of 16 semester hours of additional college credits earned in residence from courses prescribed for the four-year elementary curriculum. Under present regulations, this Temporary Certificate will not be issued after July 1, 1956.
