

Headache?

If it does, you should try Dr. Miles' Anti-Pain Pills. Why not do so. They will relieve the pain in just a few minutes. Ask your druggist. There are 45,000 druggists in the U. S. Ask any of them. A package of 25 doses costs 25 cents. One tablet usually stops a headache. "They relieve pain without leaving any disagreeable after-effects—just that what you want!"

My son Frank Snyder has had Dr. Miles' Anti-Pain Pills for a long time. He never had anything to help him so much as headache. A year ago he came home and I was down sick with such a dreadful nervous headache. He gave me one of the Anti-Pain Pills, and after while I took another and was entirely relieved. I always keep them in my house now, and give many away to others suffering with headache.

Dean's Kidney Pills relieve backache. Cure every kidney ill. \$2.00.
Geo. Rice, living on E. Second St., Vanceburg, Ky. says: "I first noticed symptoms of kidney complaint in my case about three years ago. There was a constant pain through the small of my back, at times extending into my shoulder blades. Occasionally twinges would pass through my loins and when arising in the morning I would often be taken with a crick in my back and be scarcely able to move. I used so many remedies without results that I became discouraged. When I heard of Dr. Dean's Kidney Pills I procured a box and they worked splendidly. I have been feeling ever since that I can take pleasure in recommending this remedy to other sufferers from kidney complaint."

For sale by all dealers. Price, 50c. Foster-McBurtney Co., Buffalo, N.Y., sole agents for West Virginia, Kentucky, Tennessee, and all other states. Remember the signature "Dean's" and take no other.

Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous membrane, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials are sent. Sold by druggists. Price 75 cents per bottle. Take Hall's Family Pills for constipation.

FROM BRO. HOWERTON.

Gimlet Ky., June 22, '08.
We desire to say to our many friends that our short stay in Olive Hill on our return from Iron-ton, O., was a pleasant one. It was a great delight for me on Wednesday, June 17 to solemnize the rights of matrimony between Willie Haywood and Miss Etta Armstrong, at 2 p. m. and at 8 p. m., at the Baptist church to solemnize the rights of matrimony between William Toiliver and Miss Lizzie Walls. We bespeak all the pleasure possible for these young couples as they journey through life.

I preached at Mauk school house Saturday night and organized a Sunday school Sunday evening with 79 present.

There are many good people around Gimlet, and have shown me all the courtesies and kindness possible.

Chicago's Advantages
 "New York is the place to go to if you want to eat fish foods, that youth from Chicago." (A little show is a question which will hardly be known.) Some times in New York you get the general consent for some night they throw lights on a large gathering and you see one will across on the tables a little but they do not do that on the wisdom of insisting upon quarrels in some places every night in Chicago that our foodstuffs shall be raised in an unadulterated and sound manner.

Cramps
 Thousands of ladies suffer agonies every month. If you do, stop and think. Is it natural? Euphatically and positively—NO! Then make up your mind to prevent or cure this needless suffering!

FOLEY'S HONEY AND TAR

Your writer went to Olive Hill Circuit court and stayed two days. The good citizens of Olive Hill regret very much that this is the last Circuit court there for some time or until they get a new county as the county of Beckham was killed by some unavoidable means. They say that Judges Hannan and John Waugh have done more since court was held there to civilize, christianize and moralize that end of Carter-co. and they were getting better order and less crime than had ever been in Carter since it was a county. Whisky, pistols, gambling etc., had no show at this court. —Correspondent to Big Sandy News.

A special from Jackson says: An attempt was made to assassinate Elijah Roberts and other employees of the Swan-Day Lumber Co., who were at work at company's logging job, on Fish Trap branch. Full details show that the purpose of the raiders was to completely annihilate the Swan-Day Lumber Company's camp, and drive that company out of business on that branch. While Elijah Roberts, Swan Day Lumber Company's foreman and three assistants were at work in the woods loading logs on train cars, the air resounded with the sound of rifles and the atmosphere was filled with smoke issuing from the mountain side above. Some dropped behind logs, while others fled for their lives. Jimmie, the twelve-year son of Roberts, who was painting the ends of the logs ran behind a tree. The would-be assassins filled the tree with bullets and shot the bark off its sides in their efforts to kill the boy. They continued to fire till their ammunition was exhausted and then took to their heels, leaving the ground strewn with dead mules and oxen.

Will Down on the Farm. A stranger addressed the farmer's boy across the fence: "Young man your corn looks kind o' yellow."

"Yes, that's the kind we planted."

Then after a short time the man said, "Boy, there isn't much difference between you and a fool."

"No," replied the boy, "only the fence."
