BILLY BUTTIN

THE TIMES WEATHER MAN

THURSDAY.

I joined a crowd the other day and went over to see the famous Indian rock. Say whatever gave that boulder such a "rep." You'll never find out from me. Some folks claim they can see an Indian's face on it but there ain't no more Injun face on that old rock than there is a man's face in the moon. It's all "rot." But there's no "rot" about this weather dope. I'm handin' you. Here it is:

Ohio and West Va., Oct. 15.—
Fair tonight and Friday.
