Nerve Sick

If weak, worn-out, nervous, cannot sleep, have indigestion, headache, neuralgia or periodic pains, it is because your nerves are weak. It is the lack of nerve force that makes the stomach, heart, lungs, etc., work imperfectly—become sick. Dr. Miles' Nerve cures the sick when it restores nerve strength, and puts the power behind the organs to do their work.

"Almost three years I suffered from nervousness, indigestion and palpitation of the heart. I could not eat or sleep with comfort, or walk or talk without suffering. Altogether I was in a bad condition. My doctor did not seem to do me any good. I had tried on me 7 remedies that I did not believe would help me. One of them did me some good. Dr. Miles' Nerve was suggested by a friend. I got relief from the first dose, and after a few days I felt like a new person. It not only relieved my heart and nerves, but has invigorated my whole system. I am very grateful for the relief it has afforded me. I have had absolutely no return of my nervousness since."

Dr. Miles' Nerve is sold by your druggist, or will be sent you for the first bottle will benefit. If it fails, he will refund your money.

Treat Marriage Lightly.

In Samoa, the wife's tenure of office is frequently limited to a few days or weeks, and marriage is sometimes only an excuse for the feasts and festivals so dear to the hearts of the pleasure-loving natives.

I handle the Louisville Evening Post, Cincinnati Times Star and the Cincinnati Enquirer. Where a person subscribes for six months by just paying twenty-five cents (25cents) at the end of each month for the Louisville Evening Post I will give a map free, and deliver the paper six days out of the week. The evening Post is published about the same time that the Cincinnati Post and Times Star are printed. But the Cincinnati Post and Times Star are dated to be a morning paper and dated one day ahead, which they are evening papers the same as the Louisville Evening Post is, but the Louisville Evening Post doesn't date falsehood. The Cincinnati Enquirer I will deliver six papers for twenty-five cents, when a person pays for five papers I will give one free of the Enquirer. The Times Star is only twenty-five cents per month delivered 6 days out of the week.

WHEN HER BACK ACHES.

Woman Finds all Her Energy and Ambition Slipping Away.

Olive Hill women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pain, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and bright's disease. Doan's Kidney Pills permanently cure all these disorders. Mrs. May E. Groves, living at 922 E. Third St., Ashland, Ky., says: "I began to suffer from kidney trouble in 1896. The first symptom of the complaint being severe backaches accompanied by a feeling of soreness and lameness when first arising in morning. Gradually grew worse and my kidneys became so disordered that I felt miserable all the time. When my attention was brought to Doan's Kidney Pills I had my son procure a box for me. I took them and was soon free from every sign of my troubles. I gave a statement recommending Doan's Kidney Pills in 1900 and at this time am glad to say that the cure proved permanent. I have since enjoyed excellent health. For sale by all dealers. Price—50c. Foster-Milburn Co., Buffalo, New York, Sole Agents for the United States. Remember the name—DOAN'S—and take no other."

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui, Mrs. Warwick says:

TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. These remedies did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead."—The Cardui.

IN MEMORY.

Mrs. Brunetta Maddix, who died July 29th, was born June 9th 1845, age, 63 years. 1 month, 14 days, leaves a husband and six children; three boys and three girls to mourn her loss. She was a kind and affectionate wife, a fond mother and a friend to all.

GONE BUT NOT FORGOTTEN.

We have lost our darling mother, She has bade us adieu; She has gone to live in heaven, And her person is lost to view. Oh, that dear one; how we loved her! Oh, how hard to give her up! But an angel came down for her And removed her from our home.

We miss her from our home dear mother,

We miss her from the place;

A shadow o'er our life is cast;

We miss the sunshine of thy face.

We miss thy kind and willing hand.

Thy fond and earnest care;

Our home is dark without thee;

We miss thee everywhere.

Earth has lost its look of gladness,

Heaven seems to us more bright;

Since the spirit of our dear mother

Took its happy homeward flight.

And we long to cross that river—

Long to rest upon that shore—

There to see and know our loved ones

And be with our Savior evermore.

Cured of Hay Fever and Summer Cold

A. S. Nushbaum, Batesville Ind. Writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business."

I had many symptoms of hay fever, and a severe prostration and my reason which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success.

Jacob Gault, of Ohio, an emigrant from Virginia, and a soldier of the war of 1812, had the pride and pleasure of driving the carriage that conveyed Henry Clay from Bainbridge, O., through Maysville to his home at Ashland, near Lexington, Ky., where the great patriot was on his return from the treaty of Ghent, Sept., 1815. Mr. Clay's wife and daughter and a gentleman named Brown were in the carriage with them. Mr. Gault says Mr. Clay was a fine violin player, and they had quite a pleasant trip.

Dr. Brown, Metropolis, I. I.

It is not often that a practicing doctor will recommend someone's else remedy, and when he does so it means that that remedy must have made an extraordinary impression on him. In this connection Dr. Wilson Brown of Metropolis, Ill., said that if people used Dr. Caldwell's Syrup Pepsin for stomach, liver and bowel troubles they would have less need of him.

The crown of Great Britain in 1722 issued to John Fry a patent of 2,084 acres of land, embracing the town of Louisa, Lawrence-co. Geo. Washington surveyed this land between 1767 and 1770 inclusive, and upon the beginning corner he cut the initials of his name. Nearly every corner was well marked. With George Washington's mark for a starter old Kentucky never could go wrong.

A Boon To Elderly People

Most elderly people have some kidney or bladder disorder that is both painful and dangerous. Pevish Children.

Children are retarded in growth, held back in school, become peevish, nervous and fretful all because of some stomach disturbance. Look after your children's bowels. Do not allow them to become constipated. See that they digest their food properly. Then they will look well and feel well. To regulate the stomach and bowels and cure these disturbances, give them Dr. Caldwell's Syrup Pepsin as specially prescribed for children.

It is absolutely guaranteed to do all that is claimed, and if you want to try it before buying, send your name for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by Wilbott Drug Store, at 50c. and \$1 a bottle.

O. G. Richards, Pension Agent—

It may surprise some of our readers to know that a simple case of stomach trouble, if neglected, can get so bad that it will result in cancer of the stomach. For fifteen years O. G. Richards, an attorney and pension agent at Eudora, Kas., suffered from stomach trouble, indigestion, etc., until it was feared he had cancer of the stomach. Finally he took Dr. Caldwell's Syrup Pepsin and was cured. This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result and unless the inflammation can be taken out, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by druggists, 75c. Take Hall's family pills for constipation.

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not irritate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.
