Saved by His Nerve.

While partridge shooting a sportsman suddenly had hundreds of wasps settle upon him. They crawled upon his hands and face, but he kept his nerve and did not interfere with them. The wasps stung the sportsman's friends, and they got some distance away, being afraid to go near him. After about ten minutes the wasps flew off a body without having stung him.

Keeping Goat in Stable.

There is an old fashioned precaution of keeping a goat in a stable. Showing always that the animal are loose, the goat will leave the stable on the outbreak of fire, and the horses will follow the goat when no amount of persuasion from man will get the terrified creatures to budge.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out, and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Bees and a Dog.

Bees have a way of swimming in all sorts of places. One day about a million of them invaded our house where a terrier was quietly dozing. The dog naturally resented the intrusion, and after a few minutes he managed to get to let them alone, even though they chose to settle on one's head, he tried to bite them, and was very badly stung. Fortunately his master was close at hand, and a few buckets of water saved the dog's life.

Attention, Asthma Sufferers.

Foley's Honey and Tar will give immediate relief to asthma sufferers and has cured many cases that had refused to yield to other treatment. Foley's Honey and Tar is the best remedy for coughs, colds and all throat and lung troubles. Contains no harmful drugs. Without Drug Store.

Landseer a Nature Faker.

An English reviewer gravely avers us that Landseer's famous painting, "Eagles Attacking Swans," is based on an entirely false assumption. Eagles do not battle with swans or other quarry. They strike or pounce upon their prey and never descend to vulgar brawling. This is a handsome compliment to the eagle, but a sad blow for art.

A Boon to Elderly People

Most elderly people have some kidney or bladder disorder that is both painful and dangerous. Foley's Kidney Remedy has proved a boon to many elderly people, as it stimulates the urinary organs, corrects irregularities and tones up the whole system. Commence taking Foley's Kidney Remedy at once and be vigorous.

Without Drug Store.

More Cheerfulness.

Dr. Brown, Metropolis, Ill.

It is not often that a practicing doctor will recommend someone's else remedy, and when he does so it means that that remedy must have made an extraordinary impression on him. In this connection Dr. Wilson Brown of Metropolis, Ill., said that if people used Dr. Caldwell's Syrup Pepsin for stomach, liver and bowel troubles they would have less need of him.

It is absolutely guaranteed to do what we claim, and if you want to try it before buying send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by N. M. Hudgins at 50c. and \$1 a bottle.

Valuable Artistic Find.

Fifty fragments of the finest early English carving in polished Parbeck marble, supposed to be portions of the shrine of St. Swithe, were brought to light recently during the restoration of certain parts of Winchester cathedral.

Was Taking No Chances.

A woman of an original frame of mind asked the managers of the New York street railway to provide each conductor with a mop and a dust brush with which to keep the seats of their cars dry in wet weather and clear of dust at all times. The superintendent has declined to consider the proposition on the ground that the conductors might get into trouble with the servant girls union.

Cured of Hay Fever and Summer Cold.

A. S. Nusbaum, Batesville Ind. Writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many prescriptions, did not reach a doctor's prescription, did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My throat has since used Foley's Honey and Tar with the same success. Without Drug Store."

Man's Recollections.

Man, queer creature! Marry him, wait on him, trot for him, amuse him, mend his clothes, and he will love you in his own comfortable plucky way. Jilt him, and he will worship and adore you the rest of his life.—Chicago Record-Herald.

Peevish Children.

Children are retarded in growth, feel back in school, become peevish, nervous and fretful all because of some stomach disturbance. Look after your children's bowels. Do not allow them to become constipated. See that they digest their food properly. Then they will look well and feel well. To regulate the stomach and bowels and cure these disturbances, get them Dr. Caldwell's Syrup Pepsin as specially prescribed for children.

It is absolutely guaranteed to do all that is claimed, and if you want to try it before buying, send your name for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by Without Drug Store, at 50c. and \$1 a bottle.

The biggest estate in the United Kingdom is the lordship of Sutherland, the property of the duke of Sutherland. The estate is no less than 729,200 acres.

Mrs. Rollins and Mrs. Moran.

People in all parts of the country are coming to know of the grand remedy for stomach, liver and bowel troubles, including the worst cases of indigestion. Mrs. Minerva E. Rollins, of Dewey, Ill., and Mrs. L. Moran, of Kansas City, Kan., towns nearly 1000 miles apart, agree that the remedy is Dr. Caldwell's Syrup Pepsin. The great herb laxative compound.

It is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by Without Drug Store, at 50c. and \$1 a bottle.

Food and Civilization.

Few people realize adequately that the stomach is the greatest civilizing agency known to man. A well-fed man, whose meals are suitably served, will rise out of barbarism with a irresistible glow.

How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative enters chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or grip and is mild and pleasant to take. Refuse substitutes.

This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by N. M. Hudgins at 50c. and \$1 a bottle.

Uncle Allen.

"I see," quoth Uncle Allen Sparks, "that my old friend Mr. Rockefeller says he's a socialist 'in a sense.' Well, maybe he is, but when it comes to do his duty by George, he's about the biggest individualist I know of!"

O. G. Richards, Pension Agent.

It may surprise some of our readers to know that a simple case of stomach trouble, if neglected, can get so bad that it will result in cancer of the stomach. For fifteen years O. G. Richards, an attorney and pension agent at Eudora, Kan., suffered from stomach trouble, indigestion, etc., until it was feared he had cancer of the stomach. Finally he took Dr. Caldwell's Syrup Pepsin and was cured. This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying send your address for a free sample bottle to Pepsin Syrup Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by Without Drug Store at 50c. and \$1 a bottle.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Olive Hill women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetic, dropsy and bright's disease. Doan's Kidney Pills permanently cure all these disorders.

Mrs. May E. Andrews, living at 222 E. From St., Ashland, Ky., says: "I began to suffer from kidney trouble in 1896, the first symptom of the complaint being severe backaches accompanied by a feeling of soreness and lameness when first arising in morning. I steadily grew worse and my kidneys became so disordered that I felt miserable all the time. When my attention was brought to Doan's Kidney Pills I had my son procure a box for me. I took them and was soon free from every sign of my trouble. I gave a statement recommending Doan's Kidney Pills in 1900 and at this time am glad to say that the cure proved permanent. I have since enjoyed excellent health."
