DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Olive Hill People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, humors, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills.

F. T. Carr living on Main street, Greenup, Ky. says: "I do not have the least hesitancy in recommending Doan's Kidney Pills and know it to be an excellent remedy for kidney troubles and one that will act as represented. I distinctly know what it was to be benefited, free from pain and suffering from my kidneys. My back was very sore and the kidney troubles were much more frequent at times, while at others a scanty condition existed. I was frequently compelled to urinate many times during the night on account of the secretions and this greatly disturbed my rest. I was indeed in a miserable condition when I began using Doan's Kidney Pills. They helped me from the first and I am confident it will be only a short time before I will be entirely well. SUNDAY'S BASE BALL GAME.
Quite a crowd from town went up to the ball park in the frog town suburbs Sunday afternoon to witness a game scheduled between the "Frogtown Champs" and the "Soldier Pintes."

However the team from Soldier failed to put in its appearance; it is reported because of failure to make railway connection, and some of our amateur sports got together a scrap team.

The game was interesting throughout and up to the last inning it seemed that the Olive Hill scrubs would put it over the boys from Frogtown, but in the last inning Phipps, whose superb pitching for Olive Hill had been the feature of the game, weakened when his support fell down temporarily, and the umpire had erred in two or three close decisions, and the "Frogtown Champs" nosed out a victory.

Kennard, c for Olive Hill, made a remarkable play in the fifth inning, when he ticed the ball in a tall sycamore and by fast work held Sparks at third in what looked to be a four bagger.

Phipps has received a flattering offer to pitch for the Chicago Cubs next season.

STAR WITNESS BROUGHT IN.
Ellen Stevens, the star witness on the Harper side in the case of Ell Johnson charged of murder of Jake Harper last winter, was located at and brought in from Buna Vesta, Lewis-co., last week, by Dr. James Harper, brother of the murdered man.

The woman led Mr. Harper a long and weary chase; through the country and over parts of a few counties, till finally she was located at the above place in Lewis county, from which place he returned with her to Elliott county but a few days ago. She is the only witness of the killing excepting one Tom Wagoner who was a partner of Johnson in the whisky making business in Elliott county, and escaped with Ell Johnson the night that the deed was committed, and were both together when arrested. From this it will be understood the almost absolute necessity of Mr. Harper's securing the woman and justifies his vigilance in so keeping track of her.

Mr. Harper is a reasonable and sensible man and speaks so when he says he only wants to avenge the murder of his brother in the right way, the law that are to adjust such things between men, properly and only justly enforced and that is all he asks.

PUTS FOOT DOWN ON IT
Dowager Queen Margherita Wants No American Duchesses.

Rome, Sept. 9.—The Milan Union, a clerical paper, publishes an article which has been reproduced by the whole Italian press, to the effect that the Duke of the Abruze will probably soon go to the United States to make matrimonial arrangements for his marriage with Miss Katherine Elkins, the daughter of United States Senator Stephen B. Elkins of West Virginia, and that it is reported the ceremony may take place on Jan. 29, the duke's birthday.

According to the Union, the Count of Turin, a few days ago, visited Dowager Queen Margherita at Grosvenor, where she is spending the summer, and attempted to overcome her opposition to the marriage of his brother, the Duke of the Abruze, to Miss Elkins. It had been the intention of the duke to have the marriage ceremony take place in December if the opposition of the royal family could be removed, but during the recent celebration of the silver wedding of the Duke and Duchess of Genoa, at which all the Savoy princes were present, opposition on the part of Queen Margherita appeared stronger than ever. She said, however, that time might bring a change in her opinion, and after waiting a reasonable period, the Count of Turin sought her at her country home.

In exposing the cause of his brother, the count declared to the dowager queen that the duke was steadfast in his love for Miss Elkins, and if he refused to enter the marriage he would be impossible for him to form an alliance with anyone else. He added that Miss Elkins possessed all the qualifications to enter the house of Savoy, and that while she was not of royal blood, this was in keeping with the family tradition, as the late Prince Amadeo, duke of Aosta, married a lady of recent nobility, who, however, sat on the throne of Spain for five years. The count added also that as the duke was now thirty-five years of age, it would not be proper for him to delay marriage much longer.

Queen Margherita answered that her views on the question had not changed and she refused to give her consent to the marriage. She objected to such an alliance also because she believed many Americans thought that the Duke of the Abruze had sought marriage with Miss Elkins when he found that the American girl would come into a large estate.

The count declared that the duke was ready to marry Miss Elkins even without the queen's consent, and left for Genoa to inform his brother of the failure of his mission.

Passed Examination Successfully.
 James Donahue, New Briton, Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for malaria, but did not improve until I took Foley's Kidney Remedy. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Remedy cures backache and all forms of kidney and bladder trouble. Wilhoit Drug Store.
Strongest of Evidence.
 The strongest circumstantial evidence supports the assertion of a Brooklyn policeman that he did not shoot to hit. His bullets found the man who was escaping from him.—New York Sun.

 There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a spoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case if it fails. Send for circulars and testimonials. Address: F. J. CHENEY & CO., TOLEDO, O.
