# Morehead State University
2022-23 Profile

The **Office of Planning, Performance and Effectiveness (OPPE)** is happy to announce the **Morehead State University Profile** is now interactive!

In this series of interactive Tableau dashboards, you will find data on Morehead State University's students, faculty and staff that previously appeared in .pdf format on the Institutional Research and Analysis website.

With the flexibility of Tableau, users will now have ability to disaggregate data using filters on most* dashboard tabs to create a customized view of the data. *NOTE: Some data (salary, financial aid) is static and will not be able to be filtered.*

If you have not used Tableau dashboards, please see our helpful **Tips & Tricks** (located in the next tab) in order to optimize your data experience!

Time Table for contents to update:
The interactive Profile will be updated between April and September. A final pdf will be posted when all data is final.

Updated: February 13, 2024

TIPS & TRICKS

Tabs within the Workbook

Tableau dashboards most often contain multiple sheets of information. You may scroll through the different data topics by clicking on each of the tabs at the top of the workbook. Each tab represents a specific data view—New Students, College information, Faculty data, Staff data, etc.

Filtering your data view

You can drill down into the data by using filters (located at the top of the worksheet page). Filters allow you to see data using specific criteria such as demographic information (gender, race/ethnicity), academic level, academic classification, URM status and by term (spring, fall). By using filters to narrow the scope of your selected data you will be able to achieve a dataset/data view that is tailored to your individual data needs.

Tooltips give the data more detail.

By hovering over a data point within the worksheet, you may see a tooltip. Tooltips simply provide more detail to the data points.

Glossary

One tab of the Profile workbook is a Glossary tab. In the Glossary tab, you will find definitions for common phrases and terms used within the data sheets.

Morehead State University
2022-23 Profile - How to Download

Go to the Tableau Dashboard you wish to view.

Scroll to the bottom of the page where you will see a menu of icons on the lower right-hand side of the page:

Click on the download button

Select "PDF"
Once you select PDF, you will see another menu pop up on the screen.   Make the following changes to the Download PDF options:
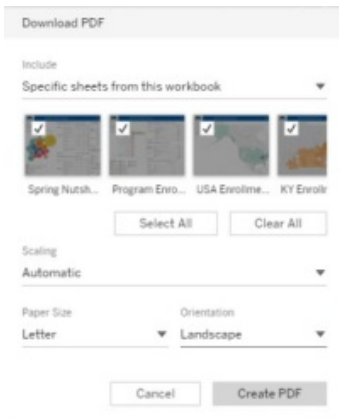

If you only wish to see specific worksheets in your pdf, click on the appropriate sheets. By choosing "Select All" you will include all worksheets within the workbook in your pdf.

Tableau will create your pdf—this may take a few minutes, depending upon how many worksheets are selected. Once Tableau has created the PDF, please click DOWNLOAD to receive the pdf on your computer.
Foreword

We are pleased to share with you the **44th** edition of the Morehead State University *Profile*. The *Profile* is an annual publication that serves as a convenient and authoritative source of detailed information about the University. The content of the *Profile* provides important demographic data about our students, faculty, and staff that is designed to provide answers to frequently asked questions from internal and external constituents about MSU. As with any comprehensive document, the information included in the *Profile* was gathered with the assistance of the university community. We would like to express our appreciation to all who contributed information.

We encourage you to use the *Profile* to enhance your knowledge and understanding of Morehead State University. As we strive to achieve the MSU vision of becoming the best public regional institution in the South, it is our intent that the data included in this publication serve as a means to assess and track our progress. The *Profile* can also be obtained online at our homepage (https://moreheadstate.edu/about-msu/leadership/ppe/institutional-research/), then choose the tab "Institutional Data."

As a point of reference, please note the following:
1) Student data reference points are the dates of <u>fall</u> enrollment and <u>annual</u> (July 1 - June 30) degrees conferred for official institutional reports submitted to the Kentucky Council on Postsecondary Education;
2) Faculty and staff data also reflect information reported each <u>fall</u> to the national Integrated Postsecondary Education Data System;
3) All other data sources are noted directly on charts or tables; and
4) Any modifications made at a later date to any reports used to provide these data might reflect different numbers.

While every effort is made to ensure the accuracy of the data presented in the *Profile,* errors are occasionally discovered. The campus community is encouraged to check the OIRA website (listed above) periodically for any revisions to the contents of the *Profile* in order to obtain the most accurate data available. Should you have comments or need additional information, please contact the Office of Planning, Performance & Effectiveness at by emailing oira@moreheadstate.edu.

The Office of Planning, Performance & Effectiveness
Courtney Andrews, Executive Director of Planning and Institutional Research
Matthew A. Baldwin, Senior Database Research Analyst
Clarissa A. Purnell, Database Research Analyst
Carrie Varney, Senior Database Research Analyst

First Letter	Glossary Term	
A	Academic Year	The academic year for degree reporting runs from Summer II session-fall semester- spring semester-Summer I session for reporting purposes to the Council on Postsecondary Education (CPE) in Kentucky. The academic year for students typically encompasses the fall semester-spring semester-Summer I session-Summer II session.
	ACT	The ACT is a national college admissions examination that consists of subject area tests in English, mathematics, reading, and science (ACT FAQs). MSU utilizes the mathematics, English, and reading scores for placement purposes (CPE).
	Actual (Budget)	Revenue or expenditures that have occurred rather than only being projected (Office of Budgets and Financial Planning, Morehead State University).
	Adjusted retention rate	This is a calculation that accounts for graduates within the retention figures. This metric is calculated by adding the number of returning students to the number of graduated students and dividing this number by the original enrollment for each cohort.
	American Indian or Alaska Native	A person having origins in any of the original people of North and South America (including Central America) who maintains cultural identification through tribal affiliation or community attachment.
	Asian	A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
	Assignable Space	Any space that may be designated for a particular function.
	Associate degree	Requires no fewer than 60 semester hours and can be completed in two years or less. This category includes only students who have declared the intent of earning an Associate's degree.
	Auditors	Student who is not enrolled in a certificate, diploma, or degree program but is enrolled only in one of more audit courses. A course will be defined as audit if the student takes the course for zero credit hours.
	Average Number of Credit Hours Earned	Average credit hours earned by bachelor's degree graduates at four-year institutions and by associate degree graduates at KCTCS.
B	Baccalaureate Degree	Students complete at least 120 semester hours, which should include an area of specialization or a major/minor combination.
	Black or African American	A person having origins in any of the black racial groups or Africa.
