**BACK GITES OUT**

Plenty of Olive Hill Readers have this Experience.

You tax the kidneys—overwork them. They can't keep up the continual strain. The back gites out—it aches and pains. Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

Wm. F. Christman, living on Main St., Flemingsburg, Ky., says: During the past four years both myself and wife have used Doan's Kidney Pills and they have never failed to give relief. It must have been a natural thing for me to have kidney trouble, as I cannot recall a thing that could have brought on this disease. My back was seldom free from pain and there also existed a dull aching through the kidneys. Several times my back gave out entirely and I was compelled to lay off work until it became stronger. The kidney secretions became irregular, at times being profuse and then again scanty and accompanied by pain in passage. I took Doan's Kidney Pills according to directions for a short time and was cured by them. Whenever I feel that my kidneys need attention I take Doan's Kidney Pills and they never fail to give me relief. 4041

The most remarkable occurrence we ever heard of occurred to W. P. Elam, an old and respected citizen of this place one night last week. He and John Bradford went opossum hunting.

After being out for some time the dog struck a trail and Elam said the way he ran and barked he knew he was after something he had never seen before.

After running about a mile he tired. Mr. Elam came and found it to be a bee tree. The dog was jumping and biting at the bees and had evidently tracked them for over a mile in the dark.

### DEATH OF REV. A. T. HAM.

Rev. A. T. Ham of Salt Lick, who has been our pastor at this place for the past year, met with a serious accident on Monday of last week. He had accompanied his wife to the hospital at Salt Lick for the purpose of having a splinter taken out of his wife's hand and while it was being extracted Mrs. Ham, turning sick, went out on the porch at the hospital. When he was found he had fallen from the steps into the street on his face and blood issuing out of his mouth, nose and ears, and his skull fractured. He died the following day, leaving a host of friends to mourn his loss. He was a man of God and had won his way into the people's hearts here as well as at many other places. Many of the people here are almost heart broken over the loss of such a worthy man from our midst. Soldier correspondent.

**Mourning Checks.**

"What do you think I received the other day from a woman recently bereaved?" said a business man. "Nothing less than a check heavily bordered with black just like a mourning stationery. I didn't know that the equanimity of grief had invaded the domain of finance, but it seems that this is the case."

**Mesdames Curry and Eversole.**

It is hard to find a remedy suited to the ills of children, yet Mrs. Curry of Trowbridge, Ill., and Mrs. Eversole of Hindsboro, Ill., claim to have found it, and they are naturally anxious to let the rest of the world know. They say this remedy is Dr. Caldwell's Syrup Pepsin, the greatest laxative, tonic and regulator. It is one of the few remedies useful to children that does not contain narcotics.

This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle to Pepsin Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by N. M. Hudgins at 50c. and \$1 a bottle.

**When Trifles Become Troubles.**

If any person suspects that their kidneys are arranged they should take Foley's Kidney Remedy at once and not risk having Bright's disease or diabetes. Delay gives the disease stronger foothold and you should not delay taking Foley's Kidney Remedy. Wilhoit Drug-Store.

**Do You Own the Ground?**

"Nothing like sleeping out of doors says a medical exchange. And well have it if the rise in prices reaches the rest—At any Constitution."

**Passed Examination Successfully.**

James Donahue, New Britain, Conn., writes: "I tried several kidney remedies, and was treated by our best physician for diabetes, but did not improve until I took Foley's Kidney Remedy. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Remedy cures backache and all forms of kidney and bladder trouble. Wilhoit Drug Store.

**Strongest Circumstantial Evidence.**

The strongest circumstantial evidence supports the assertion of Brooklyn policemen that he did not shoot to hit. His bullet found the man who was escaping from him—New York Sun.

Foley's Kidney Remedy will cure kidney and bladder disease in every form, and will build up and strengthen these organs so they will perform their functions properly. No danger of Bright's disease or diabetes if Foley's Kidney Remedy is taken in time. Wilhoit Drug Store.

**The Woman Suicide's Hat.**

An interesting contribution to the study of feminine psychology has been made by the Hampstead (Eng.) coroner. "Women always take off their hats before committing suicide," said he.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case if it fails. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O.
