

The Band Plays On

Morehead State Teacher's College Band
Late 20's - Drummer - Arthur Ray "Bub" Tatum

Music Week Is Celebrated Here

R.C.N. 11 May 1933

The Department of Music of Morehead State Teachers College is observing with special programs the annual festival period known as National Music Week. Both chapel programs this week are musical in nature and several musical programs are scheduled.

Monday's chapel took the form of a "sing" by the student body led by Prof. M. E. George who was accompanied at the piano by Prof. L. H. Horton.

Tuesday night the Morehead Madrigal Quartet sang for the Rowan County Woman's Club.

Wednesday night in Breckinridge auditorium, the Asbury College String Quartet, with the Morehead Madrigal Quartet assisting, was heard in a fine program.

Friday night the M. S. T. C. band, directed by Professor George will play a short program on the campus at 6:30 p. m.

Friday's chapel will consist of an operetta performed by the children of the Breckinridge Training School, primary grades.

The Y. W. C. A. will present vesper program Sunday. The weather permitting, this program will be presented in the open air.

MOREHEAD COLLEGE BAND IS IMPROVING

R.C.N. 18 May 1933
According to Professor M. E.

George, director of the Morehead State Teachers College band, great improvement has been shown by the organization and he is looking forward to even a better band next year. It is anticipated that most of the present members will return.

Uniforms have been purchased for each member. The new uniforms consist of blue capes, lined with gold, and blue overseas caps.

Professor George is making many plans which tend to improve the band. One of the most outstanding is the organization of the junior band in which the beginners get experience and then are advanced to the college band.

Concerts have been planned for every week during the remainder of this semester. Several new instruments have been bought for both the college and junior organizations.
