

WHAT THERE IS IN IT.

The saloon-keepers all may be very nice men,
But what is there in it for me?
I blow in my money and wake in the pen,
So what is there in it for me?
Of course I'm as welcome as flowers in May
When I come to the joint to squander my pay,
But I wake in the cooler the very next day;
And that's all there's in it for me.
All over this country we're swimming in booze,
But what is there in it for me?
The saloon keeper's kids are wearing new shoes,
But what is there in it for me?
The distiller's share is an automobile,
A carriage the retailer's share of the deal,
But I'm wearing shoes that are down at the heel,
And that's all there's in it for me.
My third costs me more than my clothes and my food,
And that's all there's in it for me.
The booze took my money and did me no good,
And that's all there's in it for me.
The brewer is rich, he has gold by the peck,
The barman gets paid—he's always on deck—
But whatever I get, I get in the neck;
And that's all there's in it for me.
Why should I vote that the curse may endure?
For what is there in it for me?
I'm bound to vote "dry" on election day sure,
For what is there in it for me?
Why, new self-respect and a chance for my life,
New clothes for the kids and a home for my wife,
The beginning of peace, the end of all strife—
And that's what there's in it for me?

Messrs. Ridgill and Burns.

Thousands of people have stomach trouble, constipation, indigestion, sick headache, etc., and don't know how to do for it. Perhaps the experience of Mr. Ridgill, postmaster of Bruceville, Tex., and Mr. Burns, Wabash, R. engineer, Bement, Ill., will suggest a method. Both of these men take pleasure in saying that they cured themselves with Dr. Caldwell's Syrup Pepsin.
This remedy is absolutely guaranteed to do what is claimed, and if you want to try it before buying, send your address for a free sample bottle of Pepsin Co., 119 Caldwell Bldg., Monticello, Ill. It is sold by N. M. Hudgins at 50c. and \$1 a bottle.

SUNDAY SCHOOL CONVENTION.

The Carter County S. S. Convention will meet in this city on Wednesday and it was a great success. The meeting was called to order at the Presbyterian church by the President, who set the it Hoping by reading to them an account of the local option election on the day before the convention. All the visitors and delegates were made to feel at home in a pleasant and entertaining speech of welcome. The audience was then well entertained and instructed by Rev. John Cheape on the subject How to Teach the Lesson, and by W. J. Vaughan on the subject The World-wide S. S. Movement, after the appointment of Committees the convention adjourned for dinner.
The afternoon session met at 1 o'clock and a crowded house greeted the speakers. After appropriate songs and an earnest prayer by Rev. C. V. Zimmerman the convention listened to the address of the evening delivered by Rev. T. V. Tadlock of Ashland. This address upon the subject of The Joy of Loyal Love Service was the best delivered in this city in the memory of the writer. The subject of Community without a S. S. was discussed by the President and the State field worker W. J. Vaughn, who also discussed the subject of Bible Class Work for Men. Rev. C. V. Zimmerman in his able and forceful style presented to the convention the subject the Bible and the child. During Mr. Zimmerman's speech the convention was disturbed by the cry of fire

and adjourned in an orderly manner to the scene of the fire.
At the night session held at the Methodist church was made interesting and entertaining by the able address of State field-worker W. J. Vaughan. The present county officers were elected for the ensuing year and the delegates and S. S. workers all went to their homes feeling that their work in the past for the interest of the S. S. had not been what it might have been and with the firm resolution to take advantage of every opportunity in the future to advance the cause of the S. S.

The State S. S. Convention will meet in Newport Oct. 8-11 and we trust that many of Carter-co. workers will be present. The railroad will give a rate of one fare plus 25c. and those who go as delegates will be entertained on the Harverd plan. All desiring to go as delegates should call on or write the county President for certificate of appointment as a delegate.

BACK BITES OUT

Plenty of Olive Hill Readers have this Experience.

You tax the kidneys—overwork them They can't keep up the continual strain The back gives out—it aches and pains Urinary troubles set in. Don't wait longer—take Doan's Kidney Pills.

Wm. F. Christmas, living on Main st., Flemingsburg, Ky., says, "During the past four years both myself and wife have used Doan's Kidney Pills and they have never failed to give relief. It must have been a natural thing for me to have kidney trouble, as I cannot recall a thing that could have brought on this disease. My back was seldom free from pain and there also existed a dull aching through the kidneys. Several times my back gave out entirely and I was compelled to lay off work until it became stronger. The kidney secretions became irregular, at times being profuse and then again scanty and accompanied by pain in passage. I took Doan's Kidney Pills according to directions for a short time and was cured by them. Whenever I feel that my kidneys need a tonic I take Doan's Kidney Pills and they never fail to give me relief." 4041 For sale by all dealers. Price 50c. One night recently a party of the young town folk enjoyed a hay ride, and enjoyable indeed, nothing occurring from the time of the departure of the jolly party to their return, to break the almost endless ring of youthful strains of laughter and the "musical" music of Prof. Harry Johnson's musically educated guitar, and the occasion: at bum—bum—bum—bum—bum of Prof. O'Daniel's number 11s (against the off side of the wagon (on account of size his feet were forced to hang overboard) reminded listening ears of a military drill so it has been christened the "March of the Jolly Band."
