WIDOW TO WEDDING'S FIRST LOVE.
The first crackle cheerfully on the broad hearth of an old-fashioned fire-place in that part of the old Dominion called the "Blowers House." An old man and a young woman were sitting on the hearth, and the old man was talking to the young woman in a friendly way.

WIDOW TO WEDDING'S FIRST LOVE.
The old man looked at the young woman with a smile, and she looked back at him with a smile. They had been married for many years, and they were still as young as ever.
