

Annual Report of Giving

July 1, 1987 to June 30, 1988

Dear Friends of Morehead State University:

This 1987-88 Report of Giving to Morehead State University contains the names of 1,881 donors who have invested \$614,288 in various areas of the University. These valuable contributors are individuals, corporations, foundations, and other organizations sharing a faith and dedication to MSU's progress.

Support of the 1987-88 Annual Giving Campaign came from many alumni and other friends, particularly the volunteers serving on the MSU Foundation Board and the Eagle Athletic Fund Board. Our special appreciation is extended to our new University President, Dr. C. Nelson Grote, and MSU Board of Regents Chairman, the Honorable Louie B. Nunn and the other Regents who have measurably helped the University make a dramatic comeback.

Annual giving increased 35 percent over the previous year. The University met the first year of the Albright Challenge by raising more than \$50,000 in new or increased gifts, plus another \$100,000 gift from the Ashland Oil Foundation, Inc. Another sizeable gift came as a bequest from the late Dr. Norman A. Tant, MSU professor, of \$112,000. The Eagle Athletic Fund recorded a 114 percent increase in gifts to benefit athletic progress.

Few things are as powerful as the thoughtful gift of a friend. Whether wrapped neatly and topped with colorful ribbon, or simply passed from your hand to ours, we have all witnessed the power of giving. Morehead State University is now experiencing dramatic growth and private support is critically needed for equipment replacement, faculty enrichment, student scholarship assistance and major program support throughout the University.

We appreciate your friendship. Your thoughtful gifts continue to shape the work and fulfillment of the University's mission of education, research and service to the Commonwealth and particularly Eastern Kentucky.

Sincerely,

Terry Jacobs, President
Morehead State University Foundation, Inc.

MSU students are directly or indirectly the beneficiaries of all gifts to the University. Endowed scholarships, tuition, awards, emergency loans, performance grants, improved instructional equipment and more—all benefit our students and their education.

Special Donor Recognition

The University gratefully acknowledges all gifts received in the 1987-88 Annual Giving Campaign. Of special note we salute these larger contributions.

Ashland Oil Foundation, Inc., give \$150,000 to the Fund for Progress. Terry and Susan Jacobs of Cincinnati, were the largest individual donors with gifts totaling \$33,469.

Kelley Galloway and Company, of Ashland, gave \$15,000 for the Fund for Progress and the President's Fund. The estate of Dr. Norman Tant provided \$100,000 for endowed scholarships. The Myrtle Mae Mitchell Trust gave \$9,239 for the M.C. Mitchell Scholarship. The MSU Student Government Association gave \$8,000 for its endowed scholarship fund.

The Holiday Inn and Waverly Jones gave a gift-in-kind of \$9,678 to benefit athletics. A gift of \$6,000 for scholarships was received from the E. O. Robinson Mountain Fund. The Home Federal

Savings and Loan Association of Ashland gave \$4,000 to the Lloyd Cassity Scholarship. A gift of \$5,000 from the Peoples Bank of Sandy Hook sponsored the Jane E. Caudill Scholarship.

Sealmaster of Morehead gave \$3,000 for the Fund for Progress. Peoples Bank of Morehead gave \$4,500 for Eagle Football. The Bath County News of Owingsville gave \$3,375 and the Clay City Times gave \$3,070 to support the Journalism department.

Park Newspapers of Morehead gave \$2,000 to the Fund for Progress. Subs & Salads of Huntington, W.Va., gave \$1,800 to Athletic Promotions. Blakeman Restaurant Service of Middlesboro gave \$1,500 to the student loan fund.

Charles Porter of Odessa, Fla., gave \$2,000 to Eagle Football. William R. Seaton of Ashland gave \$2,000 to the Fund for Progress. Ken-Mor Stone of Morehead gave \$2,000 for Eagle Football.

"The MSU Foundation has made great strides on behalf of the University. It has been possible through the team effort of the administration, volunteers and faculty to involve a most important group in our progress—you, our contributors. I hope each of you take great pride in what we have accomplished. Together we have had an impact on the future of our University that not one of us, alone, could have achieved."

- C. Nelson Grote
MSU President

How are gifts used to benefit the University?

Tax-deductible gifts to Morehead State University through the MSU Foundation, Inc., may be for a specific area of the University or for the University's greatest needs. Those given for a certain activity or program will be used according to the donor's wishes.

Gifts without a designation can be used for any of the University's programs. These funds will be allocated on a University-wide basis where the need is greatest.

Both types of gifts help to build a better institution. Gifts may be in the form of cash or securities, in trust with reservation of income, to donors, or a transfer of real property. Gifts are tax deductible as provided by law.

The worth of the Annual Giving Campaign exceeds the monetary value of the gifts. The real worth of the Annual Giving Campaign is the visibility and acknowledgement of the need it represents.

Fellows

The MSU Fellows is a select group of generous and loyal alumni, faculty, parents and other friends who have fulfilled one of the following conditions:

-An outright gift of \$10,000 or more in cash or securities or \$12,000 in equipment, materials, supplies or other gifts-in-kind;

-A pledge of \$10,000 or more payable over a 10-year period at a minimum of \$1,000 per year;

-A bequest, irrevocable trust, or life insurance policy valued at \$25,000 or more.

"Some special projects and programs at MSU would not exist without private funding. These range from scientific, health related, and technological projects, to cultural and athletic programs. Rapid changes in higher education continually create new challenges that are not included in university budgets or met by restricted gifts."
