SUBJECT: Final Report on Proposals Submitted and Funded 1980-81

The Division of Grants and Contracts has completed the attached summary of 162 proposals submitted to funding agencies by Morehead State from July 1, 1980 through June 30, 1981. One hundred and two (102) proposals were funded during this period with total dollars awarded of \$2,786,156. Included in this amount is an \$896,800 grant for student financial aid.

Your continued support and willingness to develop proposals have made the funding reflected in this final report possible. We appreciate your efforts in seeking external monies and we hope to maintain this level of funding in 1982.
