

The Youngs Acquitted.

Z. T. Young, Sr., Allie Young and Green Manning have been acquitted in the Circuit Court at Morehead of the charge of conspiring to kill Howard Logan. It is just what has been predicted all along by those who were acquainted with the witnesses. The verdict was rendered last Wednesday. The entire day was occupied in speeches by Wallace Maguire and Commonwealth's Attorney Salles for the prosecution and Wickliffe, Kendall and Z. T. Young for the defense. While awaiting the verdict extra precautions were taken. The guards were doubled and soldiers told to be on the look out. There was no excitement, however, when the verdict was read.
