Thus far, it has given entire satisfaction in al cases where it has been used, and I do not best tute to recommend it to every case for which designed. I consider it an invaluable medicine and sufferes shoulk know of it.

I am persyaded, after trying it in a great many cases, that it surpasses all other remedies within my knowledge for that class of difficulties for which it is recommended. It has cured some ve-ry extreme cases under my observation, which have resisted all other treatment.
