

SGA Executive Board Minutes:

President Chloe Marsteller:

- Senator of the Month: I suggest we select them at the last exec meeting of every month. No point system or anything, just base it off our discussion and observations. - Student Health Fund bill should be on the floor this week
- Chief of Staff: Applicants are Shelbie and Brady; I will let Kelton and Russ give details on this. If you guys want to deliberate together, we may be able to call later tonight about it.
