NO. 18

From the Kentucky Age.

A Pact Worthy of Consideration.

A Fact Worthy of Consideration.
In another portion of to-day's paper we republish an article from the Mayaville Express, under the above title, which we carneastly recommend to the attention of every reader of the Kentucky Ago. The facts unvaside in that eritois are true to the letter, the state of the banns and searchest leading that more considered for MODEPAN—and where two completed for MODEPAN—and where two completed for MODEPAN—and where two completed for MODEPAN—and where two properties of the Charlest Control of the Charlest Control of the Charlest Control of the Charlest Control of the chart election, and under learned for two government and threat election, and under learned for the chart election, and and end the chart part of the chart election, and under learned for the chart election, and and end the chart part of the chart election, and the chart election of the chart election.

In grant and the opinion of all alle man of the learned power man of the learned power to the federal power of the federal country the entire of the during of the during of the during of the during of the country the entire of the during of the during of the country the entire of the during of the during of the country the entire of the during of the during of the country the entire of the during of the during of the country the entire of the during of the country the entire of the during of the during of the country the entire of the during of the country the entire of the during of the country the entire of the country the entire of the country that the country the entire

Italian Grais.—The idea of a girl in Italy is indisplubly connected with that of being devoid of all moral searc, infallibly preferring wrong to right, and who can only be kent from horm and well by the most in

opposition. One might think it was thing like Capt. One impossible at Three is souther very imposition though which shop which shop distr. Mr. Belle in this convers at the special slaver-half of the converse at the special slaver-half of the transfer of the state o

selection of the company of the comp

great we stitute and nagonite reverse the state are being realled in the administer and remove a state of the state are being realled in the administer and money of the administer and money and the state are being realled in the administer and money and the fant and suck are but to be lifted up that the state of the wider-new, and the fant and suck are but to bear, and the fant and suck are but to bear owners and the fant and suck are but to be such as the state of the

gias of reds, the gas of which, se all know, soon subsides.

The Hon. James W. Moore, it seems, is have more opponents than Laban. We engest that the latter be called lefering and the control of the carried by him." A celebrated Jawish king to carried by him." A celebrated Jawish king but one of his expains in front of the but-tie, he was killed, and we all know what was then done. Some of the self-inserted lead-of the Jawish king within their political optics. "History is publicately be example." Labas Moore is but the temporary shapherd of the mixed, particulations. cample." Laban Moore is not the tempo ory shepherd of the mixed, parti-colored. reaked, and striped flock.
The hervest is light but there are many clies in the field.
