Dear Mrs. Walter:

Thank you for your card of October 6 telling of the clothing the women of your Christian Women's Fellowship have gathered for Hazel Green Academy and which awaits our calling for at your church. We will call for this clothing at our very first opportunity which should be within a week or ten days.

Please be sure that we appreciate sincerely the interest and effort of each and all of your women in gathering and making ready this clothing for us.

Very obliged

Dear Mrs. Wiley:

Please accept our grateful thanks for the gift of clothing recently received from you for our Jot Em Down Store. Such contributions are always welcome for they help meet a real community need. Proceeds derived from the sale of the clothing also help greatly in the general maintenance of the school.

Along with our thanks come best wishes as you continue your good work in His name.

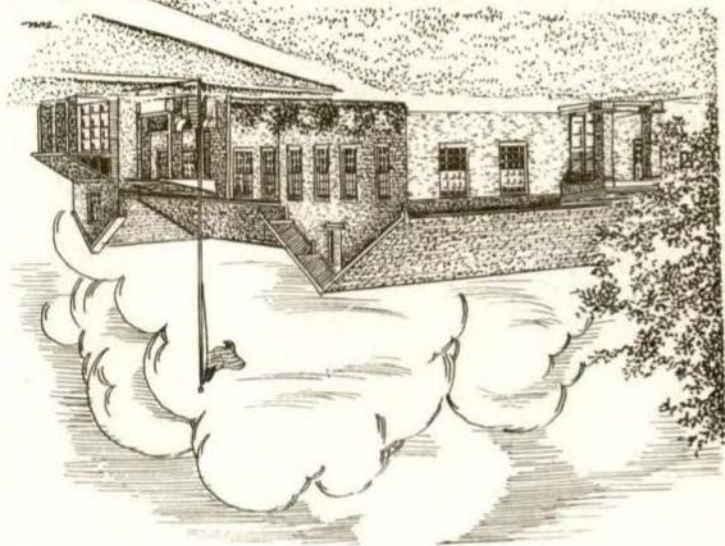

Most sincerely,

Dear Mrs. Kennard,

Mr. Stovall called for the clothing left at Blair's store by your C. W. F. and we want to very sincerely thank all who made this contribution to our store possible.

We surely appreciate Mr. Blair's cooperation in helping to get the clothing to us.

Please know that we deeply appreciate your keeping our needs in mind and every effort put forth in behalf of the work here at the Academy.

Most sincerely,
Dorothy Stovall
