READ CAREFULLY:

1. The University reserves the right to revise this schedule in any way that seems desirable.
2. Special permission must be secured to carry a student load of more than 17 hours. (Maximum for graduate students - 15 hours.)
3. Courses numbered in the 300's and 400's carrying the letter "G" may be taken for graduate credit by qualified students. Graduate students enrolling for any of these courses should check carefully with both the course instructor and the Dean of Graduate Programs to be certain of prerequisite qualifications.

STEP 1. Sophomores, juniors, and seniors should pick up the preliminary portion of their registration packet at the office of the Dean of the School of their first major prior to reporting to the Field House. Fill in the information requested on all of the cards EXCEPT the class schedule on the white registrar's card and the final schedule on the front of the student information card which will be completed after you have received all class cards. Complete in pencil or ink as specified.

STEP 2. All students will report to the Field House (Station "A") as called for in the alphabetical schedule for registration on page 7. Students should check the "drop and add" boards located in the Field House and begin to select other alternatives for classes or sections shown as closed.

STEP 3. Students will pick up their master card and the remainder of their registration packet at Station "B".

STEP 4. (a) Juniors, seniors, and graduate students may proceed directly into the multi-purpose room through Station "C".  
(b) Freshmen and sophomores will be required to have their trial schedule cards stamped and signed by an adviser before entering the registration area at Station "C". Advisers will be located on the second floor level of Laughlin Building in the following rooms:

School of Applied Sciences & Tech....	LB 207
School of Sciences & Mathematics ....	LB 208
School of Education .....	LB 209
School of Social Sciences .....	LB 213
School of Humanities .....	LB 215

STEP 5. Upon entering the registration area (Station "C") students should report to the Program of Studies table at the school of their first major in Area "D". No class cards will be issued unless the Program of Studies card has been officially stamped and signed.

If a change in your schedule becomes necessary because of conflict, closing of a section, etc., be certain that any class cards you have already received, but will not be able to use, are returned to the station that issued them. If you have any trouble with your schedule that cannot be resolved by those handing out cards and advising, please see the Dean of your school.

STEP 6. After you have received class cards for all courses you are to take, go to the tables set up in Area "E" and enter your final schedule in ink on the reverse side of the Registrar's Card (white) and on the front side of the Student Information Card.

Personal information requested on all cards in your packet should also be filled in at this time.

STEP 7. Go to the "Final Check" station at Area "F" for final approval of your schedule of classes. It will be necessary at this time to present for checking in this order:

- Your Master Card (pink)
- Your Student Information Card
- Your Registrar's Card (white)
- Your Class Cards arranged in the order listed on your Registrar's Card

STEP 8. After your Registrar's Card (white) has received the "Final Check" proceed to the Student Affairs desk (Area "G").

STEP 9. Proceed to the Business Table (Area "H") to pay fees and complete your registration.

Leave by EXIT "I".

Classes will begin at 8:00 a.m., Friday, September 19, 1969, on your M-W-F schedule. Since you will turn in all class cards and your Student Information card upon completion of registration, be sure you make a copy of your final schedule for your own use.
