GODDARD HOUSE.

A star in our twillight fell,
'Mong peasant bomen in vales r
Men marveled not till all the dell
Was waked as by a bugle note.

They wondered at the wild-eyed boy, And drank his song like draughts of wine; And yet, amid their new-born boy, They bade him tend the hords and swine.

But he knew neither swine nor herd file shepherd soul was otherwise; Tise flocks he tended were the birds And stars that fill the folds of sir.

The brooklet fining its ringing wide, And leapt to him, and kept his pace— Sang when harsetin, and when he sighed, Turned up to him its starry face.

Through many a dawn, and noon, and nig The singing boy still kept his course; For in his heart that moteor light Still burned with all its natal force.

The chikiron in their May-time plays

And many a heart, by hope forsock, Received his song thre' depths of pain, As the dry channels of a brook. The fre-liness of a summer rain.

But when he looked for house or bread,
The stewards of earth's oil and who
Shook sternly the reproving head,
And hade him tend the herds and swine

Oracle Control of White Control of Control o

And said, "Would you have wh You need but plaw, and sow, and resp. And daily tend the bords and swine."

A supplifie on the larmer sain.

He strewed the vale with flowers of so lie alled the homes with lighter grade whole round above hearth-stone ling and still makes beautiful the place.

His war songs fired the buttle-host, His mottoes on their banners barne And when the fee had fled the coast, Wild with his songs the troops return

Then at the feast's triumphal board,

What I be a bard I. Then bid him go And bego it is the pert's trade I. Dan Horner was the first to show I be rank for which the bards were made!

'Neath suns that burn, thre' storms that He went, as outcast from his birth, Still singing—for they could not quench The fire that was not bern of earth.

At last, behind cold prison-bars, By colder natures unforgiven, His frail dust starved! but 'mid the stars, His spirit found its native heaven.

ow, when a meteor-spark forlorn, Descends upon its fary wing, igh to think a soul is born, Perchance, to anifer and to sing: ts own heart a consuming pyre
Of flame, to brighten and refine:
aluger, in the starry choir,
That will not tond the herds and swin

I Wept Beside Thy Grave.
