'Leave, Or I'll Shoot' - So She Pulled The Trigger

Emphasize Benefits To Rowan County

Steen Kentucky communities including Rowan County, are due to get a new college buildings if the \$176 million bond issue is approved on November 2.

The breakdown was reported today by the Committee on Public Higher Education composed of leading alumni from the University of Kentucky, University of Louisville, and the state colleges of Murray, Western, Kentucky, East, Eastern and Morehead.

Max Hurt, Kirtley, Kentucky, is the committee chairman.

A West Morehead woman, Lodaisy Prater, 40, shot and wounded Best Walker, about 45, also of Morehead, Friday evening in what Police said was an "intra-neighbor-family" disagreement.

Mrs. Prater, divorced, told Police that Walker's wife was staying at her home, having left her husband.

She related that Walker came to her (Mrs. Prater's) home about 8 p. m., threatening both women.

Mrs. Prater, according to Police, gave this version - "I got my loaded .22 pistol, ordered him (Walker) to leave - he thought I was bluffing and kept threatening and refused to leave my house - so I leveled down and shot him."

That stopped the argument and Walker left - but in an ambulance.

Physicians at St. Claire Medical Center reported Walker was shot in the right side requiring immediate, and emergency surgery. His condition today was reported satisfactory.

Mrs. Prater executed bond on a shooting and wounding charge. Her case will come before the November Circuit Court grand jury.

City of Morehead investigating officers were Ed Hall, Bill Bowman and Carl Johnson.

Chief of Police Callis Coyle said the woman had threatened to shoot her version of the shooting.

Chief Coyle said this morning he was underdressed from City Hall arrest order that Mrs. Prater fired one "warning" shot over Walker's head before aiming directly at him.

"Appears to be a plain case of Walker thinking she was bluffing, when she meant business," Coyle reportedly commented. "You never can tell about these women."

Garbage Truck Cost \$9,000

An excerpt from "Tiger Talk" (advertisement) in the last issue of The Morehead News was incorrect due to a typographical error, which should have read - "The city could afford a \$9,000 street sweeper, which apparently will be used to sweep three or four streets, but could not afford to support the HEALTH DEPARTMENT even at the low level of last year because of an 'OVERSPENT BUDGET'."

Rowan Health Office Needs Clerk-Typist

On Friday, Oct. 22, at 9 a.m. an examination will be held by the County Health Department on West Sun Street, Morehead, for the position of a clerk-typist in the Rowan County Health Department.

Minimum requirements for admittance to the examination are as follows: Graduation from high school including or supplemented by a course in typing. [Each year of satisfactory clerical experience or each successfully completed year in a recognized school of business may be substituted on a year-for-year basis for the education requirement up to a maximum of four years.]

The beginning salary is \$2,000 per month. Persons interested in taking this examination can obtain application blank from the Rowan County Health Department, or by writing the County Health Department, 275 East Main Street, Frankfort, Kentucky. Applications must be received by the Merit System Office or be postmarked on or before midnight Wednesday, Oct. 20.

Fire Towers Manned

Firefighters across the state will ascend their lookout towers during this week to begin their annual surveillance of Kentucky's forests.

The coming of October signifies the arrival of the fall fire season and State forestry officials are hoping to duplicate the record achieved in forest-fire

control during the season last spring.

A total of 1,243 fires were reported during the spring season - the lowest number in the history of state forest-fire protection. Sprinkling fires usually run between 2,000 and 2,500, according to State Forestry Director Gene L. Surber.

HEAD NEW ORGANIZATION... These are the officers of the 31 member Morehead Student and Professional Women's Club installed at charter night Monday, Lily Walcott, 1st Vice-President of the Kentucky Federation, installed the officers, pictured above: Vivian E. Young, President, Myrtle Woodford, 1st Vice-President, Julia Fisher, 2nd Vice-President, Odell Elam, Recording Secretary, Betty Stucky, Treasurer, and Mildred Prater, Corresponding Secretary. The charter was presided by State President Harriet Culver.

Importance Of Insurance Plan Is Stressed

By Thomas B. Thompson

In my last column I discussed hospital insurance benefits for the aged under social security, which provides basic protection for people 65 or over against hospital and certain related expenses.

Now, I would like to consider the medical insurance plan, which supplements the hospital

McBryer Sells Registered Angus

Joe McBryer, Morehead, recently sold an Aberdeen Angus bull to J.C. Adams, West Liberty, Ky.

McBryer is a member of the American Angus Association which registered the sale papers.

Insurance program. Nearly all people 65 or over, whether or not they get social security or railroad retirement benefits, can enroll in the medical insurance plan.

Enrollment will be on a voluntary basis.

American Dairy Association of Kentucky will hold its District 10 Dairy Conference October 14 at 7:30 p.m., at the Health Center in Morehead.

Highlight of the evening will be the crowning of the District Dairy Princess who will represent this area at the annual State Meeting in Louisville next March. Also scheduled on the program are short talks by those agencies co-sponsoring the conference with the American Dairy Association of Kentucky. These include: "The Expanded Program of KABA" by Kentucky Artificial Breeding Association; "Services Available Through the Department of Agriculture" by the State Department of Agriculture; "Farm Bureau Dairy Activities" by the Kentucky Farm Bureau Federation; Discussion by the Extension Secretary of the University of Kentucky; and the report of the American Dairy Association of Kentucky. Refreshments will be given.

Bull Of Buckhorn Featured Speaker

Custer Reynolds, rated by many as the best football player ever to play at Morehead State, will be heard at Lay Services in the Ovingdale Methodist Church Monday [Oct. 11] at 11 a.m.

Pastor William C. Moody said Reynolds, "one of the most forceful, and effective religious speakers, will give the principal message."

Reynolds was known in his college days as "Bull of the Buckhorn" and Kentucky sports writers generally agree he would have been an American at a larger college, or University. Morehead did not have it's near 5,000 enrollment then, as now.

Reynolds was a 'terror' on both offense and defense. Instead of tackling he generally blocked the

opposing ball carrier. Reynolds' power usually jolted an opponent several feet. Once Morehead had a comeback from the game because of injuries to opposing players.

The U.S. Army Academy attempted to obtain Reynolds as a fallback. He didn't relish West Point, but did serve three years during the last war in the Marine Corps.

He is presently Director of Teacher Education at Ashbury College, and has turned to the Ministry. His services at large religious gatherings are in demand.

Although a fierce, tiger-like, competitor in sports, Reynolds, is gentle - soft spoken - and interjects the Bible in a convincing but soft voice.

Retrospective

Birth control would have far more supporters if it were possible to make it retroactive in certain cases.

HONORED... Mrs. Wayne Wiley has been selected as the Homecoming Club delegate from the Carter Cave Area to the University of Kentucky Family Life Seminar. The seminar is being conducted by the University Faculty Oct. 6-8 on the University of Kentucky campus. Mrs. Wiley is representing the homecoming club members from Boyd, Greenup, Carter, Morgan, Elliott, Rowan, Menifee and Lawrence counties. Delegates are expected to take leadership in the development of similar seminars in their areas. The objective of the seminar is to improve family life through helping family members gain insight into their own values and an understanding in the area of causes of behavior.

Final, Official Figure - Enrollment Is 4,656

Morehead State College has a record fall enrollment of 4,656 students - an increase of 22.5% over the 1964 fall enrollment. The new all-time high enrollment figure tops the previous high of 3,802 students in the fall of 1964 by 854 students.

Morehead's enrollment total does not include the Breckinridge Training School enrollment or the

persons who are enrolled in off-campus centers or correspondence courses.

Students are enrolled at Morehead from 43 Kentucky counties, 28 other states and ten foreign countries.

Rowan County, the local site of Morehead College, has the largest county enrollment with 276. Jefferson

County has the largest enrollment exceeding Rowan County with a total of 211 students closely followed by Boyd County with 208 students. Other counties with large enrollments at Morehead are: Carter 180, Greenup 162, Pike 149, Floyd 130, Wayne 109, Menifee 102, Mason 93, Fayette and Letcher Counties 89 and Johnson County 79.

SCOREBOARD GOES UP... Members of the Morehead Jaycees erect the new scoreboard at the Rowan County football field. Formal dedication and presentation of the scoreboard to Rowan County Board of Education (Friday) at the Rowan County-Jaycees County football game. Jaycees workers working on the erection of the scoreboard are: Nick Dunn, Zane Collins and Arvid Crane.

Record Homecoming Crowd Expected

Each MSC Academic Division To Hold Open House Saturday

The annual Morehead State College Homecoming will be held on Friday and Saturday, October 8 and 9, with a record crowd expected.

Events planned for October 8 are Dave Brubeck and his great jazz group in concert, preceded by a candlelight dinner. Highlighting the October 9 schedule are the traditional homecoming dance and football game. The Friday evening candlelight dinner will be held from 6:00-8:00 p.m. in the Doran Student House. It is open to alumni, students and parents, as well as to the general public. The women's social clubs and the Student Council are working with the Dean of Students Office on this event.

Among World's Best

One of the world's foremost jazz groups, the Dave Brubeck Quartet, will appear in concert at 8:00 p.m. in the 5,000 seat Fieldhouse. In addition to Brubeck at the piano, the quartet is made up of Paul Desmond, Gene Wright and Joe Morello.

Tickets may be purchased at the college Business Office. Prices are \$2.00 for students in advance and \$3.00 for adults.

Registration Saturday begins at 8:00 a.m. at two campus locations, in front of the Doran Student House and at

the old stadium. Owens and Circle K will help with the registration. Following at 10:00 a.m. will be open houses held by each academic division in the following places:

Division of Applied Arts - Agriculture, HE-216, Agriculture Faculty, Agriculture Club, Business, Combs Classroom, Room 306, Business Faculty, Phi Beta Lambda: Home Economics, HE-216, Faculty Home Economics, Home Ec. Club and Industrial Arts, HE-216, Industrial Arts Faculty, Industrial Arts Club.

Division of Fine Arts - Music, Baird Music Hall, Music Faculty, Phi Mu Alpha, Sigma Alpha Iota, SMEN, Art, Art Department (Alue Young Hall), Art Faculty, Kappa Psi, Beaux Arts and Speech & Drama, Combs Classroom Room 213, Speech & Drama Faculty & Staff, Foreman Union, Morehead Players.

Division of Languages and Literature - English, Combs Classroom, Room 222, English Faculty, Lambda Iota Tau, Foreign Languages, Combs Classroom Room 421, Mrs. Moore and Dr. Rathman, Latin Club.

Division of Science and Mathematics - Science and Mathematics, Lobby - Lappin Hall (Science Building), Science and Math Faculty, Beta Chi Gamma, Mu Phi, Mu Sigma Chi.

Others Will Participate

Division of Social Studies - The Social Sciences, C. Rader Building Room 206 [Old Adm. Bldg.], Social Studies Faculty.

Division of Professional Education - Secondary and Elementary Education, C. Rader Building Room 310 [Old Adm. Bldg.], Education Faculty, S.N.E.A.

Division of Health, Physical Edu-

cation, Recreation and Athletics - HPER & A, Breathitt Sports Center, Physical Education Faculty.

Library [10:00-12:00 only] - Library Science and alumni, Second Floor, Staff Lounge, Ione Chapman, Sibbie Playforth, Margaret Stone, Alpha Beta Alpha.

The luncheon is scheduled Saturday from 11:00 a.m. to 1:30 p.m. in the cafeteria of the Doran Student House. Tickets are \$2.00 for students and adults and \$1.25 for children.

Morehead's Eagles play host to OVC rival, Murray State College, in the new 10,000 seat Breathitt Sports Center at 2:30 p.m. An appearance by Governor Edward T. Breathitt is scheduled, at which time he will dedicate the Center named in his honor. At half-time ceremonies of the football game, the 1965 Homecoming queen and her court will be presented. The winners in the decorative decorations contest will be announced at this time. The homecoming theme this year is "Our Kentucky Heritage." All efforts will follow this idea in colorful and festive decorations.

Post-game receptions are scheduled to begin at 5:00 p.m. and will be sponsored by various campus organizations.

Along with the homecoming festivities will be the annual homecoming dance in the Fieldhouse from 8:00 to midnight. The theme, "Our Kentucky Heritage," will be carried out in elaborate decorations. The college stage band will provide dance music.

Ready For Homecoming

Receiving admiring glances from Morehead State College majorities is drama major Sam Shuff, a sophomore from Louisville. Marching at the head of Morehead's fine 130-piece band with Shuff are: (1 to 3) Camil Williams, a junior from Morehead; Donna Dietz, a freshman from Monroe, Ohio; Georgette Margrace, a sophomore from Turtle Creek, Pa.; and Karen Prater, a freshman from Russell. The Morehead band was recently featured in an Associated Press story sent around the world in the A.P.'s weekly feature service. The band will perform for the first time at home this weekend on Saturday, before Murray before an expected homecoming crowd of over 10,000.

ORDINANCE

AN ORDINANCE IMPOSING AN ANNUAL REGISTRATION LICENSE FEE OF \$10.00 UPON EVERY MOBILE HOME OR TRAILER PARKED OR LOCATED WITHIN THE CITY.

BE IT ORDAINED BY THE BOARD OF CITY COUNCIL OF THE CITY OF MOREHEAD, KENTUCKY, AS FOLLOWS:

SECTION I. - DEFINITIONS: "Mobile Home and House Trailer" means any vehicle or similar portable structure having been constructed with wheels (whether or not such wheels have been removed) and so designed or constructed as to permit occupancy for dwelling or sleeping purposes. "Trailer Park" means an area of land upon which one or more occupied mobile homes are parked free of charge or for revenue purposes.

SECTION II. (A) - REGISTRATION & LICENSE: Every person, firm or corporation owning a mobile home or house trailer (excepting those mobile homes or trailers kept for regular sales purposes having a bona-fide business establishment) parked within the corporate limits of the City, shall register each such mobile home or trailer with and pay to the City of Morehead a registration license fee of \$10.00 per annum for each mobile home so owned and parked. Such license shall not be transferable except upon acquisition of a mobile home to replace one already licensed hereunder. The owner shall register such mobile home with the City Building Inspector and Code Enforcement Officer, which officer is chargeable with the inspection of the location and parking of the

mobile home, its utility connections, its conformity with the Zoning Ordinances, and all city regulations.

Section II. (B) - Each trailer park owner or operator shall furnish and notify the Building Inspector and Code Enforcement Officer, in writing, when any mobile home is parked in his trailer park and within seven (7) days after such locating within the trailer park.

Such owner or operator shall also, upon the adoption of this Ordinance, render a list of the mobile home owners parked on his trailer park. The trailer park owner or operator shall further advise the mobile home owner of the necessity to so register and receive a license as hereunder within seven (7) days after such parking.

SECTION III. - DISPLAY OF LICENSE: Upon such registration and purchase of such license, the owner shall receive a license registration sticker which shall be affixed to the mobile home in a conspicuous place thereon.

SECTION IV. - PURPOSE: The proceeds of the collection of the registration license fees shall be deposited in the general fund of the City to be used in the enforcement of this Ordinance, inspection, parking and regulating mobile homes within the City, and for the purpose of maintaining the City Government.

SECTION V. - PURCHASE AND EXPIRATION DATES: The period for which each license shall be valid is from November 1, 1965 through August 31, 1966, provided however, the period for which each license during a year shall be valid thereafter shall be

from September 1, through August 31. No refund shall be made for any unused portion of a license year. Owners not qualifying for payment of a license fee at the beginning of the license year shall not be permitted to register such mobile homes for any proportion of a license year.

SECTION VI. - LICENSE IN LIEU OF AD VALOREM TAXES: The registration license required hereunder shall be in lieu of City Ad Valorem taxes on such mobile homes and house trailers.

SECTION VII. - PENALTY: Any owner failing to register and pay the registration fee as directed herein or who fails to display the license sticker issued or who violates any provision herein, shall upon conviction, be fined a sum of not less than \$1.00 for each day viol-

ation in addition to the requirement of registering such mobile home. Any trailer park owner or operator who fails to give notice of the parking of any mobile home in his trailer park as herein required, shall upon conviction, be fined not less than \$25.00 nor more than \$50.00.

SECTION VIII. - SEPARABILITY: If any part, clause or section of this Ordinance be declared invalid or void for any reason, such invalidity shall not affect the remaining portions.

SECTION IX. - REPEAL CLAUSE: There is hereby repealed all previous trailer and license Ordinances which are in conflict with this Ordinance.

effective upon its adoption, publication according to law, and upon the 1st day of November, 1965.

PASSED AND ADOPTED by the Board of City Council of City of Morehead, Kentucky this 21st day of September, 1965.

Eldon T. Evans

Christmas Gift Suggestions For Men Overseas

What does the American serviceman in Vietnam, Newfoundland, the Azores, Germany, or anywhere else far from home, want for Christmas? Red Cross workers stationed with troops throughout the world have asked them for suggestions and found these answers:

1. Homemade things like candles, cake, sweaters, and pictures of the family top every list.

2. Favorite brands of cigars, hometown papers, and "surprise me" gifts turned up in many of the replies.

3. Many of the younger men, including officers, are interested in gifts of clothing in the latest style to supplement the good but more conservative clothing available in the post exchanges.

The United States Post Office recommends that for military addresses overseas, surface mail should be sent between October 21 and November 10. Mail and parcels by air should be sent between December 1 and December 10. For the Far East and South-east Asian destinations, the opening date for each method is recommended.

TIGER TALK FREEDOM PARTY

NORMAN TANT For City Council

This is the Emblem and this is Name to look for in the City Council election!

Many years ago when I unlearned my old hard-tail mule, hung up my patched Hawk Brand overalls, pulled off my brogan plough shoes, said goodbye to my Mom and Dad, left our rocky farm in the red hills of North Georgia and set out to work my way through college, I resolved to do the very best I could at anything I set out to do. Ask anyone along the way I have passed and they will tell you I have always given "Methodist Measure" - heaped up and pressed down - on every project I have undertaken. I gave this sort of service when I served on City Council before, and I shall, again if I am elected.

I was not born with a SILVER SPOON in my MOUTH, NO RICH RELATIVES ever left me GREAT SUMS OF MONEY. I have WORKED, FOUGHT and SCRATCHED my way up from poverty to a rather comfortable condition. I shall never forget, though, what it is like to be very poor. I SHALL NEVER FAIL TO TAKE THE SIDE OF THE "LITTLE MAN"

Vikings Improved, But Drop 7-0 Decision To Catlettsburg

BY CLAUDIA HICKS

Previously battered Rowan County fought a bruising battle to lose to Catlettsburg 7-0, Saturday night. Rowan County held Catlettsburg scoreless until the 4th quarter. When Catlettsburg plunged 3 yards to break the tie. Catlettsburg was within the 20 yard line four times and only one attempt for touchdown was good. Rowan County's closest yardage was the 15th when a fifteen yard penalty kept them from scoring.

The Rowan County's offensive line during the 1st half nearly matched Catlettsburg's rushing with 112 yards to compare with their 138 yards. Catlettsburg's 128 yards rushing 2nd half accounted for their touchdown. Rowan County got 49 yards rushing 2nd half but their defensive made up the slack in yardage. Leading back Ronnie Porter carried the ball for a total of 73 yards, other leading carriers were Gary Casper, Ronnie Kaggs, and Jamie Wells. Gary Trent charged 46 yards on Passes by Gary Casper to add to the enthusiasm. Rowan

County's offensive ranked high with 181 total yards against Catlettsburg's 221 total yards. Rowan County had an outstanding defensive line using driving tackles against Catlettsburg. Guard Galen Castle clobbered the Catlettsburg back field getting thirteen tackles. Next leading tackler was Arville Allen with ten, and Glen Thomas and Clayton Thomas tied with seven. Rowan County's Ben Jackson and Glen Thomas picked up two of Catlettsburg's fumbles. Rowan County's defensive lost only 45 yards on penalties and Catlettsburg lost 55 yards.

The quick, high stepping Rowan County High School Band performed the pregame and half-time show using a series of new and popular numbers to entertain the crowd. All eyes were focused on the majorettes in their new uniforms which added spice to the show.

Rowan County hopes to bring another crowd thriller this Friday night by defeating Morgan County.

able, and willing to fight for their beliefs. I was wrong—technically—when I said last week no taxes are paid on the low rent housing project. A payment in lieu of taxes is made quarterly. The property is not on the tax books, however. This year the City of Morehead will receive the sum of \$291.90 in place of taxes on Rawcliff Heights. If the same property were regularly taxed on the same ratio as my own home and as other Rawcliff Heights would have brought into the city not less than \$9,000 this year, or over 30 times as much as it will! I am willing to admit it when I am wrong!

YOU ARE IN DANGER! For more than two years the MAYOR and CITY COUNCIL have had a PRIVATE TELEPHONE LINE, paid for by the city, in their "ELECT" SESSION BACK ROOM in City Hall. Only they have keys to the room. The POLICE DEPARTMENT and CITY CLERK have to SHARE a TELEPHONE. If anyone were talking to the City Clerk about taxes or some other city business and a hoodlum invaded your home or tried to hold up your place of business you COULD NOT CALL THE POLICE! I call upon the MAYOR and CITY COUNCIL to have this PHONE moved AT ONCE to the CITY CLERK's office and GET IT LISTED AS SUCH. I would not object to them having an extension phone up there for the little time they have left in which to "operate." The POLICE PHONE should be kept open for POLICE BUSINESS!

MOREHEAD has been at a STAND-TILL OVER A YEAR! I call upon the PRESIDENT MEMBERS OF CITY COUNCIL - and the Mayor - who are NOT ELECTED - either by DEFEAT OR DEFAULT - on November 2 to RESIGN on NOVEMBER 3. LET'S GET MOREHEAD BACK ON THE MOVE!

VOTE ONLY for the CANDIDATE, or candidates, who have taken a STAND--and whom you can believe--in the election. You do not have to vote for six. Six will be elected anyway, and if the CANDIDATE who has TAKEN a STRONG STAND gets a MUCH LARGER VOTE than the other "WARM BODIES" then he will be in a STRONG POSITION TO FIGHT YOUR BATTLE. THEY CAN'T OPERATE THEIR DEALS IN THE BACK ROOM if they win a TICKET!

WORK AND VOTE for NORMAN TANT for CITY COUNCIL! PUT A TIGER ON YOUR TICKET!

This ad paid for by Citizens for Norman Tant for City Council.

Breck Endorses Issue

Endorsements of the \$176 million bond issue to be on the November ballot have now passed the 500 mark with the latest coming from the Breckinridge Training School. Parent-Teacher Association of Morehead.

IRS Warns Watch For Forms

District Director of Internal Revenue Hooks said today that manufacturers, retailers, employers, and others filing Federal tax forms 720 and 941 will receive pre-addressed forms by mail on or about September 24, 1965.

Mr. Hooks urged taxpayers to use the pre-addressed forms; since they also include the correct identification numbers, accurate names, addresses and identification numbers will insure prompt and proper credit when these returns are processed through the Au-

tonomic Data Processing System [ADP] at the Cincinnati Service Center. Mr. Hooks said that new filers can obtain blank forms in their district office. He urged taxpayers to verify the accuracy of the identification number and address information when completing the form. Employers without identification numbers should attach Number Application Form 35-4 to the return, Mr. Hooks said.

Bids Sought On Road In Rowan County

BY JOE J. MAUK
Forest Supervisor Robert F. Collins of Winchester has called for bids on the construction of 3.79 miles of road located in the Morehead District of the Cumberland National Forest. The project is located in Bath and Menifee Counties. The job begins at Forest Service road #129 at the top of Clear Creek and Leatherwood Hill at the Bath - Menifee County line and will end near Tater Knob Fire Tower. Bids will be accepted until 10:00 a.m., EST, on the 26th of this month. A showing of the project to prospective bidders will be held next Thursday, 13 Oct. 65. Interested bidders should meet with a Forest Service representative at the intersection of Ky. 211 and U.S. 60 near Caudill's Ashland Oil Service Station in Salt Lick at 9:00 a.m., to be shown over the project.

The annual influx of motorist from the cities to the hill country about the 15th of October each year to see the forest foliage in a blaze of color will be delayed this year a week or so. That is if we do not get some killing frost within this week. Normally it takes a week or ten days for the chemical reaction after a killing frost to change the leaves of the hardwoods to the various hues of color. However, when the killing frosts are late they usually occur at all elevations at the same time and the change of leaf colors occur at the lower or valley elevation and on up the higher ridge top elevations at about the same time. Should this take place the woods become a blaze of color at the same time from top to bottom.

Killing frosts not only bring about a change of color of the leaf foliage but they also start a rapid fall of leaves which in turn increases the danger of forest fires. The fallen leaves are usually dry and curled up, making a carpet of highly inflammable material over

the forest floor.

Fire is much easier ignited and spreads rapidly while the leaves are in that fluffy stage. After they are on the ground for some time and fall rains or heavy snow press them out flat on the ground they absorb and retain moisture for a longer period of time. Some of our hardwoods, such as the oaks do not drop all of their leaves in the fall. They hang on through the winter until new buds push them off in the spring. This creates another carpet of fluffy leaves on the forest floor which stay in a highly inflammable state

until the lesser vegetation such as vines, small shrubs, grass and weeds come up through the leaf covering and reduce the inflammability. That is the reason we have a critical fire danger period in the fall and again in the spring. Also while the trees are bare of foliage the sun and wind has much more drying effects on the fuels on the forest floor. These critical periods normally are from October 1 to December 15 in the fall and from March 1 to May 15 in the spring. These critical fire danger periods have been recognized by

our state government and laws have been passed and made a state statute prohibiting the burning of any inflammable material capable of spreading fire, located within one hundred and fifty feet of woodland or brush land, except between the hours of 4:30 pm and midnight, CST, which in our area would be 3:30 p.m., EST, and 12:00 midnight. The intent of the law in this case is to keep people from burning during the period considered as the heat of the day when the winds are normally more prevalent and the woods drier.

\$150.00 REWARD

Tennessee Gas Pipeline Company Division of Tennessee Gas Transmission will pay \$150.00 for information leading to the arrest and conviction of the person, or persons, destroying or stealing company pole lines and cable. All information strictly confidential.

"We have only
one regret about
converting to
electric heating

...not doing it years ago!"

say Mr. & Mrs. Don V. Drye, Sr. of Bradfortville

The reason is common among homeowners who have converted to this modern, familiar way of heating. Many are amazed to discover the electric heat they can afford to heat with it. The Dryes felt this way. They said, "We couldn't believe that heating electrically cost so little. Now we'd never go back to any other way of heating."

Efficient electric heating is clean and quiet too. There's very little maintenance because there are no moving parts to wear out or adjust. And individual room controls give everyone in the home their own individual-room choice of comfort level.

If you're planning to remodel (and even if you're not just yet) why not call your KU heating specialist and discover all the advantages of electric heating. It's your final step up to the joy of total electric living.

THE PUBLISHER'S PEN

Humor, Making Money Combination At Annual Saint Claire Auxiliary Auction Sale

The genteel, dedicated ladies of St. Claire Auxiliary had a rather pleasant, and financially successful, auction Saturday.

It was their annual auction, and they raised three or four hundred dollars (story elsewhere in this issue). Of course if the housewives had been paid one-fifth of the minimum wage scale their collective earnings (like business pays) spent on this project would have been in the thousands of dollars.

A wise man once said he figured that every cake his wife baked cost him at least a hundred dollars... a friend emphasizes that if he had never married, saved all the money his wife spent, particularly on clothes, and invested it wisely he would be a millionaire.

But, he wouldn't have had a wife, and we must confess that women are more tangible than cold dollars. They also feel better, but have the sometimes frustrating technique to talk and fight back.

Getting back to that Auxiliary auction—Mrs. Bill (Sidney) Lane was one of the volunteer workers, helping arrange the [donated] items for the auctioneer.

The sale was underway when Sidney observed the bid had gone to \$3 or more on a cashmere sweater.

"That's my sweater," exclaimed Mrs. Lane. "It's not supposed to be sold."

Let it go on the [to-be-auctioned] table by mistake.

"I was told to sell everything here," came back volunteer auctioneer Kendall Keenra, and continued to chant, "What am I bid for this like-new ladies' sweater."

Sidney had to pay \$3.75 to get her own sweater back.

The \$3.75, along with the other dollars, will go for one of Morehead's most worthy causes, deserving the support of everybody.

She has her cashmere - the Auxiliary is enriched \$3.75 - and Sidney should be satisfied with the [for free] public interest imparted between. About the only fair sex loves better than men are: [1] flattery and [2] [favorable] publicity.

ALWAYS HAPPENS - The office boy offered the wagger a dime the Morehead "Eagles" would beat Tennessee after the last appearance of this column which was downright critical of the Morehead team. He said this Publisher didn't miss on politics and some other things be-

cause he had inside information, but when it came to the Kentucky Derby, football, basketball and baseball, we knew less than Oscar McGlothlin. Morehead was 15-14. We held little hope for a Homecoming victory against Murray Saturday, but hope to again be pleasantly surprised. Incidentally, Gov. Breathitt was in Morehead Tuesday (Chamber of Commerce luncheon) and will return Saturday for dedication of Breathitt Sports Arena, named for the Chief Executive. Seating 10,000, it's Kentucky's third largest. Stoll Field [UK] and the Fairgrounds [Louisville] are the only two outdoor arenas in the Commonwealth that will hold more people. Don't be surprised to see all the seats filled Saturday... the student body need half of them.

SWANK AFFAIR - Craig Sprout and Timothy Tugmott commented last issue that this fellow, Carl Perkins, must be somebody because his name had been in The Morehead News for extra so much. If you don't think that Mr. Perkins is one of the 'inside' leaders at Washington you could read the telegrams received for the NEA Appreciation Dinner at Morehead Saturday. President Lyndon Johnson and Vice-President Hubert Humphrey generally don't get along with laundry messages. The U.S. House of Representatives met until 10 o'clock Friday evening and adjourned Saturday in honor of Congressman Perkins. We happen to know that phone calls are exchanged almost daily between LBJ and CDP. That's good, except they don't relish a community (not country) [Publisher] listening in on an extension. Incidentally, the Perkins luncheon Saturday was the most enjoyable - best planned - had more good [and smart] speakers than any it has been our privilege to attend.

WORTH THE PRICE - Tomorrow [Friday] is this scribble's birthday... same age as Jack Benny claims - if you want to say "Happy Birthday" a good time will be at the Dave Brubeck Concert in the Fieldhouse at 8:30 p.m. We asked one of the staff of the Field House (MS student newspaper) if Brubeck, and company, were good. His answer: "You're the best newspaperman I know, but Brubeck is better at music than you are at writing." That

smirks of brown-nosing. But, we are forking over \$3 on our birthday to hear said Brubeck even though the files show he's not one of our paid-up subscribers.

LOVELY - This newspaper has been justly criticized as 'most reluctant' when it comes to free advertising. Actually, we'd like to do it, but there's a matter of paying employees, paper, ink and materials, plus this Publisher getting at least two meals a day even though our good doctor friends are watching our diet. We've changed from bologna and crackers to chicken because chicken is two-thirds cheaper.

But, there is a display in Morehead this week that everybody should see. It's so beautiful... appropriate... really outstanding; that a fellow like us with artistic tastes, but limited cultural vocabulary, cannot describe.

The display case at the Eagles Nest contains six dolls dressed like the MSC candidates for Homecoming Queen. The hair, the gowns... everything is so life-like and lovely, including the wife of the President of Morehead State College.

Suggestions: [1] Stop by and see yourself. [2] After Homecoming these dolls should be in the most appropriate display case at Johnson Camden Library or some place on the campus.

They are the creations of Mrs. Austin [Mabel] Riddle, wife of the co-owner-manager of the Eagles Nest. She must have spent countless hours - days - even weeks on this achievement of art.

Saturday marks this community Publisher 37 consecutive Homecoming at Morehead... haven't missed a one, including the football game, since 1929. These dolls outclass, in our book, any local creation in the 37 years. They're prettier than the dolls that used to be reluctantly put on their dance card at Homecoming dances... those were the days our hair was slicked with vaseline.

This display is the kind of spirit that draw Moreheadians like you and me closer together with the Morehead State College administration, and personnel. The result - everybody benefits.

Congratulations, Mabel!

WE DON'T KNOW - This office keeps getting the question: What does the withdrawal of three [incumbents] from the

Council race mean? It spells this: [1] What the headline said - Chances of Morehead piping water from Licking River are improbable. In fact, that is all but gone down the drain, and [2] There should be no personal criticism of those Council members. They had their own convictions, and we find little in the record that is arbitrary, although mistake on top of mistake has been made. And to our friend, Norman Tait, the some sixth time photo-graphy work for this newspaper [we would as Chairman of the Morehead Municipal Housing Commission] document [from the official records] that he is incorrect in:

[1] Rawcel Heights does pay taxes, [2] Slum clearance was, and has always been, the priority recommendation of the Morehead Commission but was rejected by PHA because all the slum areas are within the Triplett Creek flood zone; and [3] Assignments of Rawcel Heights dwelling units are in conformance with standards [mandatory by signed contract] set up by the Atlanta Regional PHA office. Regarding the time has come for all of us to get out our lead pencils [as my closest friend, the late Mr. Chief Justice Fred M. Vinson used to say] and do some figuring - cast aside fancied selfish self-made, and undoubtedly distorted, mis-reported and magnified differences and get down to some real business... that of cooperatively building a greater Morehead and Rowan County. If we'd all become good Indians, instead of trying to be Chiefs [including this Publisher] our community will be finer, happier and more prosperous place in which to live. This way and only this way can we halt the 'ever growing' adverse criticism that is creeping in nearby communities, and over the state.

SENTIMENT GROWS - This newspaper recently predicted that Cumberland National Forest will be re-named 'Boone National Forest'. Today, there comes across the desk some official information that 'proper moves' are being made to officially change the name to 'Boone' after Daniel. As usual, certain red tape is necessary at Washington. That fellow Lord Cumberland [we have some additional info] was just about the meanest man of all time, and what we write here ought to really burn him down in Hades... he's already burn the 'singing' stage, because it's right certain that St. Peter turned him over to that other fellow down there. Maybe they

ought to name the Pentagon in Washington after him - there's more skullduggery going on there than nappies we know of, and Lord Cumberland would be a good hatchet man for that bunch which is rapidly [properly so] losing the confidence of the people of our nation.

ELECTION TIME NARS - Best indication that people will soon go to the polls [Nov. 2] is an announcement today that Rowan County Republicans and Rowan County Democrats [or vice versa as each likes to be mentioned first] have scheduled weekly [open to the public] meetings from now until the November 2 vote. If everybody spent as much time in planning and strategy making for civic betterment as develops at these gatherings, there's no telling how much progress we could collectively achieve. Seriously, Rowan County can be proud that leaders of both parties conduct the affairs of their groups on high standards - Rowan is not a 'hand-billing' county, and personal attacks [even in County elections] have always been negligible compared to some other Eastern Kentucky areas we know of, and have first-hand knowledge about.

NEW HOME - Last week they sold most of the former Camp Breckinridge property [Morganfield] at auction. The mineral rights had already been disposed of for about \$3 million. Former Governor and U.S. Senator Earle C. Clements bought for \$36,000 a 46 acre tract with a beautiful home. A Union County friend said it was the 'best buy' ever in western Kentucky. It looks like this fellow Clements is not only a politician and statesman, but a sharp businessman. The Morganfield office of Senator and Mrs. [Sara] Clements [where we have often been a country cousin guest] burned last year, about the same time that Mrs. Phil Smith of Jackson [the former Miss Barbara Hogge, Morehead] lost her life in a fire.

Commissioner's Sale

The Commonwealth of Kentucky
Rowan Circuit Court

Crown Credit Corporation, Plaintiff
Versus
Lois Walton... Defendant.

NOTICE OF SALE

By virtue of a judgment and order of sale of the Rowan Circuit Court rendered at the October 23 Rule Term thereof 1965, in the above cause, for the sum of Two Thousand, Eight Hundred Seventy-Eight Dollars and 86/100 Dollars, with interest at the rate of 6 per cent per annum from the 25th day of October, 1963, until paid and its cost therein I shall proceed to offer for sale at the Court House door

In the City of Morehead, Kentucky, to the highest and best bidder, at public auction on the 25th day of October, 1965, at One O'clock P.M., or thereabout, upon a certain lot of six (6) acres, with privilege to purchase on cash, the following described property to-wit: A certain 6-acre parcel in Rowan County, Ky., and described as follows: On Lower Lick Ford in Rowan County, Ky., and bounded and described as follows: to-wit: BEGINNING at 2 small white oaks on the ridge SW from Highway Hollar; thence N. 89° 14' E. 100 feet to the Charles and Mary Lou Adkins Tract, thence through the said old field, 48 1/2 E., 792 feet to a dogwood situated about 12 feet from a large rock; N. 87° 1/2 E. 325.7 feet to a chestnut at foot at

the point of cliff. N. 88 1/2 E. 264 feet to a stake below cliffs S. 9 1/4 E. 33 feet to small sourwood under high point of cliff. Thence an East course to a black oak, thence same course to an elm; thence N. 88° 14' E. 100 feet to a beech at the County road, thence same course to a hickory on top of the point; thence about the same course to a black gum bearing 9 backs on top of ridge corner, to Charlie Adkins; thence down the hill with Charlie Adkins line S. 46° W. 993 feet to small scrubby black walnut on West side of an old abandoned road; thence N. 89° 14' E. 100 feet to the mouth of the hill; opposite mouth of small drain; thence crossing Highway Hollar S. 40° W. 212 feet to a set stone, S. 65° W. 155.7 feet to small white oak on point; thence up to the point; S. 71° 3/4 E. 246 1/2 feet to a forked black oak above a ledge of limestone 3.33 W. 244.4 feet to the beginning, containing 40 acres, more or less.

This being the same land conveyed to Lois Walton by deed from John Henry Linck, et al., said deed bearing the date of June 23, 1953, and duly recorded in Deed Book No. 70

Page No. 51.
Or sufficient thereof to produce the sale of money to be made. For the purchase price, the purchaser must execute bond, with approved securities, bearing legal interest from the day of sale, until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms.

Thomas R. Burns
Master Commissioner
Rowan Circuit Court.

Scoreboard Night

Morehead Jaycees in cooperation with Rowan County High School have proclaimed Friday night's Rowan County football game as Scoreboard Night. Zane Collins, Jaycees Scoreboard Chairman, states that all proceeds from the game will go towards payment on the new electric scoreboard which the Jaycees have placed on the Rowan County field.

Jaycees will promote the game with advance ticket sales, concessions, foam rubber cushion sales, football programs, and will man all work stations at the game.

Bid Proposals
DEPARTMENT OF AGRICULTURE, sealed proposals will be received at the Office of the Forest Supervisor, Cumberland National Forest, Winchester, Kentucky, until 10:00 a.m. EST, on October 26, 1965, and then publicly opened, for furnishing all labor, materials and performing all work for clearing, grubbing, grading and drainage of 3.79 miles of roadway in Bath County, Kentucky. The point of beginning is approximately 3.5 miles east of State Route 211, 11 miles south of Salt Lick, Kentucky. The major approved items are Item 100[5], Clearing and grubbing 27.12 acres. Item 102[1], Unclassified excavation 85,783 cu. yds. Item 490, reinforced concrete pipe or Item 453, corrugated galvanized metal pipe of equivalent area, size range 18 to 72 inches, 1.194 linear feet, item 455[2], structural plate, pipe arch 12'10" span, 8'4" rise, 7 gage, 78 linear feet. Plans, supplemental specifications and bid forms may be obtained from the Forest Supervisor, Cumberland National Forest, Post Office Building, Winchester, Kentucky. They will also be available at the showing. Prospective bidders will be met by a Forest Service

Representative on Oct. 13, 1965, at 9:00 a.m. EST, and shown over the project. The meeting place is at the junction of State Route 211 and U.S. Route 60 in Salt Lick, Ky. Specifications pertaining to construction details for various items of work shall be the Standard Specifications for Construction of Roads and Bridges on Federal Highway Projects, F.P.-61, as published by the U.S. Department of Commerce, Bureau of Public Roads, in January of 1961. c-40

Notice To Contractors
Commonwealth of Kentucky
Department of Highways
Sealed bids will be received by the Department of Highways at its office, Frankfort, Kentucky, until 10:00 A.M. Eastern Standard Time on the 29th day of October, 1965, at which time bids will be publicly opened and read for the improvement of:
• Pipe Cleaning Group 1 [1965]
• Boyd Co., SP 10-115 - The Louisville-Lexington-Carlisleburg [1 64] Road from the Carter County line to the West Virginia State Line, a distance of 10.587 miles. Cleaning Pipe.
• Carter Co., SP 22-248 - The Grayson-Ashland [US 60] Road from E.C.L. of Grayson to Old US 60, 2.5 miles east of Grayson, a distance of 2.556 miles. Cleaning Pipe.
• Carter Co., SP 22-28 - The Grayson-Ashland [US 60] Road from Old US 60, 2.5 miles east of Grayson, to the Boyd County Line, a distance of 6.136 miles. Cleaning Pipe.
• Rowan Co., SP 103-82 - The Morehead-Quiggville [US 60] Road from Ky. 32 in Morehead to S.W.C.L. of Morehead, a distance of 0.463 mile. Cleaning Pipe.
• Preliminary Requirements Will Be Waived on This Project.
• Bid and Specimen proposals for all projects are available until 3:00 P.M. Eastern Standard Time on the day preceding the bid opening date at the Division of Contract Controls at a cost of \$2.00 each. Bid proposals are issued only to prequalified contractors. Remittance payable to the State Treasurer of Kentucky must accompany request for proposals. c-41

Soil Essay Contest Open In Rowan
Soil Conservation Notes By Donald B. Nelson
The Rowan County Soil Conservation District is cooperating with the Courier-Journal, Louisville Times, and WHAS in the 1965 Soil Conservation Essay Contest. The subject of the contest is "Water and its Effect on My Community." State prizes to be given by the Courier-Journal, Louisville Times and WHAS will be \$200 in Savings Bonds for 1st place, \$150 in Savings Bonds for 2nd place, \$100 in Savings Bonds for 3rd place, and \$25 in Savings Bonds will be given the winners in each district, making a grand total of \$3,475.00 being given in prizes.
An all expense paid trip to Louisville to attend the Annual Farm Awards Luncheon will be furnished winners, their parents and teachers. In addition to the above prizes, each of the three schools represented by state winners will receive a set of Encyclopedia Britannica.
The Rowan County Soil Conservation District is offering a second prize of \$15.00 in cash and a third prize of \$7.50 in cash in the contest.
Last year there were 69,685 essays written in the state. It is hoped that this number can be greatly increased this year.
There were 222 essays written here in Rowan County last year. The winners were:
Richardson, 1st prize; Lloyd Hargis, 2nd prize; and James Cusack, 3rd prize.
"Does hay fever ever prove fatal?" the conductor of a medical column is asked, probably by a person with a severe case of hay fever.

RAMBLIN' THRU WILLBA

The Next Version of Bible May Include The Integration Issue

By Glenn Hollen

Someone told us that the next revision of the Bible would see one of the Commandments "write like it should have been written in the first place. It will read: 'Thou shalt love thy Negro as thyself.'"

Coursey Gabbard got the "cross" and he was really feeling low and him with a lot of tobacco to cut and nobody to help him cut it. Looked like he just had to get him some medication but he couldn't wait this turn at the doctor's office.

Coursey came down to the store and he looked over the drugs. He finally settled with a big bottle of syrup of Black Draught. He bought the bottle. He unscrewed the cap. He took him a big swig straight from the bottle. Then he read the "destructions" on the bottle. It said to take one and a half spoons full if a feller was a adult. Coursey held the bottle up to the light. He looked at what was left in the bottle. He said, "Looks like I got that much, don't it?"

"Looks like you didn't cheat yourself none," I said as I observed the fluid level to be nearly one fourth gone.

Later Coursey told us, "I got a plenty."

He got well. He would recommend Syrup of Black Draught. Also he would recommend that it be dosed out with a spoon. One can take a bigger sup than he aims to.

The October frosts will kill the surplus garden stuff and us pore will not be suffering so much from eating so many rosin years and tomatoes and green

beans. We'll fare real healthy until hog killing time. Usually we go thru a saige along about then. But so many of us pore don't have no hogs to kill anymore that we never get enough hog meat to founder on any more. We git the Pork and Gravy at the Relief House but they don't give us enough to founder on.

Shhh Shhh, someone told us a sheriff of Poredom got put in jail for over indulgence, but don't you say nary word about it.

A bunch of West Virginia hill billys were over to Willba where they spent a week in the Glen Eden Youth Camp. They were a right good bunch of young-uns and us pore got along real good with them. They ain't much difference between a West Virginia Hill billy and a Kentucky Hillbilly except that us Ken-

rucky Hillbillys think and nearly know that we are just a bit smarter than West Virginia Hillbillys. Of course these visiting hillbillys come out of little towns and town hillbillys ain't never as sharp as country hillbillys. We know from watching the hillbillys in our own nearby County Seat.

Someone asked George Lee Deaton, "Do you use that 'Zip' Code on your letters you write?"

George answered, "I ain't never been able to find me any one of them numbers to use. Don't guess I'll fool much with them Zip numbers. I can't remember nothing like that anymore. If I write it down, I forgit where I write it.

I don't write much nowadays and if it can't git there without a Zip number, it'll just have to git lost. It wouldn't matter much nowadays."

Kentucky supplied more than 75,000 soldiers to the nation during World War I, the highest number in proportion to its population of any state.

NOW! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET

Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed Walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thirty Six at 155 hp, and goes on from there. Turbo-Jet V8's available at 325 hp, 380 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

New 300's. New 300 Deluxe models. New Malibus. And two new Super Sport 396's—coupe and convertible—with engines that tell you exactly what kind of Chevilles they are. Both are available with 396-cu.-in. Turbo-Jet V8's, either 325 hp or 360 hp. And both come with special hood, grille, suspension, emblems, red stripe tires, floor-mounted shift. Twelve beautiful new Chevilles in all—and all as new inside as they are outside. Headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corsair Sport Coupe

ALL NEW CHEVY II

It's so different, we should really call it the Chevy III. Roofs are swept way back on coupes. Fenders, grille, hood, taillights and bumpers are new on all seven models. Interiors are richer. Power available up to a 360-hp Turbo-Fire V8. You can even order headrests for the front seats and Mag-style wheel covers. What's the economical, dependable Chevy II coming to? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsets. Monzas. 500's. Get one. Stay young.

OPEN SIX DAYS A WEEK

Bright ideas for your favorite student?

Now that school days are back, it's a good idea to take another look at your children's study areas. Much of any student's success in school (and life) may depend upon a comfortable, well-lighted study area at home.

Adequate lighting is of major importance, yet it is very inexpensive. A simple lamp can transform a dingy area into an ideal study area.

Remember, studying is hard work; 8 hours of study uses as much energy as a 33 mile hike. Lighten your children's burden and improve their chances of success by providing a good study area.

BETTER LIGHTING... ELECTRICALLY

Lighting can play a major role in a happier, better life for your family. We gladly discuss your lighting problems and offer inexpensive ideas to help you enjoy all the benefits of better lighting.

Grayson Rural
Electric
Co.-Op. Corp.
Grayson, Kentucky

Claig Sprout . . . And His Friend, TIMOTHY TUGMUTTON . . . Sez

DEAR MISTER EDITOR: Timothy and me have had a long conversation about two vital issues of the day—

1. The 100 assessment ordered by the Court of Appeals.

2. The bond issue, a-borrowing \$176 million Uncle Sam getting cheaper and cheaper dollars. We have forthwith made a decision as per fellows—

1. Then Judges of the Court of Appeals would take the general public a favor by resigning in toto. We see where they had their own pay razed to absolutely and positively staggering amounts and can relate a big pension if they only serve one term and are voted out of office. Then Judges had better clean out their own house before telling us taxpayers what we have to do. Their roost has a foul odor.

2. We will hereafter oppose every one of them. Judges for reelection. That is something they understand real good.

3. We will donate \$5 each to help remove them pensions they are planning on a-getting when we help them all out of office.

4. Kentucky, behind other states like that foot-racing between the rabbit and the turtle. The rabbit went to sleep and the turtle kept on going so when the rabbit awoke up he was so far back he didn't catch up. Therefore, and therefor only, and thereupon, me and Timothy are a-going to vote for that bond issue because we be to try and catch up with other states, and take full extent possible advantage of that nine of Uncle Sam's printed dollars and lead coins for one of our hard earned dollars.

Timothy said, and I am forced to agree, that this is no longer the pennies-makes-dollars age and when in Rome you must live as the Romans do. If Kentucky don't get that matching money from Congress, Missouri, Kaskaskas, Floridians, and Californians will, so we gotta recommend same bond issue to our 18,000 readers who wouldn't be as much and many as 18,000 if you didn't have this column in your paper.

One thing more, Timothy says that he's making more contribution to this column than you realize and he wants his name above the column in as big type as mine. I herewith veto said suggestion and hereby advise you to ignore any letter or telephone call from Timothy to this effect. Soon as he convinces me that he has quit a-sitting that place up the road that some folks say is violatin' the statute local optin laws I may recommend to you that his name be in one half as big type, not capital letters, as mine.

Truth of the matter is that Timothy has good days and bad days, although he is doing better and comes up with some good thoughts for his column which I adopt or reject depending on the merit of same and reason. Timothy has been up the road doing business with said alleged local optin fellow who is becoming a millionaire off such patrons as Timothy is won't to be.

I see by the papers where a fellow from Detroit named Alfred Adamo was writing to all the big magazines and newspapers in the country trying to get a movement started to make Columbus Day a national holiday every year.

I put this matter on my agenda at the country store Saturday night and all the fellows was agin it. First off, Ed Doolittle said the national budget couldn't stand it. He reported he had seen in the papers where more'n 1,200 people was killed for the July 4 and Labor Day holidays. Ed was

of the opinion the economy of the country can't stand losing no more taxpayers for national holidays.

Zeke Grubb was agreed with Ed, allowed as how President Johnson would have to go to Spain for the signing of ceremonies on this bill and, furthermore, it would probably take about 1,000 pens for such a historical occasion.

Clem Webster, that was in tune with the Great Society most of the time, said he would vote.

The majority agin the bill but he wanted to get one item in the records. He reported them pens President Johnson was using was now being bought wholesale and the price had dropped from \$1.11 per pen to 17 cents. Clem claimed this was a big saving and was in keeping with turning out the White House lights and other Great Society economy moves. Furthermore, alleged-clem, the pen people had been having it pritty hard and this pocket of poverty has now been washed away.

Everybody was strong in favor of Columbus but, considering all the dangers, they was agin giving him a Day. And so, Mister Editor, if you git a letter from this fellow Adamo I would tell him, Columbus is, holiday no.

Josh Clodhopper announced he was feeling mighty encouraged over our war agin poverty and was pleased to hear the

Women And Girls Buy Most Clothes

For every dollar spent in retail trade during 1963 in Kentucky for men and boys' clothing, \$1.87 was spent for women and girls' apparel.

Automobiles and trucks, plus the fuel and accessories to keep them running, took 26.9 percent of all the State's retail spending during the same year.

Food purchases accounted for 26.1 cents of every 1963 retail dollar spent in the State -- 21.3 cents for groceries to be consumed at home and 4.8 cents for meals and snacks eaten out.

These statistics are taken from a new report on the 1963 Census of Business, Retail Trade, Merchandise Line Sales, just issued by the U.S. Department of Commerce, Bureau of the Census.

The report shows data on the number of establishments, the amount of sales and the percentage of sales of specific merchandise lines for the entire East South Central States area, consisting of Alabama, Kentucky, Mississippi, and Tennessee; for each of the four States; for each standard metropolitan statistical area and for the part of each State not located in any standard metropolitan statistical area.

Figures are listed for 25 classes of items in more than 100 kinds of retail establishments in each State and in the entire East South Central States, providing an index to sales of various merchandise lines and the percentages accounted for by those lines in total retail sales.

Ed said he had saw where the hotel folks was also getting removed from the poverty list. Fer rater, he told the feller, he was reading where the Office of Economic Opportunity had rented a hotel in St. Petersburg, Florida for 18 months for \$225,000 at the same time they was a ad in the papers offering the hotel for sale at \$205,000.

But all the fellows agreed the anti-poverty program was gitting a mighty fine press. Ed said he had saw where the program was paying \$32,000 a month for 16 press agents and \$2,000 a month to a firm in New York to advise the press agents where to press.

Personal, I was noting where a Russian official told his folks Americans complaining agin these matters was put in jail. We ain't got enough jails to hold that many people, in fact, we was running out of enough houses to hold 'em.

Yours truly,
Claig Sprout

HOME FOR SALE

We Want Norman Tant For City Council!

He is the Best-Qualified candidate in the race by reason of Training, Experience, and Personal Qualities! We saw him in an open City Council meeting this summer take on the City's high-priced Fiscal agent and tear him and the engineer's report to pieces, pointing out errors, miscalculations, legal shortcomings, and weasel-worded misstatements of facts about the River Water Project. We know Norman Tant is a very tough-minded man, stubborn as a blue-nosed mule when he believes he is right. But we also know he is fair and reasonable. We need such men on the Council.

Norman Tant is a good prudent businessman who has consistently shown by his investments in real estate that he has faith in the future of Morehead. He has a topnotch credit and financial rating.

We want -- and must have -- fair and friendly relations with Morehead State College. MSC is too important to our Town, Region and Nation to have it harmed in any way. We know Norman Tant is called upon to sit in the very highest councils at the College when problems are to be discussed and policies are formed, even though he has no administrative rank. We also hear that he speaks his piece and argues his points in those meetings with the same vigor that he uses in City Council meetings. He is nobody's errand boy! He knows the City's and College's problems from the inside out as no other candidate. We have seen him work very hard for over 13 years helping Morehead and Morehead State College grow.

We are going to vote for "Tiger" Tant, and maybe one or two others in the City Council Race. The six men polling the most votes will win anyway, regardless of the total vote. We can sharpen the Tiger's claws by giving him a whopping majority in the race. We want and must have an end to the Secrecy, Stalemate, Stagnation and Snow Jobs we have suffered through during the past three or four years!

Work, vote for Norman Tant for City Council. We are going to put a Tiger on our ticket!

This ad is paid for by Businessmen for
Norman Tant for City Council.

Senior Rowan Citizens In Program

Rowan County is participating in a Pilot Project - the office of Economic Opportunity's senior citizen program to use the skill and knowledge of persons over 60 who may supplement their income by sharing skills with younger people who need education or training.

The Northeast Kentucky Area Redevelopment Council, of which Rowan is one of the six counties, has been selected to set up the pilot test.

Sidney Stewart, program aid, started interviewing senior citizens last week in Morgan and Rowan Counties.

Interviewers for Rowan Co. are Juanita Cooper and Nancy Caudill.

Persons over 60 who need to supplement their

income may join the senior citizens' program and receive pay for up to four hours a day up to a maximum of four days a week. None may work more than 16 hours a week or receive more than \$24 a week.

Each county development committee is setting up subcommittees for a three-phase program -- community action, human resources, and natural resources.

The senior citizen program is a phase of the human resource development effort.

To activate the program each county must organize community senior citizens boards, each with a chairman. These chairmen compose the countywide senior citizens association and three of its members receive places on the area development councils board, also on the county development committee. A meeting to coordinate this was held Tuesday at Morehead.

The Rowan County Area Development Association expect to organize senior citizen boards at Farmers, Cranston and Elliottsville.

In addition to using the senior citizens to aid with the neighborhood youth corps, supervision, etc., it is planned to set up employment offices at each center to be staffed by some of the elder citizens. They will list people needing

small jobs done and workers, such as a regular employment office operates.

To be eligible for the senior citizen program persons must be 60 or over and their income for man and wife must not

exceed \$3,000 a year.

If you are 60 yrs. old or over, contact the Rowan County Rural Development Office in the Rowan Co. Courthouse, Tel: 784-7735, "Mrs. Caudill advised.

Handles Over Million Dollar Sale

The C. Roger Lewis Realty Company of Morehead sold at auction over a million dollars (\$1,063,500) worth of property - Camp Breckinridge - in two hours last Saturday.

General Services Administration awarded the contract to sell most of

the abandoned Army camp to Lewis. Realtors from all over the nation sought the "big sale."

The 3,923 acres were sold in 10 tracts.

Farmers are not supposed to make much money, but a Union County farmer was the high bidder

[184,000] for one of the parcels.

BLOODY BATTLE
The bloodiest battle of the entire Civil War for the sake of the armies engaged was fought at Pepperville, Kentucky, in October, 1862. Kentucky is rich in history.

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them—3 new super-sumptuous Broughams and 4 Venturas. And of course, for you

other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives—all with new Wide-Track ride and improved cat-

quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers

buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests.

Tempest Customs and Le Mans V-8's Up to 360 hp in the GTO. See all the '66 tigers in tiger country today. **Wide-Track Pontiac/'66**

Come to tiger country. See all the Wide-Track tigers at your Pontiac dealers.
