Enrollment Soars Big Enough For To 611 At State Teachers College

sident Well Satisfied With Registration For Sec-ond Semester

The enrollment at the More-head State Teachers College to a bubcantial increase over that of the same period in 1937. President H. A. Babb said this morning that the registration is very grailfying. All classes in the new depart-ment have been filled. Many other courses have been filled to near capacity. It is possible that the registration on February 22. A world Eas-tern Kentucky counties have not dismissed which is hold ing back a to imprise the same need the same of pros-pective students.

Building Program Will Be Increased

Government Will Allow Low Interest And Long Terms On Loans

Administration leaders, beating off a Senate rebellion by the close vote of 42 to 40, yesterday passed President Roosevelt's bill designed to stimulate a vast home-build-

resident Mosever's of the despited of stimulate a was home-build Mr. Boosevelt is expected to sign the bill quickly. Overriding the strident criti-sism of a bloc that included Sou-thern and Western Democrate are well as Republicans, the Adminis-tration succeeded in keeping out of the bill the "prevailing wage" amendment sponnored by Sena-tor Lodge, Massechastic, Massechastic amount of prevailing wages on housing projects insured by the Pederal Housing Administration. Its backers and that without it, the Housing Bill would depress wages.
