Historical Information: The Office of Research & Sponsored Programs at Morehead State University dates back to the establishment of Office of Research & Development in 1964. The program changed names several times over the five decades, including the Research & Development Center, Bureau of Research & Development, Faculty Research Committee, Division of Grants & Contracts and the Office of Research, Grants and Contracts. The current mission of Research & Sponsored Programs is to provide the best possible support for the faculty, staff and students of Morehead State University in their pursuit of funding for research, other scholarly and creative activities, instruction and public service.

Scope and Content: Collection consists of published annual reports and summaries of research and development activities of the Office of Research & Sponsored Programs, and its predecessor offices and divisions, at Morehead State University from 1964 to 1993. The collection also contains faculty research, grant proposals, progress reports, newsletters, and departmental studies, guidelines and handbooks.
