Patent Poetry. Just received at the Cheap Cash Stor Goods from New York and Baltimor And Goods from Philadelphia, too, With every thing that 's fine and new With every thing that is use and new. Come on, all ye who wish to buy, To saityou we will sarely try; And give you bargains, such as you Nor your ancestors never knew. Why will your ancestors never knew. Why will your goods so very dear? When you can buy them there so cheap And the reward of your industry resp. And the reward of your industry res goods there of every make and kind, To suit the most fastidious mind; Aud every thing that can entice, Is offered at the lowest price. No Store within the Western States Can offer Goods at lower rates: Then, why not one trial give— You II not repent it while you live.

Be not by sophistry controlled, And men who only waut your gold; When bargains just to suit the buyers, Can be obtained at WITTENMYER'S

Pospectus of the Maysville Herald, TRL-WEEKLY AND WEEKLY.

respectus of the maysvalue fierald, TRU-WEERLY AN UVERENT. True undersigned proposes to publish a *Tri-Vecky and Vecky paper in the city of Mays-*ville, foib called "True MAYSTRLE HERAIN," which will be deroted, in its policial depart-ment, to the advocacy of the grant principles of Telying main principle for support, the advantages which Maysville affords to the surrounding country, as a market, for the reducts of the and the productions of the advantages which Maysville affords to the surrounding country, as a market, for the reducts of the and the productions of the agriculture and do-mestic industry and skill of Northern Kentucky and Southern Ohie. The Heature will contain the latest Political mark empirical are will extinct of the mession house markets most frequencies of the house the surface of that section of country in which it is published. It will also contain the used amount of Literary and Miscellameous The Breast of familian intervants.

ju 1 SEATON & HIARPE Bonefit of Insurance. THIRTY-TWO Thousand Dollars aread by in-surance on the first shat occurred in this city, all within 90 days. The above fact should induce every person who has property to loose to come for-ward and loaure their property, as a very small amount paid anaudly may are amony families from min. This Agency has paid out \$10007.4, other all of which has been prompty pulsated and paid according to the terms of the policy on loases in the city during the usual amount of Literary and Miscellaneous matter to be found in papers of its class. The subject of faciliting intercourse between the City and surrounding country, so important to the prosperity of both, will receive such atten-tion as may be necessary to place it properly be-fore those most interested in the result. We shall focus ran due countries, the Manufacturing and Mechanical interest, from a cowrition (that no Mechanical interest, from a cowrition (that no

technical in our power, the Manuacumig and bechanical interest, from a conviction that no wn or country can prosper greatly, whose et-ens neglect to give to their surplus productsall to value which reproductive industry can be-ow, before making them the subject of her purpose

The provide the indicated of the radicate curve of which, the remedy new offered statula's universal previdence of the Age and Fore, and Intermitted Fores, throughout the second state of commerce. So soon as the necessary arrangements can be made, we intend to publicly, for the benefit of of their nuble parents, as experience and the sp-plication of the principles of science have de-leoped, or any hereafter made known. In short, we will aid, to the utmost of on action the sprince of property, your which the happiness of those most interested in our labor lepends.
