Historical Information: The Athletic Department at Morehead State University began as part of the Physical Education Department when the college became a state supported Normal School in 1923. The following year an athletic director was hired and an office dedicated to the position. As more sports programs were added the office expanded and became an independent department in the fall of 1947. The department was called Inter-Collegiate Athletics and retitled in 1966 as the Office of Athletics.

Scope and Content: Collections consists of athletic team programs of sporting events held at Morehead State University from 1946 to 2010. Included in the collection are media guides and student athlete handbooks from 1983 to 2009.
