 pice Richard is an world predictment of a facility and the second satisfied that his vote would detract us much from the strength of one party as the other. We dismise this subject for the present by saying, that we do not believe for one mo-ment that Gen. Taylor will be expected by his friends, to continue in the field any lon-ger than they in Convention had sanctioned the candidacy of another, and have no doubt how mould extern it their durin so to inform they would esteem it their duty so to inform. as it would be criminal to them, not to in as it would be erminal in them, not to in-terpose their acknowledged authority over the subject of his candidacy, when they saw that defeat, not only to himself, but to the principles he professes, would be the inevitable result.

EPMr. Trist in conversation with the Editor of the N. O. Com. Bulletin informed that gentleman that "there was little or no doubt of the ratification of the treaty; and that the rumors unfavorable to its ratification are greatly exaggerated. The health of the army has greatly improved.

four Thousand Lowell Girls, atten a pic-nic, given by the managers of the car pet mills, in a new mill just erected .--The e room in which the party was held was 232 by 138 feet.

The proposition to raise an Irish Brig-ade in the United States for service in Ireland, orignated with Smith OBrien.

TT is said now, that Benton (dem) has eaten Harlan, Whig, in Iowa 17 votes.

The salary of the Mayor of New Or is, has been recently fixed at \$5,000.

TTA Taylor State Convention is about to be held in New Jersey .- Their object to form a Taylor Electoral Ticket. It is impossible not to perceive from such indica-tions, that the people at a y rate a large portion of them, are getting tired of the vere discipline of party.

IF Mrs. Gains has reached New Orlean where her arrival has excited considerable

Language like this, needs no comment and the known character of the writer for candor and fairness, leaves no doubt of the correctness of his statements in regard to the effort of this very important document, upon Whig Politicians (certainly not a few) now sojourning in Washington city.

A family in fillings has been recently poisoned by cating a ham of bacon, which was discovered to be strongly impregnated with arsenic. Three died and the others were dangerously ill. The individual sus-pected of contriving this infernal plan of murder, has been arrested.

now sojourniog in Washington city. The New York Courier & Enquirer of the 4th, contains the following amongstoh, ana, recently shot a lawyer named Chas. er remarks, calculated to shew the effect of the simulative happy expose of the old Gen the simulative name out from his giveling to er remarks, calculated to show the effect of this singularly happy expose of the old Gen. her own carriage at the time. Having sent en'l spoiry, should he be called upon to fill for Jones to come out from his dwelling to the chair of the Chief Magistrate of the where she was, she fired at him three times with a revolver and each ball took effect.
