

WALL OF HONOR
July 4, 2002
Jack D. Ellis

PRAYERS AT VETERANS WALL DEDICATION
Eternal God, our Heavenly Father, we thank you for all these that are here today, and for their generous support that made this event possible. And we invoke Your divine blessings upon this very special, indeed historic, occasion in the life of our community.

The highway of history is littered by nations who forgot that their liberty and freedom was bought by the blood and sacrifice of others. So even as we as a nation celebrate our freedom across this great land, those of us here in this place remember and honor those men and women whose names are indelibly etched upon this wall who helped preserve that peace.

At the close of this historical program, we are reminded again of how closely we are connected to our past. That we drink from wells we have not dug - we eat from fields we did not plant and warm by fires we did not kindle. We are protected by institutions we did not establish and we live by liberties we did not win. Let us never forget that those liberties we enjoy were bought by the sacrifices of our veterans whom we honor today. Therefore, on this historic occasion, we remember those veterans living and dead who served this nation; who sacrificed their time, talent and even their lives for the peace and freedom we enjoy today.

1

Let us never forget that freedom is never cheap but was bought with the sacrifice of those we honor there today. May our freedom never be seen as the right to do as we please, but as an opportunity to please do what is right.

Help us never forget that our liberty is under God, and that when our pilgrim fathers landed on Plymouth Rock, we as a nation came into being for the glory of God and the freedom of our Christian faith. To that extent we pray that God will continue to bless America, keep her safe, keep her true and keep her strong. That we shall overcome the threat of today's terrorism and we will continue to enjoy the peace and freedom won by those we honor today. And let us never forget that our liberty under God can be found no place else on earth, in Jesus name we humbly pray Amen!

**VETERANS MEMORIAL WALL
MOREHEAD-ROWAN COUNTY, KENTUCKY**

Dec. 31, 2001

JACK ELLIS SPEAKS

This Memorial Wall, located on the lawn of the Old Rowan County Courthouse on Main Street in Morehead, Kentucky lists the names of 2,876 men and women who served their country in war and peace in the past 100 years. It includes 1,400 who served their country during WW II. It also includes a total of 93 who were killed in action in this nation's wars during the past 100 years, including 60 killed in WW II and one from Rowan County killed in the Attack on America September 11, 2001. All are veterans who have lived in Morehead or Rowan County and have filed their honorable discharge in the Rowan County Courthouse, or were killed in action. This Memorial Wall was the community's way of thanking them and of remembering their service.

The Rowan County Veterans Memorial Wall had its beginning in 1998 when County Judge Clyde Thomas appointed local veterans and interested citizens to serve as members of a Rowan County Veterans Committee. Their first meeting was held on October 7, 1998, and Judge Thomas was elected to chair the meeting. Veterans in attendance at that first meeting included: Gary Adkins, Sgt. Davis (National Guard), Jack Ellis, Scott Erdo (R.O.T.C.), Rodney Gordon, Victor Healey, Harold Johnson, Cephas Littleton and Claude Meade (American Legion). Also in attendance at that first meeting were Rodney Hitch, Sheree Nichols, State Representative John Will Stacey and Tracey Williams. Later on many other interested citizens and veterans joined the group.

The week of November 7-14, 1998, was proclaimed "Veterans Week" by Judge

Clyde Thomas and Morehead Mayor Bradley Collins. Many activities were planned that week in schools and businesses, including a Veterans Day Parade with over 200 entries.

On February 12, 2001, Attorney Willie Roberts completed Articles of Incorporation for the Rowan County Veterans, Inc. The initial Board of Directors included: Harold Johnson, President; Gerald McDaniel, Vice President; Kenneth Vencill II, Treasurer; Jack Ellis; Rodney Gordon and Claude Meade. Ex-officio members included: The Rowan County Judge Executive, Superintendent of Schools, Director of Tourism, Director Chamber of Commerce, Morehead Mayor and a representative from Morehead State University. Over \$100,000 was raised by private donations through the generous support of over 425 individuals and businesses. This hallowed wall of memory was scheduled to be dedicated July 4, 2002.

MOREHEAD MEMORIES: PEOPLE AND PLACES

~~REMEMBERING A WALL OF MEMORY~~ OF MEMORY
BY

JACK D. ELLIS

"The Memory of the Just is Blessed." (Proverbs 10:7).

The first veteran memorial wall built in Morehead was the bluestone base for the Doughboy Statue in the Old Courthouse yard in downtown Morehead. At the end of WW I, the Rowan County Woman's Club began a drive to raise money for a memorial to honor those 15 men killed in WW I. It was a community effort lead primarily by Mrs. Maggie Hogge, Mrs. Rena Wells and Mrs. Jimmie Bishop. It was strongly supported by the entire community, and was dedicated November 11, 1919, before there was an American Legion in Morehead.

Additional research shows there are 132 other identical "Doughboy" statues throughout the United States. The plaque on the base of the local Doughboy statue was later expanded to include 60 men killed in WW II; 10 men killed in the Korean War and 7 men killed in the Vietnam War. ~~No doubt~~ the name of Edward Earhart, the first Rowan County military casualty in the 21st century, will be added to those noble 92 names already on the plaque. (Over \$4,000 was given in lieu of flowers to the Rowan County Veterans Wall in honor of Edward Earhart).

THE WALL OF MEMORY DEDICATED IN 1943
Rowan County's next wall of memory was dedicated Saturday, September 25,

1943, during the very height of WW II. It was called a "Service Roll Board" and contained over 900 names of Rowan County military personnel serving at that time in WW II. ^{those} Most names were painted on 4' x 8' sheets of plywood ^{by Welford Wallis.} The plywood was

(2)

painted white and the names of servicemen were painted in red letters on the white plywood. Names of servicemen killed in action were painted with black letters. The plywood wall was erected on the lawn of the Old Courthouse Square.

The dedication celebration began at 11 a.m., September 25, 1943, with a mammoth parade of jeeps, Army mechanized equipment from Fort Knox, students and personnel from the Morehead Naval Training Base and MSC band. The parade formed in front of the Courthouse, then led by the American Legion Honor Guard as they marched down Bishop Avenue to First Street. Then they moved west to Fairbanks (S. Wilson) and back to Main Street. Finally, they turned east up Main Street returning to the Courthouse Square.

Following the parade, the American Legion Honor Guard presented the American Flag to Commander George Walker, Commander of the Morehead Naval Training Station for the flag raising ceremony at the base of the Service Roll Board. The program officially began with Reverend B.H. Kazee, Pastor of the First Baptist Church, leading the prayer of dedication. At 11:45, Taps was played and a moment of silence observed in honor of those men who had already lost their lives in WW II. Then Rev. G.C. Banks, M.S.U. Professor, spoke at 12:15, followed by Lester Hogge, County Attorney and Commander Walker. The highlight of the program was Lt. Theodore Tate, who gave the dedicatory address. Lt. Tate was a former Morehead College student who had returned a hero of the North Africa Campaign. He was, up to that time, considered one of Kentucky's foremost WW II heroes.

The Citizens and Peoples Banks had booths set up during the day offering War Bonds of every denomination for sale. Jeep rides were given to those who purchased war bonds. It was described, "As the largest and most spectacular public demonstration of patriotism ever held in Morehead up to that time." However, that first Service Roll Board encountered some problems. Many of the names on the Service Roll Board were misspelled. Also, due to the rapidity in which men were entering the military service in 1943, it was difficult to keep the roll current. In addition, the names of those men who volunteered and did not go through the local draft board, were not included. People were requested to submit immediately the correct spelling of all names, as well as names not included in the Service Roll Board, to the Draft Board located on the second floor of the Martindale Building. All new or corrected names had to be submitted within 10 days to be included on the roll.

FIRST SERVICE ROLL BOARD WAS TEMPORARY

That 1943 Service Roll was an ambitious project. It's intent was to include all names of WW II service personnel. Those names changed everyday. It was impossible to keep that Service Roll Board up to date because men were also being killed every week and their names had to be moved to another section of the list.

The 1943 Service Roll Board was only a temporary memorial at best, because the paint flaked off and the wood deteriorated. Therefore, that temporary Military Service Roll Board was taken down at the end of WW II with the dream that a more permanent Veterans Memorial Wall would someday be erected. After fifty plus years, that dream is now a reality. There is ^{now a} ~~new more~~ permanent Veterans Wall of Memory in the

Courthouse Square in Rowan County.

The memorial wall began in 1919 with the dedication of the Doughboy Statue. It was dedicated to the memory of 15 Rowan County men killed in WW I. The memorial wall continued with a Service Roll Board in 1943. But in the year 2002, thanks to the hard work of so many people and the generosity of businesses, organizations, and individuals, that dream *of a permanent veterans wall is now a reality.* ~~is about to become a reality.~~

VETERANS COMMITTEE ORGANIZED IN 1998
The new Rowan County Veterans Wall had its genesis in 1998 when County Judge Clyde Thomas appointed local veterans and interested citizens to serve as members of a Rowan County Veterans Committee. Their first goal was to plan a Veterans Day parade and program. Their first meeting was held October 7, 1998, at 2 p.m. in the Rowan Fiscal Court room. Those veterans in attendance were: Gary Adkins, Sgt. Davis (National Guard), Jack Ellis, Scott Erdo (ROTC), Victor Healey, Harold Johnson, Cephas Littleton, and Claude Meade. (As the group became more active, more veterans joined the group. All veterans and interested citizens were invited to the meetings). Judge Thomas chaired the first meetings. Also attending were Rodney Hitch, Sheree Nichols, Representative John Will Stacy and Tracy Williams. Soon representatives from the local schools, civic clubs, MSU and other organizations became involved. It was a dynamic group interested in accomplishments not just talk.

During the week of November 7-14, 1998, Judge Thomas and Morehead Mayor Collins issued a joint proclamation declaring November 7-14 Veterans Week in Rowan County. The proclamation emphasized that it is important to pause to remember and

(5)

honor those who served their country so well, and returned home, as well as those who served and did not return. A Veterans Day parade was organized in 1998 with over 200 entries. Also, a very moving program was held at the Rowan County High School with Governor Patton in attendance. The Veterans Day parade and high school program continue each year.

COMMUNITY PURCHASED FLAGS FOR STREETS

The Rowan County Veterans Committee, along with the local American Legion members, continue to be active in supporting patriotic and educational efforts such as the drive to purchase flags that now fly over the city at various holidays. This effort was supported by the Fiscal Court and the City Council, as well as tremendous support from private individuals and businesses. The American Legion, with the splendid cooperation of school personnel, continues to promote patriotism in schools by giving a savings bond to the winner of an essay contest in each Rowan County School each year. They also provide speakers at schools to discuss flag etiquette, military experiences and service.

VETERANS WALL STARTED WITH A GRANT

In 1998, the Rowan County Veterans Committee, under the leadership of Chairman Harold Johnson, made plans to build a veterans wall. They submitted an application for a matching grant to the Kentucky Department of Military Affairs in Frankfort. The grant was funded in the amount of \$8,500 on a matching basis. Free labor and contributions by generous veterans, businesses and individuals enabled the veterans to reach their matching part of the grant. The construction of the wall began largely on faith because no one was sure that the money for construction costs for the memorial could be reached.

At first, financial plans for the wall was to have each veteran pay the average cost of having their name engraved on the wall. But many of the veterans thought that sounded too commercial, and consideration was given to raising the money to build the wall through public and private donations. Judge Thomas said if the group wanted to go that way, he would talk to all the clubs, committees and organizations and ask for their support. Then if the goal was not reached, the group would borrow the remainder.

Therefore, no veteran was asked to pay to have their name on the wall. (However, most of them gave a donation.)

TREMENDOUS PUBLIC SUPPORT FOR WALL OF MEMORY

Now in this writer's long history of living in Morehead, I have never seen such out pouring of public and private financial support for a community project. (Except for St. Claire Hospital). This project showed that we live in a loving, caring community of citizens who have never forgotten the sacrifices made by these men and women who put their lives on the line in defense of liberty. (Please bear in mind, most of this all happened before September, 11, 2001).

Following tragic Tuesday, September 11, all America became acutely aware and much more appreciative of those firemen, policemen and service personnel who put their lives on the line every day. But the fact that most of the funds for this Veterans Wall was raised before that day, speaks volumes for this community. They have not forgotten!

~~Even though the goal is now in sight, more donations are needed to finalize the wall which will cost about \$100,000, and as of this date will include names of between 2,000 -~~

~~3,000 veterans.~~ ^{approximately 2800}
Any veteran who has ever lived in Rowan County and ever served in the military ^{with honorable discharge} was eligible to be included on the wall by filing his discharge at the Rowan County clerk's office. About 2800 names are on the wall. ~~at a cost of over \$100,000.~~
(1400 are WW II VETERANS). The total cost of the wall and landscaping will be over \$100,000. Veterans who are not listed on the wall are urged to record their discharge for future addition to the wall.

⑦

VETERANS GROUP INCORPORATED

On February 12, 2001, Attorney Willie Roberts, completed articles of incorporation for the Rowan County Veterans, Inc. The initial Board of Directors included ~~d~~ Harold Johnson, President; Gerald McDaniel, Vice President; Kenneth Vencil, II; Jack Ellis; Rodney ^{Gordon} ~~Garden~~ and Claude Meade. Ex-Officio members include: Rowan County Judge Executive, Superintendent of Schools, Director of Tourism Commission, Morehead Mayor, Director of the Chamber of Commerce, and a representative of Morehead State University.

This Rowan Veterans Memorial Wall will become one of Rowan County's prime attractions in the future. Relatives of those ²⁸⁰⁰ ~~3,100~~ names on the wall will return ^{after} and visit the wall. They will locate their relatives name, and lovingly trace those letters and numbers with their fingers and remember. If that be the case, the wall will have achieved ^{its} ~~the~~ purpose.

There is to be nine feet added to each end of the existing structure. All granite is to be purchased at the same time to allow for a color match.

Freeman Hamilton made a motion to add Edward Earhart to the KIA section of the wall. Karen Glahn seconded the motion. The motion passed with none opposed.

The lettering was discussed and it was stated that the letters would be almost 2" for the names. The people listed on the KIA section will not be listed in the other portion of the wall. Rodney Gordon made a motion to accept the four column example presented (see attached) for the layout design. Freeman Hamilton seconded the motion. The motion was passed with none opposed.

James Dennis is the contact person for the granite. He is willing to do the wall in two phases. A special meeting will be set with Dennis. Willy Roberts was asked to attend this meeting. At this time it was understood that no deposit would be required, but that payment would be required at the time of the installation of the walls completion.

Willy Roberts stated that he would contact the supplier Dennis to save time in drawing up a contract.

Clyde Thomas made a motion to appoint a committee to handle the contract dealings. It was stated that letter size specifications need to be included in the contract. Judge Thomas Shall head the committee . Other members shall be Rodney Gordon, Kenneth Vencill, Freeman Hamilton, Brad Collins, Gerald McDaniel, and Willy Roberts.

A discussion was Held in regards to using an asterisk to designate any POWs listed.

It was decided that a mailing should be done to all residents of Rowan county. The mailing is to include a return addressed envelope for the donations to be sent in.

Rodney Gordon suggested that something be done in thanks to Harold Johnson for all of his efforts in creating the monument. It was suggested that this thanks be included in the unveiling ceremony. It was also suggested to consider some type of historical marker to highlight those who have made large contributions.

Veterans Ceremony Progress.

The schools want the ceremony to be open to the public and advertised. There are to be two songs sung and the high school band will play. They would also ask that the public be asked to sing two songs as well. The event is to take place in the high school gymnasium. The ceremony is to be held to one hour in length. Col. Stevens has offered his participation.

The University is to be contacted for use of their PA system and floor coverings. Special consideration should be taken to ensure that the PA system is operated properly. Bob Christian has offered to collaborate with the university to operate the PA system.

It was stated that the essays should be received by the veterans committee by Oct. 1st.

It was suggested and approved that the flags be flown on main street until after the Veterans Day parade.

The sub committee decided to use granite as brick for the wall, which will cost about \$36.55. This covers a 14"x4"x3" size brick that will hold approximately 5/8 " lettering, which will be in 2 lines at 21 letters per line.

The first line will be name and rank of veteran, and second line will be branch and service date of veteran.

We will have to raise the cost of brick to public a little to offset the cost of brick we have to purchase for the veterans killed in action. The cost for public will be \$40.00 per brick, so we will have enough money to purchase brick specially for veterans on roll call list. The brick we will use for these veterans will be black in color to show special attention for them. There are about 92 soldiers killed in action, from our roll call. There are 15 from WWI, 60 from WWII, 10 from Korean, and 7 from Vietnam. All of these should be bought by committee.

The branches will be set in ceramics at about 6-10" in diameter. Harold is checking with recruiting stations and monument companies about getting these.

There are several businesses to check for pouring concrete for wall. Claude agreed to check with Joe Smoot. Pete is checking with David Nichols and Elmo Stigall. He will also going to check with Abner Construction to see who they contract for concrete jobs.

Harold brought the drawing for brick and estimates, which are attached to minutes. Claude is checking on getting copies of dimensions of wall to decide on work for concrete.

Our next regular meeting will be held on June 21, 2000 on Wednesday in Fiscal Courtroom at Rowan County Courthouse.

New memorial to veterans unveiled

By SEAN KELLY

The Veterans Memorial on Trumbo Avenue, honoring all those from Rowan County who served in the armed forces, was dedicated in a ceremony Thursday that included a speech by Lt. Gov. Paul Patton.

Patton said the memorial, facing First Street, will be a reminder to passers-by of the veterans whose service "made possible the life that we have" in the U.S. He said he was confident the service men and women would be "as willing and able and committed to defend freedom" today.

Deputy Adjunct General Julius Berthold of the state militia commended the community for honoring the veterans through the monument. He also said it was appropriate the ceremony was held the day before the 49th anniversary of Japan's surrender to the Allies, which ended World War II.

The memorial, which took four and one-half months to build, was completed last

December. The monument's masonry was paid for by the City of Morehead. The plaque and flagpole were donated by the American Legion Post 126 in Morehead.

Those who participated in the project were recognized during the ceremony with certificates of appreciation. They included Don Young, who designed the monument; former council member Carl Sizemore and former Mayor Larry Breeze; and Randy Ziegler and his son Jerry Dale, who built the monument.

Members of American Legion Post 126 participated in raising the flag during the ceremony.

Army National Guard recruiters, who were holding a regional meeting in Morehead, participated in the ceremony. The VFW was also represented.

Morehead Mayor Pro Tem Brad Collins represented Mayor Don Greenhill, who was unable to attend because of illness. Collins unveiled the plaque during the ceremony.

The Rowan County Veterans Memorial was dedicated in a special ceremony on First Street in Morehead last Thursday afternoon. American Legion Post 126 and the City of Morehead coordinated the ceremony. Among those present included: County Judge-executive Clyde Thomas; Don Young, who designed the monument; Morehead Mayor Pro Tem Brad Collins; former council member Carl Sizemore; Lt. Gov. Paul Patton; former Mayor Larry Breeze; United Pentecostal Church Pastor Lloyd Dean, who led the opening prayer; and Deputy Adjunct General Julius Berthold of the state militia.
