- Please try to promote Morehead State University on your social media. Encourage your friends to apply here and your fellow students to stay here. Hopefully things will be better moving forward as far as our strict guidelines are concerned. Our number of covid cases have stayed relatively low and we hope to keep it that way. Keep up the great work.

**Executive Reports**

- **President (Emily Wiley)**
  - I have pushed for Spring visitation lenience in the past, but they are still monitoring this and will be updating us as they go.
  - Transcript vouchers are being printed and those will come out March
  - Bones and flags are being ordered.
  - Tshirts will be in around 2 weeks from now.
  - I am advocating for taking away fall break and adding it into spring semester to have four days off before finals, meaning the thursday and friday before finals week would be our break.
  - Talked to CHS about the funding SGA has given to students without insurance to pay for the Copay. That account is still going great.

- Ethan and I have a meeting with Fuzzy duck on Monday to talk about a partnership with them.
- Commencement: Friday I met with Dr Morgan and Dr Russel and commencement is going to be in person, as of right now in Jane Stadium. Each student will be given the option of two tickets to give to family members or friends. (930, 12, and 2 o'clock ceremonies) If weather becomes an issue we will move to the AAC.
- There was a question about why the university is okay with students coming from low income areas without access to computers being required to take lockdown browser exams. We are trying to get together a program where students can check out laptops.
- If you are considering running for Exec, please make sure you are involved with SGA.
- **Executive Vice President (Bryce Ward)**
  - Emily and I have talked about doing something for facilities maybe like cookies or something for their hard work.
- **V.P. of Administration (Cassidy Holt)**
  - My committee changed our meeting times to Tuesday at 7pm, so we met last night, and we are working on some infographics for MSU and a few other projects.
  - Thank you, Ethan and Shannon, for getting that budget put together and sent out today. After looking at the budget, Student Life does only have \$10 left, so we will most likely be requesting more funds in the near future.
- **V.P. of Finance (Ethan Wells)**
  - I updated the budget. A lot of payments show up as pending since the purchases have not went through yet.
- **V.P. of Public Relations (Emma Li Matthews)**
  - Shirts are coming in less than 2 weeks.
  - My committee did not meet the last 2 weeks.
  - We are meeting after this and will discuss promotional items to buy.
- **V.P. of Campus Involvement (Kassidy Clatworthy)**
  - My committee has not met in 2 weeks, but will meet tonight.
