## Eagles Favored To Nip Lawrence Tray In Afternoon Fray

Eagles Missed Services Of Anderson Boys' Club  
The Morehead Eagles will be in search of their second victory in as many starts this afternoon when they face a powerful Lawrence Tray eleven from Detroit, Michigan, on the west of Jaynes Memorial stadium this afternoon at two o'clock.

The Eagles, badly crippled by injuries during the past week, will be without the services of Anderson and Rose, while Adams and Marshall are expected to play but little.

Anderson and Adams suffered from shoulder injuries, Marshall has a twisted knee, and Rose is fighting him. Without this quarter Marshall in seriously close to the wall so far as injuries are concerned.

In the opening game against the Discovers of Holbrook, Frank Robertson, one of the best defensive terminal men in the business, was sent to the showers on the second play of the game with a badly sprained elbow and a twisted knee.

The one bright spot that shines through the murky clouds in the return of Donald Fair, his footed too. Fair is one of the best players in the South and should give all corners a nice jolt.

Stanley tallied on a half sprint from the 17 yard line before the game was three minutes old, and from then on it was just a matter of time before a large team.

The entire Eagle line showed to advantage at times, for the most part they were ragged in their blocks. The backs were the best, and the line was the best.

## \$32,655 Is Allotted To Kentucky N.Y.A. College Students

Make Part Time Employment Available To Scholars  
Allotment of \$32,655 for National Youth Administration students who did not receive in Kentucky will make possible employment on a part time basis for approximately 1,200 high school and college students during the 1935-36 school year, according to Robert K. Sells, State N.Y.A. Director.

Students at 24 Kentucky colleges and universities will receive \$180,049 of the appropriation, which will be paid to boys and girls who are in high school and college. The allotment for the 1935-36 school year is approximately the same as the one made for last year.

The N.Y.A. student aid program is designed to assist deserving young people between the ages of 18 and 24, including those who were not in school last year, to continue their education. The program is administered by the National Youth Administration, which is a part of the Federal Government.

Students who are approved for the program will receive a stipend of \$15 per month, which will be paid to them in advance of their school expenses. The program is designed to help students who are unable to pay their school expenses.

## Varney Stands Out In Season's Opener

Five Touchdowns, Claimed By 80-Yard Sprint  
Morehead's vaunted Eagle machine swung into high last Saturday afternoon at Jaynes Memorial stadium as the Blue and Gold swamped the Discovers of Holbrook 56 to 0 in the season's curtain-raiser. Severely "jacked" Varney was the sensation of the afternoon as he galloped for five singles and averaged 23 yards a try. Varney's dashes, without a single exception, were from the forty yard marker or behind. The climax to his series of brilliant performances was an 80 yard sprint from the 20 yard line.

Stanley tallied on a half sprint from the 17 yard line before the game was three minutes old, and from then on it was just a matter of time before a large team.

The entire Eagle line showed to advantage at times, for the most part they were ragged in their blocks. The backs were the best, and the line was the best.

Robertson was down on one of the two touchdowns, but he was forced to make the game, and the line was the best.

Three men accounted for the Discovers' touchdowns. Five Morehead men, and two Anderson players, scored for the Eagles.

The lineup: Holbrook: 1. Martin, 2. Phillips, 3. Melby, 4. ...
