Historical Information: Office of Institutional Research and Analysis was initially part of the Division of Planning, Information Systems and Computing Services dating back to the early 1970s. From 1985 to 2010, the department had a series of titles including the Office of Academic Assessment and Evaluation (1985-1987), Office of Planning, Institutional Research and Evaluation (1988-1992), Office of Institutional Planning, Research and Effectiveness (1993-2002), Office of Institutional Research and Effectiveness (2002), Office of Institutional Research and Computer Applications (2003-2006) and Office of Institutional Research and Assessment (2007-2009). Presently, the department provides information and analytical support to the administration of Morehead State University that will enhance institutional effectiveness through university planning, policy making, decision-making and assessment. They also collect, analyze, report, and serve as a repository for institutional data pertaining to students, faculty and staff and academic programs.

Scope and Content: Collection consists of records related to the reaccreditation process of the 2000 Southern Association of Colleges and Schools for Morehead State University retained by

the Office of Institutional Research and Analysis. The collection contains departmental self-study reports, program assessments and reviews, committee meeting minutes, job descriptions, correspondence, printed e-mail messages, surveys, unit plans, faculty data summaries, course syllabi, and supplemental information to support reaccreditation.
